

SAN DIEGO STATE COLLEGE SERVICE-MEN'S NEWS LETTER NO. 3
(No. 2 appeared in the Aztec)

Edited by Dr. Lauren C. Post
San Diego State College
San Diego, California
June 10, 1942

To and from the Aztecs who are in the service and their friends:

This NEWS LETTER was an experiment, but it seems to have proven its worth. After this we will try to change it only at your suggestion. Its success still depends upon how well we can get news from you and keep up with the changes in addresses. Those of you who are still in this country have done very well. Perhaps a flood of foreign letters will come in the next mail. I feel that it is the men in foreign service that will most appreciate getting the news so let's give it to them.

If you receive one of these letters but your name is not listed, probably it is because the name came in after the stencils were cut. This letter will be sent to all new addresses until the next letter appears.

In looking for an address, see all three sections before giving up. Dozens of names came in after the names were alphabetized.

To all Aztecs and the Faculty Members:

Thanks for the support that makes the NEWS LETTER possible. Faculty members, Kappa Delta Pi, and the Junior class generously contributed enough to make three and perhaps four mimeographed letters possible. (That means about 2 more after this one).

Some copies of the NEWS LETTER will be on sale at the Bookstore. Get a copy for yourself and your friends and write a few letters.

L.C.P.

LETTERS RECEIVED:

From Lt. Jack R. Edwards, U S.M.C., Basic School, Marine Barracks, Navy Yard, Phila.

Dear Dr. Post:

.....also I read the circular letter that you sent Fred Carr. The Aztecs are well represented here at Indiantown Gap. There is Fred Carr, Doug Inman, and myself, all lieutenants in the Marine Corps. Then there is Mrs. Juanita Carr, Formerly Juanita Tipton of State; Mrs. Wallace Springstead, formerly Suzan Coutts of State, and her husband who is also from San Diego.

Another Stater, a female, is to join us in a few weeks. She is Mildred Larson whom I am to marry in the latter part of June. We expect to live with the Springsteads in Philadelphia. Also in Phila. will be Gaylord Parkinson who is studying medicine at Temple U. and Hattie Webber. Both attended State and they are to be married in a week or two.

When we all get together we can have one big happy family and reminisce over our wonderful times at State. I hope to get your next circular letter as it is a wonderful and interesting idea.

Yours, Jack Edwards.

From Sgt. Bernard G. Carroll, Jr., Hq. & hq. Sq. 301st Bomb. Gp., Almagordo, New Mexico.

Dear Dr. Post:

June 5, 1942

.....and I enjoy reading about the former Staters now in the armed forces. At present I am with the 301st Bomb Gp. and am a graduate Meteorologist. The army sent me to meteorology school at the State College of Washington and I graduated on the 19th of May this year. My job at the present is not such a tough one.... Incidentally, Satan's Roost, otherwise known as Hell is just about two stories above us here in Alamogordo.

Before I came to this place, which the noble natives call the land of enchantment, I was stationed in Spokane, Washington. I was in Spokane for about a year and the only two Staters that I ran across were Bud Wyte (sp) and Ben Parker. They were not stationed there but were flying through to other parts of the far-flung war zone. I do not know their present addresses. Another Stater who is in the Army, and with whom I correspond at irregular intervals, is Wilford H. Hudson, Jr. who went to State for a short while. He was recently appointed to the rank of corporal.

In closing I wish to commend you on the fine word that you are doing and send my best wishes to all of my friends at San Diego State College.

Bernard G. Carroll, Jr. Sgt.

From Michael Hallahan, Sgt., 690 A.W.C. Frontier, Drew Field, Tampa, Fla.

The board passed "Red" me for Officer's Candidate School (Signal Corps) which is "the army's toughest school." He doesn't know when they will call him but here's luck to him....L.C.P.

From: Ben Wayne Wirt: "I don't like my eggs fried in mutton tallow."

From Paul W. Casad, A.S., Co. 42--267, U.S.N.T.S., San Diego, Calif.

Paul said that he changed from the Maritime School to the navy. He has seen Andy Echle at the station....He said that Bill Con, Roy Hall, and Bill Morgan left about a month ago..."It was nice meeting some classmates up there." Bill Faris was accepted as a Merchant Marine Cadet, but he may have to ship out before he can secure a place in the class. Tom Rice is still in training on the "American Sailor." His address is U. S. M. S. T. S. Hueneme, Port Hueneme, Calif.

I have had some letters and Aztecs mailed by staters, also some letters from Dr. Darwood. I was certainly cheered up by their correspondence.

Thanks, etc.... Sincerely yours. Paul Casad

From A/C Bill Buchlman, Naval Air Station. Long Beach, Calif., came a note of appreciation which said he was getting on all right.

From Dr. Thomas Greer, 938 Grand Ave., Santa Ana, Calif. came a card to Dorothy Lundy thanking someone for sending him the Aztec. He is a civilian instructor up at Santa Ana.

Another address: A/C Glen G. Curtis, A. F. B. F. S. Barr. 8, U. S. A. F. Gardner Field, Taft, Calif.

From Pvt. Ralph Darrah, Co. B--346 Eng. Regt(G.S.) Eng. Org. Center, Camp Claiborne, La., came a card saying that he was O.K. etc. He said that he misses State College. (Ralph, how can you say such a thing when you are down there?)

Addresses received: Pvt. James H. Blothen, 29 Eng. Batt. Co. D, Whitehorse, Yukon Province, General Delivery, British Columbia.

