

FIVE SDSC MARINE Corps Reserves give the "Toys for Tots" drive, which starts Monday on campus, a head start with their contributions. They are left to right Cpl. Gerald Keating, Sgt. Bill White, Sgt. John Tuttle, Cpl. Ed Johns and Sgt. Lew Byers.

Toys for Tots Drive Begins Monday

Six barrels will be placed on campus Monday by USMC Reserve members for new and usable toys for needy children in San Diego, according to Carl Benton, assistant professor in physical education.

Barrels will be placed in the caf, book store and beneath the arch at the south entrance to the quad. They will also be placed in front of the library, main entrance to the elementary school and at the walkway entrance to the west parking lot.

President Malcolm A. Love said the "Toys for Tots" drive offers a worthy type of project many of our students welcome.

"One of my early impressions of SDSC students was in learning how they traditionally take pleasure in working to bring happiness to others. The success of numerous campus drives reflects willingness of students to share generously and work hard at brightening lives of less fortunate," Love said.

He said the Walk of Dimes, Campus Chest, Clothes for Korea and many special projects by campus organizations typify the spirit of sharing that abounds here.

The toys will be taken to the Salvation Army where they will be repaired and painted. From there they will be distributed by the Salvation Army to needy families in the San Diego area, Benton said.

Notice of Election

An election regarding the student body organization membership fee is hereby called for Jan. 4 and Jan. 5, 1954. The polls will be located in Scripps Cottage on the San Diego State College campus and will be open from 8 a.m. until 4 p.m. on each of the election days.

The purpose of the election is to determine action on the following question: "Shall the Director of Education fix a membership fee in the student body organization of San Diego State College which shall be required of all regular students enrolled in the State College?"

Malcolm A. Love
President

ilies in the San Diego area, Benton said.

The drive, a USMC Reserve project, will begin on campus Monday and end at 4 p.m. Friday. It will be directed by Benton, a captain in the Marine Corps Reserve.

He will be aided by several SDSC students who are also members of the Marine Corps Reserve. They are: Edward Johns, Terry Mumy, John Tuttle, Eugene Burns, Clinton Byers, Gerald Keating, James Cherry and Bill White. They are attached to the 1st Tank Battalion, MCRD, San Diego.

The men will distribute the barrels on campus, pick up the toys each afternoon and make arrangements for delivery to the Salvation Army, Benton said.

They will also solicit the aid of campus fraternities and sororities in an attempt to assure a successful drive.

The yearly drive, "Toys for Tots," was started by USMC Reserves in Los Angeles, in 1948, Benton said. Since then it has become a nationwide project.

Last year, in San Diego alone, 21,582 toys were collected and distributed to 7,000 needy children. Because of the increase in population the need for toys will be greater this year, he said.

SDSC students are urged by Benton to help fulfill the needs of those children whose parents will be unable to play the part of Santa Claus this Christmas.

College Sends Yule Greetings To the Elite

Deficiency notices went in the mail this week, according to Mrs. Marion Parker, Registrar. Friday was the last day of the second six-week period.

Students who receive "D" notices should go see their instructors and find out why they received a notice, Mrs. Parker said.

Deficiency notices are sent to students who have irregular attendance, failure in examinations, failure in class participation and failure in written assignments.

Education Director Plans Hearing To Determine Steinmetz' Status

Prof Could Be Dismissed If He Refuses To Testify

Dr. Roy E. Simpson, state director of education, said Wednesday that a hearing would be called soon to determine the status of Dr. Harry C. Steinmetz, associate professor of psychology, who has, in the past, refused to testify before un-American activities investigating committees.

Dr. Harry C. Steinmetz

Steinmetz, who became a controversial figure when he was called to testify before a committee last spring, broke a long silence on public issues Tuesday. He spoke to the Political Science-International Relations club in the Little Theatre.

Local radio stations and newspapers carried stories of the speech which dealt with committees and officials investigating un-American activities and his status became a controversial topic on campus and in the community.

Time and place of the hearing has not been announced.

Presumably it would be held under provision of a statute enacted last spring by the State Legislature requiring any person employed by a state agency to answer under oath questions asked by investigating bodies relating to the employee's membership and association with subversive groups. The investigating bodies may be state legislative committees, congressional committees, or the employing agency within the state. State Attorney General Edmund Brown is trying to determine if Steinmetz' employer is the State Board of Education or the Department of Education.

Any employee who fails to answer on any grounds the questions asked by these bodies shall be guilty of insubordination and be subject to dismissal, according to the statute.

If Steinmetz refuses to answer questions at the hearing Simpson plans to hold, he could be dismissed under the new statute for refusing to testify. Courts have upheld the firing in all cases, holding that the statute is Constitutional. The statute has not been tested in an appellate court.

President Malcolm A. Love refused to comment on Simpson's announcement of the proposed hearing, pointing out that the law takes such matters from the hands of college presidents. Nor would he speculate on the outcome of the hearing, saying the matter will be settled by provision.

(Continued on Page 10)

AZTEC Editor Applications Due Dec. 18

Students are reminded by Dr. Robert Wilcox, chairman of the Student-Faculty Publications Board, that The AZTEC and Freshman Handbook editor applications deadline is Dec. 18.

Applications may be returned to Peiffer's office, said Wilcox.

The following are qualifications for the Freshman Handbook editor:

1. Applicant must have attended SDSC at least one semester.
2. Completed a minimum of 60 units.
3. Completed Journalism 51A and 51B.
4. At least one semester on the AZTEC or DEL. SUDOESTE or equivalent.
5. An overall grade-point average must be at least 1.5.
5. An AS card.
6. Applicant must qualify for the standard Registrar's Validation.

Qualifications for editor of The AZTEC are:

- Applicant must have:
1. Completed at least 60 units of college work at the time selected.
 2. 75 units at time of taking office.
 3. Nine units of journalism at time of taking office.
 4. One year previous experience on AZTEC staff at time of taking office.
 5. One semester of this year in a responsible editorial position.

"The position of The AZTEC's editor is one of two or three important and influential offices on campus," said Wilcox.

The editor can raise standards, build student spirit and influence student opinion, according to Wilcox.

"Opportunities for leadership, inherent in the position of The AZTEC's editor, offer a challenge to the student interested in developing his qualities and serving the college," said Wilcox.

Withdrawal Deadline Dec. 18

The last date for withdrawal from classes for the semester is Dec. 18, according to Mrs. Marion Parker, Registrar.

The date of withdrawal is the date the form is filed at the Registrar's office. Records cannot be backdated as in the past, Mrs. Parker said.

A student withdrawing unofficially without checking with the Registrar within the time limit indicated, will receive failing grades in all courses concerned.

A withdrawing student must check with his instructors to see if he is withdrawing passing, or withdrawing failing.

A student withdrawing unofficially without checking with the Registrar will receive a failing grade in his courses, Mrs. Parker said.

Withdrawal forms may be obtained from the Registrar's office.

Prof To Read Dickens' Carol

Dr. Lewis B. Lesley, of the SDSC History Department, will give his annual reading of Charles Dickens' Christmas Carol in the Little Theatre Tuesday at 11 a.m. This will be the 14th year Leslie has given the reading, which has become a college tradition.

Under the auspices of the Lectures and Assemblies Committee, the reading will be given only once this year. In past years, Lesley has given the reading twice to accommodate those who wished to hear it. This year only one day was available.

Lesley will be introduced by Joe Rosa, AS president.

Stage direction will be supervised by E. Kingsley Povenmire, of the Speech Arts Department. Decorations will be under Jean Swiggett of the Art Department. Blue Key will handle the ushering.

Mrs. Jay McGee is directing the choral work for the reading.

350 High School Speakers Welcomed by Love, Peiffer

Three hundred and fifty high school students were expected on campus today to compete in the SDSC Invitational High School Speech Tournament, according to Phil Whitacre, student chairman.

The tournament was officially opened at an assembly at 8 this morning in the Little Theatre. President Malcolm Love spoke. Dean Herbert C. Peiffer welcomed entrants and Dr. John Ackley, faculty chairman of debate activities, gave a brief explanatory talk. Whitacre and his assistant, Andy Brown, were introduced.

Debates will be held today and Saturday, with two rounds to night. Two early rounds were held Thursday night. The majority of the contests will be in English and speech classes, Whitacre said.

An award banquet will be held Saturday night at 7 p.m. in the Campus Laboratory School audi-

torium. President and Mrs. Love, Dean and Mrs. Peiffer and members of the Speech Arts Department faculty will be present. Jennie Jo Warriner is banquet chairman.

Thirty-four trophies will be given to first and second place winners in debate and individual events. Medals will be awarded to third place winners, and fourth place winners will receive certificates.

The La Mesa Kiwanis Club will present the perpetual sweepstakes trophy to the high school with the highest number of points. Last year Herbert Hoover High won the sweepstakes trophy. The SDSC Speech Arts Department will present a trophy to the outstanding speaker of the tourney.

There are nine divisions in the tournament; each supervised by a

(Continued on Page 2)

Aztec Debaters Loaded With Pepperdine Trophies

Another triumph was attained by SDSC's debaters when they returned with an armful of trophies and plaques from a Southern California Collegiate Forensic Association tournament Dec. 4 and 5 at Pepperdine.