From Ensign Herbert Chruden, N. A. S., Maui, T. H. came a long letter saying that he had found another Aztec--George Rettie, Musician 1 cl, of the class of 1940. Herbert is an educational officer.

* * * * *

From A/C Al Robbins, Naval Air Station, Corpus Christi, Texas.

....I was surely glad to find that someone had thought of an idea so that all of the fellows who are separated now could get in touch with each other. It seems that you have the names of all of the Aztecs who are here (I should have them all--there are 26) but if you overlooked any, I'll send their names along.

I can't say much for Texas (). All of the fellows from California are anxiously awaiting the day that they graduate () and from what I hear from the fellows in the other parts of the state, they feel the same way about it.

I haven't seen Wally McNulty for about three years. Wonder how many of the fellows are still with him.

By the way, Mac Porter and I will be in Basic in another week and will be finished with ground school in a couple more. The ground school is the hardest part and they really pour it on. It is the big obstacle to get over to graduate.

Next time you send word to the fellows, say hello for me....

Sincerely yours, Al Robbins.

From A/C J. Burdette Binkloy, Class 42-C, Foster Field, Victoria, Texas.

Thanks, etc....I left Randolph yesterday for Advanced Training and will be here for about two months. Then I am to get my commission, and then ???

I have received a few issues of the Aztec. Would you tell them to change my address to the above. Sincerely, Burdette.

From Lt. Frank Verduco, Navigation School, Mather Field, Sacramento, Calif.

Hi Dr. Post:Through the News Letter I was able to get a line on a few of my friends. I have been corresponding with Fred Chino and Louis De Mangus. I received my commission in the A. A. F. on the 21st day of May. I have been stationed at Mather Field flying student navigators on cross country. Some of the places are Oregon, Ohio, Arizona, Salt Lake, and Reno....Say Hello to my friends--Loib, Springston, Smith, etc.

So long and good luck, Frank.

From: Lt. Perry De Long, 8th ROC, MCS, Quantico, Va.

....It was just the thing for many of us who would like to maintain a few of the old campus friendships. I also received today a copy of the Aztec and haven't been able to get my mind on my work all day---seems like only last week I was a part of all that activity. The 8 hour day has been abolished here.... 16 hours of concentrated effort per day.... I used to groan when finals rolled around....now I have 3 to 12 every week. We will soon be receiving new addresses ...we don't know where but it will be where we can test the skills that we have been acquiring for the past five months.... thanks again and I hope that you can keep it up, Sincerely, Perry De Long.

To the old 1938 Frosh Football team members who are in the service:

Bob Carr, Ensign, instructor at N. A. S. at Corpus Christi.
Carver, to graduate next week. Signed up for deferred training in the navy.
Dennis Chavis, Lt.. In administration work in the Medical Corps.

George Kimball, A/C to get commission in Naval Aviation, Corpus Christi.
Wallace McNulty, Sgt. Still with the 251st.
Winston McColl, Sgt. Was with McNulty. Probably now in Officer Tng.
Russell Newberry, Lt., Down in Alabama.
Robert Newsom, Cpl. Reported officially as "missing" since the fall of Manila.
George Prodanovich, Lt. Instructor at Brooks Field, Texas.
Smith, Clinton(Kit) A/C, Army Air Corps. Address unknown.

Norman Wier, Yeoman down at the U.S.N.T.S.

George Piburn, Lt. Flying bombers down at Shreveport, La.
John Westland, Ensign, Teaching instrument flying at Pensacola.

Not bad for the old gang is it fellows? Best of luck to you,

Doc.

Miscellaneous

Jean Lombard, a recent physics student at State, was second highest among 500 who took the Naval Academy entrance examinations.

About 75 present Aztecs are signed up for deferred naval training. After June 19, we will put some of their names on our mailing list for the News Letter.

About 25 are signed up for deferred Marine officer training. Lt. George "Cotton" Gilliland made a fine impression upon the men when he was here signing them up.

Capt. Whelas came along and managed to get about 30 more to sign up for deferred training in the Army Air Corps after the field had been worked over by the Navy and the Marine Corps.

It seems that a high percentage of our men who have received commissions down in Texas are instructors. Eight or nine are instructing at Corpus Christi alone.

Let's have a letter from Ensign C.E. Swanson. Would like to hear from Lt. Russell Newberry before he gets too far away, just a post card perhaps.

I'm sending Charlie Byrne of the Union a copy of the News Letter. He brings me long lists of addresses that I did not have. (He put some of you on this list.)

I'm sending Ted Thoney of the Union a copy. He helps a lot also.

I'm sending Martha Louise Sterne (sister of David Sterne) a copy. She cut a lot of these stencils. She is at 484 Coronado Ave. Ocean Beach, Calif. She says David may be called soon.

I'm sending Mrs. J. M. McColl, 3544 30th St. a copy. She sends me addresses. Thanks and we hope to hear from Jim sometime soon.

I'm giving Nancy Julian, 4169 Jackdaw St., a copy. She also helped with the typing and the stencil cutting.

I'm giving Stella Louise Wiboll, 2527 Madison Ave, a copy. She typed and cut stencils.

It's too early to say who will do the assembling, stapling, folding, addressing envelopes, etc. but they should be thanked.

The mailing of the Aztecs is over but a lot of people helped wrap them.

I'll sign off with best wishes to all of you,

Sincerely, Lauren C. Post, Editor of the News Letter