Combined results of this tourney and the Western Speech Association tournament at Fresno add up to the best showing SDSC has ever made in Southern California competition, according to Dr. John Ackley of the Speech Arts Department.

In the two tournaments, 18 students won a total of 23 first, second and third places. At Fresno, there were four sweepstakes awards in upper division competition and four in lower; SDSC took

an award in each division, with 48 other schools competing. At Pepperdine, there were two sweepstakes cups in each division and SDSC took one from each division, with 19 schools competing.

In upper division men's debate at Pepperdine, Joel Snyder and Lewis Acord won first place; Matt Strauss and Andy Brown placed third. In lower division men's debate, Jerry McIntire and Bill McGrath won third place.

In lower division women's debate, Margie Montgomery and Mary Ward placed first. That was the first major competition, either high school or college, the Montgomery-Ward team had entered. Mrs. Carman Sturak and Jean Curcio tied for third place in the division.

In special events, Joel Snyder won in upper division men's extemp. Matt Strauss placed second in upper men's oratory, and Lewis Acord was third in upper men's discussion.

PRESENTING A PLAQUE of appreciation to Dr. John Paul Stone is Janet Paine, member of the Wesley Club, as Mrs. Stone looks on. Dr. Stone resigned this fall after 18 years as director of the club.

SDSC Chorus To Give Concert

The SDSC Chorus, assisted by members of the Helix High School Chorus, will give a concert Tuesday at 8:30 p.m. in the University Christian Church at 3900 Cleveland Ave., according to Howard Wells, of the music department.

The chorus will be accompanied by a chamber orchestra composed of members from SDSC and Helix stringed instrument classes, Wells said.

Featured artist for the evening will be Richard Robinson, tenor soloist from Los Angeles. He has sung as a soloist with the L.A. Philharmonic and was praised for his performance with the Robert Shaw Chorale in San Diego last summer, Wells said.

Also featured on the program will be Charles Shatto, prominent San Diego musician, who will play the organ.

The group will perform a cantata, "St. Nicholas," by Benjamin Britten, well-known composer, Wells said.

The cantata will be presented for the first time in San Diego. The only other time it has ever been performed on the West Coast was at U.S.C., where Britten conducted it.

Companies To Interview For Positions

A representative from Pacific Telephone and one from Western Electric Company will be in the Placement Office, Monday, from 10 a.m. until 3 p.m. to discuss job opportunities, according to Mrs. Dorothy Slough, secretary.

J. L. Cory, employment manager, will represent Pacific Telephone and Thomas T. Bonnsack, field engineer, will interview for Western Electric Company.

Pacific Telephone has local requirements for mechanical and electrical engineers, Mrs. Slough said. The jobs open include work in connection with the planning and construction of outside plant facilities, including underground conduit, cable systems and pole lines.

There are non-technical openings for business administration, accounting and liberal arts students for work in Pacific Telephone's commercial, traffic, and accounting departments, Mrs. Slough said.

Opportunities open with Western Electric are connected with a field engineering contract with the government, she said.

The contract supplies advisory professional engineering services. Much of the work is highly classified for security reasons, she said.

Requirements for these positions, besides being an engineering graduate, are maturity of viewpoint and the ability to act individually in any circumstance, Mrs. Slough said.

The Western Electric Company is also interested in interviewing business administration majors for placement in factory and distributing house jobs, she said.

Stone Resigns From Wesley

The man who organized the first religious club on the SDSC campus, Dr. John Paul Stone, was honored at a banquet given by the Wesley Club Dec. 2.

Stone, who organized the Wesley Club 18 years ago, resigned as its director this fall.

A plaque, with the inscription: "In appreciation to John Paul Stone, director of Wesley Club 1935-1953," was presented to him at the banquet.

Stone said that the formal organization of the club took place in Scripps Cottage in December of 1935. The first student president was Dwight Stanford, now a San Diego attorney and formerly president for 12 years of Balboa University.

Stone gave three reasons for his resignation from the club. As head librarian of SDSC, he said his work and responsibilities have grown. Also, family responsibilities and activities have increased. Lastly, "Eighteen years as director is long enough, and others should be given some of the work and responsibilities involved." His only active work in connection with religious clubs on campus, in the future, will be in connection with the Campus-Church Relations Committee.

Senior Graduation Applications Due

Applications for graduation in February, June or the summer are being accepted in the Evaluations office today, according to Mrs. Evadne Deardorf, assistant registrar in the Evaluations Office. Previously the deadline was Monday.

All qualified seniors had not applied by the deadline.

The deadline for making senior picture appointments for the Del Sudoste is Friday, according to Bob Comer, senior vice president.

February, June and summer graduates may make appointments at the table in the library arcade through Friday from 8:30 a.m. to 2:30 p.m.

First pictures will be taken on Jan. 4.

Graduate manager Dick Thomas said an announcement will be made later concerning costs and deadlines for diplomas, and caps and gowns.

350 Speakers Welcomed

(Continued from Page 1) debate, Mike Farrar, Bob Arnhyrn and Loren Acord; impromptu, Linden Courter; extemp, Dick Plum; original oratory, Sarah Longman and Joan Wood; poetry interpretation, Mrs. Carman Sturak; radio broadcasting, Don Settle; oratorical declamation, Joe White; dramatic declamation, Phyllis Hetrick; humorous declamation, Ed Gould.

Student judges are Ada Picai-zen, Sally Bird, Pat Earnest, George Sunga, Wally Meads, Patt McDermott and Diane Ackerman.

The 13 Southern California schools which have sent entrants are Carlsbad Army-Navy Academy, Brown Military Academy, Chula Vista, Coronado, El Centro, Grossmont, Helix, Hoover, La Jolla, Mar Vista, Point Loma, San Diego and Sweetwater.

Summer Tour of Europe To Be Offered by SDSC

For the first time SDSC will offer a conducted study tour to Europe, during the summer session of 1954, according to Dr. Ernest M. Wolf, associate professor of German and romance languages at SDSC.

The tour is sponsored by the Department of Foreign Languages and will be directed by Wolf.

The tour is a regular summer session offering. Six units of credit may be earned in two courses, of three units each, offered during the tour.

The two courses are European Civilization and Pronunciation of French, Italian, and German. Instruction will be given en route.

For detailed information regarding costs, itinerary and travel arrangements, students may consult Dr. Wolf in his office, S102C.

Dr. Wolf was born and educated in Europe. He has lived, or traveled, in all of the countries covered by the trip which will last 65 days.

The group, taking the tour, will meet in New York and proceed by boat. Twenty days will be spent aboard the boat, enroute and returning. The remaining 45 days will be spent touring Europe by chartered bus.

During the tour the group will visit eight countries: France, Italy, Austria, Switzerland, Germany, Holland, Belgium and England.

Capitol cities of all the countries will be visited by the group, except Austria.

Four days are scheduled in Paris, three in Rome, one in Zurich, two in Bonn, the capital of Western Germany, two in Amsterdam, one in Brussels, and four in London and its environs.

The itinerary calls for travel to

points of scenic and cultural interest such as palaces, cathedrals, castles, the Riviera, the Bavarian Alps, the Rhine Valley and many of the beautiful rivers that decorate Europe.

In several cities attendance at performances of plays, operas and concerts is also part of the schedule. In Paris the group will spend an evening at the Opera; in Salzburg they will attend one of the Mozart Festival performances; and in Stratford they will witness the presentation of a Shakespearean play.

Additional cultural and artistic programs will be scheduled as the occasion will permit.

Among major features to be studied by the group will be famous museums and art galleries of Europe.

European educational institutions will be studied through visits to the universities of Paris, Munich, Freiburg, Heidelberg, Bonn and Oxford.

An acquaintance with elementary and secondary types of European education will be gained through visits to schools on these levels.

Pre-teaching Physicals

Physical examinations for teacher training candidates must be completed before Christmas vacation, according to Mrs. Regina Rowles, secretary, Health Service Center.

Examination times are Monday and Tuesday mornings, and Wednesday afternoons. Hearing test appointments are Tuesday, 8:30 to 10:00 a.m., Wednesday, 3:00 to 4:00 p.m., Thursday, 8:30 to 10:00 a.m., Friday, 8:30 to 11:00 a.m. and 1:30 to 3:00 p.m.

New Registration Method To Begin Next Semester

A new registration method will be used in February to speed up registration and make class scheduling more effective, Dr. Hilding B. Carlson, associate dean of students told the AS Council Monday.

Carlson said there will be four steps in the new method. Students will go to S101 to receive their program work cards first. They will then go to the gymnasium where they will pay their school tuition.

After the tuition has been paid, students will proceed to the Campus Laboratory School where each will work out his class schedule with his advisor.

Finally, students will proceed to the CLS auditorium to sign up for class reservations, Carlson said.

Class reservations will be made by priority and seniors will be first, Carlson said.

A loud speaker in the auditorium will announce closed, re-opened and new classes, Carlson said.

By the old method of reserving classes, students had to reserve classes in various classrooms on campus. The new method is compact and fixed to save time, Carlson said.

He anticipates long lines in two places in the new method. Advisors may have long lines, also there probably will be long lines in the auditorium for class reservations, Carlson said.

"By having all class reservations made in the auditorium faculty members can observe where lines form and aid in making class reservations," the associate dean of students said.

Carlson asked the council to observe the new registration method in action, and, if possible, offer suggestions to improve the system.

Aztec Freshman Chosen 'Miss Majorette' by Mag.

By Muriel Daron

Phyllis Fleming, SDSC freshman, has been awarded the title of "Miss Majorette" by the National Baton Twirling Association Magazine.

PHYLLIS FLEMING

Miss Fleming, a vivacious blonde, was graduated from San Diego High School in 1953, and was major of the band there.

Since she first twirled a baton in the ninth grade, she has twirled in many contests and has won many titles.

As "Miss Majorette" of October, she will have a chance to run for "Miss Majorette of the United States." Other candidates will be winners for each of the other months.

"This is one of the highest honors a majorette can get," Miss Fleming said.

To mention a few of her titles, Miss Fleming was Hostess Majorette Queen of the Western Band Review at Long Beach in 1951, she led the Elk's band in the Tournament of Roses parade in Pasadena this year, and on Oct. 18, received the award for having the most outstanding act at the Army-Navy YMCA, an award which is given every six months.

She won first place last summer in a contest at Wrightwood, Calif., a baton twirling camp for majorettes from all over the United States.

Miss Fleming has won awards in Santa Ana, Compton, Long Beach, Torrance and Paramount, Calif.

She placed first in the Fourth Annual Southern California Baton Twirling Contest, and first in the Western States contest at Fullerton. She also won first place in the two-baton twirling contest at Fullerton.

The stunning 5-foot 4½ inch blonde, who measures 36-24-38, also placed first at the Fiesta de la Luna in Chula Vista in September.

A major in merchandising at SDSC, Miss Fleming also does tap dancing and ballet, and is active in USO shows.

Rights and Wrongs

State College is in the community spotlight again. We were big news on the radio and in the newspapers this week as a result of a speech by Dr. Harry Steinmetz.

There are two kinds of publicity for any organization or institution. One is the kind you want, the other you would just as soon hadn't happened.

The right of student, professor or administrator to speak is not questioned. But, each should feel some sort of obligation to the organization or institution which is going to be publicized as a result.

For the professor and administrator, this college is his employer. For the student, it is an investment in time, money and effort. It is to the benefit of all of us, and the community, too, to see the reputation and prestige of the school increase over the years.

The speech which put the college in the public eye this week was a source of great controversy. Few persons, if any at all, could consider that the comments and opinions in the community as a result of the talk would do the college credit.

Undoubtedly, Dr. Steinmetz felt very strongly about the subject matter which he discussed. He had every right to speak his views but, because he spoke from a public platform at this college, his remarks became associated with the school. There has been no denial of this association.

Behavior by the speaker and the audience indicated a lack of mental maturity deplorable in a college instructor and college students.

At one point, for instance, the students wildly cheered when Dr. Steinmetz complained that Senator McCarthy and FBI Chief Edgar Hoover had even registered in the same hotel. The students obviously relished the Steinmetz remark that this was guilt by association.

At another point in his talk about freedom and rights, Dr. Steinmetz paused and dramatically ordered an AZTEC photographer not to snap a picture from a certain angle. Again, his audience of college students cheered.

It seems to us this rabble-rousing technique by the speaker and the response by the students was a mighty poor example to set for the community around us.

We are not qualified to question the "right" of Dr. Steinmetz to set a poor example. We feel, however, we are justified in questioning the wisdom of the Doctor in exercising the "right" in such fashion as to bring discredit upon the college and the student body.

Did Dr. Steinmetz consider the position in which his remarks would place the school? Or, was Dr. Steinmetz guided solely by an intense urge of his right of freedom of speech and thought?

Where do we stand as a result of this speech? How does the student body look to the community as a result of its emotional acceptance of the ideas put forth at this meeting?

These are questions which should be considered by the college officials, by Dr. Steinmetz and by the students.

That Christmas Bonus

One more week until Christmas vacation. The administration has ruled that vacation starts for everybody after classes next Friday. For some students, however, it begins today.

State College faces the same problem every year—"What about the student who has to work?"

Last year the college authorized three weeks of Christmas vacation for everyone, but school had to last one week longer in the Spring as a result. College officials felt the three week vacation didn't work too well, and authorized only two weeks at Christmas this year.

Whether the college authorizes two or three weeks for Christmas, there will always be a group of students which "skip" the last week before vacation anyway. Some people do it to earn Christmas money; others just to get out of school.

The end result is that classes during the last week before Christmas vacation are sometimes so deserted that many instructors are unable to carry on an instructional program. Those students who stayed on the campus wish they had gone to work.

Such a system tends to lower the school in the eyes of the community. What value is an educational program if students don't bother to attend classes?

Every student who plans to miss classes on the last week before Christmas vacation should consider the effect of his absence from classes on the reputation of the school.

"I saw you foul him—THAT'S A FOUL."

LETTERS to the EDITOR

Hip, Hip, Hurrah!

Dear Editor:
 Three cheers for the new move on campus to quit "smoking."
 Thomas D. Crawford.

Welfare Says No On Xmas Contest

Dear Editor:
 Your December 4th issue of the AZTEC is brought to my attention because of a "Mr. Christmas Spirit" contest, and the editorial in the same issue on the subject. May we say, first and foremost, that neither this department, nor any person in administrative control, has given any authorization whatsoever for this contest, nor for the use of the name of the San Diego County Department of Public Welfare as a part of it. We do not solicit for funds, nor for Christmas planning. It is true that, because this department is the principal assistance-administering agency in the community it does serve as a channel for getting to needy persons donated food and Christmas gifts. We make every effort to persuade such donors to make their contributions in cash rather than "in kind," as we believe that families, whether rich or poor, should be permitted to make their own Christmas plans. However, since some donors, in spite of these suggestions, prefer to give contributions "in kind," we do attempt, insofar as possible, to see that they get to families who will not be able have much in the way of a Christmas.

We would further suggest that, if persons wish to assist those in our community with limited means, that their contributions be in terms of practical, usable items, which could have a real benefit to those in need. We question rather seriously whether such things as caviar, anchovies, and shrimp cocktails come in that category.

We would like to commend those persons who, in the spirit of helpfulness, have a genuine interest in others less privileged than themselves, and would not want to discourage that kind of helpfulness. We do not, however, want to be a

part to "stunts" such as this "Mr. Christmas Spirit" campaign seems to be, and we object to the inferences of the article setting forth the contest.

Sincerely yours,
 John C. Mueller, Director
 By:
 Earl G. Grimsby,
 Assistant Director,
 Department of Public Welfare,
 County of San Diego

(Ed. Note: Jack Roney chairman of the drive, told the managing editor of the AZTEC that the story on Mr. Christmas Spirit was printed correctly as he had given it to a reporter, but would not give a written statement to the editor. The AZTEC does not feel that it was at fault as the story was accepted in good faith from a campus organization. We feel that the editorial was justified by the article.)

Tom Gould Nabs First Place in Sign Contest

Tom Gould, SDSC art student, won first prize of \$10 in the contest for a design to cover the SDSC yule sign greeting to the community to be located at College Ave. and Montezuma Rd. next week, John Baldesari, AS council member, said.

Sharon Jackson, SDSC student, was runnerup in the contest, which approximately 15 students entered, Baldesari said. There were two runnerup prizes of \$5, but one of the runnerups was not identified because the entry failed to put a name on the back of the design, he said.

All designs will be displayed in the lobby of the fine arts building, Baldesari said.

Jean Donald Swiggett of the Art Department and Dr. Sidney L. Gulick of the English Department judged the contest.

Letters to Editor should be in the AZTEC office by noon Wednesday for publication in the paper the following Friday. All letters are subject to editing, must be signed, and should be less than 200 words in length.

Aztec Alumni News

By Charles T. Byrne

Newest life members of the Alumni Association are Mr. and Mrs. Timothy Hallahan. Hallahan, who recently returned from another tour of Navy duty, is supervisor of buildings and grounds at SDSC. Mrs. Hallahan, the former Frances Gallagher, teacher at John Adams school in San Diego, is recuperating from a recent operation. Seventy-two life memberships have now been issued.

In Memoriam

Harold A. Huff, who held a degree in accounting from SDSC, died Nov. 26. He was auditor for the Union-Tribune Publishing Co.

William J. Oakes, who had been a teacher and principal in the San Diego city school system since 1921, died, Dec. 3, after a long illness. He held his A.B. from SDSC and his M.A. from Claremont Colleges. He was principal of Memorial Junior High School at the time of his death.

Contributions to the Alumni Memorial Scholarship Fund would be in order.

Now for a run-down of the classes:

—1939—

John Frederick Edwards, who holds an A.B. from SDSC, received his Master of Education degree from Ohio University.

—1942—

From teacher, to consultant, to principal—that is the story of William E. Self since he joined the San Diego city school system. He was promoted to principal of Paradise Hills elementary school this year. The Selfs (she's the former Jean Carmody) now have four children, the youngest being Jo-Elda Marie, 1½.

George L. Stillings, manager of Apple Valley Inn, year-round resort in the Mojave desert, six miles east of Victorville, reports he hosted several Aztec alumni recently, among them Dr. and Mrs. Sheldon Brockett and the Anthony Ghios. A personally conducted tour of this new desert, resort area awaits any Aztec alumni who drop in on Stillings, former manager of the El Cortez Hotel in San Diego.

—1943—

Pres. Malcolm Love said SDSC received a valuable and artistic "World Geographic Atlas," gift of Masato Nakagawa, of Aspen, Colo. Masato, who began his art study under Everett Gee Jackson, and other Art Department staff members, did the final art work on the atlas, published for private distribution by the Container Corporation of America.

—1948—

Shirley Margaret Schneider, daughter of San Diego City Councilman Chester Schneider (Aztec alum) recently received the top award for achievement among 27 internes at Queen of Angels Hospital in Los Angeles. She earned her M.D. from Women's Medical College in 1952.

Miss Schneider, now a resident physician at Sawtelle Veterans Hospital in Los Angeles, recently married Dr. Edward Stone, M.D.

—1949—

Marvin M. Shrewsbury, SDSC biology major, received his Ph.D. from University of California at 26 and is now a faculty member at San Jose State College.

—1951—

Leon W. Parma, former Aztec quarterback and manager of the San Diego Junior Chamber of Commerce before taking up law study at Berkeley, has been named executive manager of the California State Junior Chamber.

Gerald L. Christensen, student body president during his senior year, now a First Lieutenant in the Air Force, leaves in January for a year of Pacific duty.

Activity Calendar

Dec. 11, Friday: 8 a.m. High School Speech Tournament, Little Theatre, Closed.
 9 p.m. Gamma Phi Beta's "Winter Waltz," Manor Hotel, Open.
 Dec. 12, Saturday: 8 a.m. High School Speech Tournament.
 Dec. 15, Tuesday: 11 a.m. "The Christmas Carol" read by Dr. Lesley, Little Theatre, Open.
 11 a.m. Art Department Record Concert, FA111, Open.
 11 a.m. Music Department Student Recital, MA207, Open.
 8:15 p.m. Chorus Concert, University Christian Church, Open.
 Dec. 16, Wednesday: 8:15 p.m. Sigma Alpha Iota's Musicales, First Congregational Church, Open.
 Dec. 17, Thursday: 11 a.m. Faculty Coffee Klatch, FA Gallery, Closed.

Students Have More Poise Than Twenty Years Ago

By Martin Herrle

Students of today have more self-assurance and poise, than did students 20 years ago, according to Mrs. Dorothy Harvey, botany teacher at SDSC since 1924.

Only five teachers at SDSC rank above Mrs. Harvey in years of service.

She started at the old college as a student at the age of 15. "The college was called the State Normal School then," she said. She recalled one year when the enrollment was one man and 500 girls.

The college has had three names, according to Mrs. Harvey. The first was State Normal School, the second, State Teachers College, in 1936 "teachers" was dropped from the title; and the present title, San Diego State College.

In 1931 the college moved to its present location, according to Mrs. Harvey. At that time there were only six buildings on campus. The Administration Building, Library Science Building, Cafe, Power Plant, Little Theatre, and the Campus Lab, now Physical Science Building.

Mrs. Harvey said that although most of the older generation thinks the younger one is going to the dogs, she doesn't. "There are more older students at college today than 20 years ago," said Mrs. Harvey, "and all the students have more self assurance and poise."

Mrs. Harvey received her A.B. Degree from SDSC and her Masters from USC. She did graduate work at the University of Chicago.

Two important things happened to Mrs. Harvey in 1917. She got her first teaching job and she also "got her man." The job was in Honey Springs, a country school.

Four teachers at SDSC are former students of Mrs. Harvey's. They are: Dr. Avery Gallup, Biology Department; A. C. Olson, Zoology Department; Dr. P. L. Pfaff, Speech Arts Department; and Dr. Sue Earnest, also of the

Speech Arts Department.

Mrs. Harvey plans to retire in two or three years. "I want to travel to the southern hemisphere and see South Africa, Australia and New Zealand," she said.

MRS. DOROTHY R. HARVEY

Art Professor Wins Award

Awarded first prize for his entry in the General Contemporary Crafts division of one of the country's top art displays was John Dirks, SDSC Fine Arts faculty member.

Dirks' mahogany and ebony food service set competed with country-wide entries in the 26th Annual National Arts and Crafts Competition at the Los Angeles County Fair in Pomona, Calif., recently.

His hand carved and lathe turned set consists of a master salad bowl, individual canape dishes, a salt shaker, a pepper mill, and a serving tray. Dirks said it was designed for everyday use in the contemporary home.

A six-year member of the SDSC Fine Arts Department, Dirks has applied his artistic talent by producing pieces of craft for purposes other than competition. Over 100 pieces of furniture now in use in California homes are of his creation, along with approximately 150 of his sculptures.

Photographs of Dirks' work have been published in magazines, and he has been asked by an agricultural magazine for permission to publish photographs of his self-designed and built home.

2 Departments To Sponsor Yule Faculty Party

The Home Economics and the Art Departments are sponsoring a Christmas coffee hour for the faculty to be held Thursday from 11 a.m. to 1 p.m. in the gallery of the Fine Arts Building.

Girls in the foods class will make cookies and serve. The theme for the refreshments is "Cookies From Many Lands." Heading the committee in charge of baking the cookies are Teresa Covey and Susie Gregory. June Felber and Mrs. Frances Relph are committee members.

The table decorations and invitation design will be done by Mrs. Ilse Ruocco's interior design class.

Part of the decoration will be a five foot wooden modernistic Christmas tree decorated with gold and blue glass bulbs. Decoration on the invitations will be Christmas wreaths.

The cookie recipes are all authentic of the country they represent. Some recipes were brought in by girls whose relatives brought the recipes from the native lands.

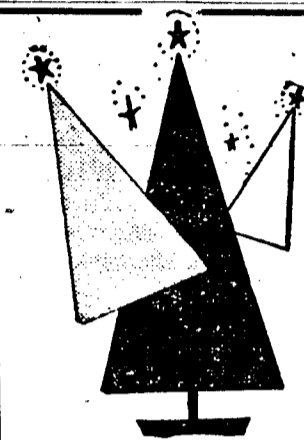

There will be cookies from almost every land including Germany, France, Russia, Italy, Turkey, Iceland, Japan, Austria, Wales and China. Ruth Talbot, chairman of the Home Economics department is in charge of baking the cookies.

LATEST COLLEGE SURVEY SHOWS LUCKIES LEAD AGAIN

She hoped that he'd propose by mail,
And when she got his letter,
All he wrote upon the note
Was: "Luckies taste much better!"

Hyman Levy
C. C. N. Y.

Last year a survey of leading colleges throughout the country showed that smokers in those colleges preferred Luckies to any other cigarette.

This year another far more extensive and comprehensive survey—supervised by college professors and based on more than 31,000 actual student interviews—shows that Luckies lead again over all other brands, regular or king size...and by a wide margin! The No. 1 reason: Luckies taste better.

Smoking enjoyment is all a matter of taste, and the fact of the matter is Luckies taste better—first, because L.S./M.F.T.—Lucky Strike means fine tobacco. And second, Luckies are made better to taste better. So, Be Happy—Go Lucky!

To make a hit at Christmas time,
And really spread good cheer,
Give all your friends that smoother smoke—
Give Lucky Strike this year.

Frank G. Wylie
Kansas State College

She's got a red convertible
And flashy diamond rings,
Smokes fresher, smoother Luckies, too—
She likes the best of things!

Fred D. Mitchell, Jr.
University of Texas

Where's your jingle?

It's easier than you think to make \$25 by writing a Lucky Strike jingle like those you see in this ad. Yes, we need jingles—and we pay \$25 for every one we use! So send as many as you like to: Happy-Go-Lucky, P. O. Box 67, New York 46, N. Y.

Phi Sigs Choose 'Moonlight Girl'

A perpetual trophy was presented to her sorority, Alpha Phi, when blonde, blue-eyed Joan Williams was crowned "Moonlight Girl of Phi Sigma Kappa" at the fraternity's annual closed-bid Moonlight Ball Saturday night at Hotel Manor.

The Moonlight Girl also received a personal trophy of matching design, a ruby sweetheart pin, a portrait, and a crown of red carnations, Phi Sig flower. She will be entered in competition for the national Moonlight Girl title.

Trophies were also presented to the Moonlight Girl's two attendants. They were Jan Hunt, sponsored by Pi Beta Phi; and Elaine Siervogel, sponsored by Chi Omega.

Loves To Give Christmas Party For SDSC Employees

President and Mrs. Malcolm Love are giving the first annual Christmas party for SDSC's employees of the non-teaching staff Dec. 18 in the Physical Science Auditorium from 3 until 4 p.m., according to Mrs. Dorothy Slough, chairman.

The non-teaching staff includes members of the secretarial staff, maintenance department, business and registrar's offices, and the Aztec Shops, Ltd., which includes the bookstore and cafeteria.

Gifts will be exchanged by the members and refreshments served.

Dr. Mason Williams

Optometrist

J-2-6088 4701 College Ave.

June Christy To Be Featured At Dance Sat.

June Christy, Capitol recording star, and Danny Hale and his orchestra will be headline attractions at the dance to be presented tomorrow night at Mission Beach Ballroom by Monty's Productions.

Through the efforts of Monty's Productions, a partnership of the operators of Monty's Snak Shack, a special price of \$1.35, rather than the regular admission price of \$1.80, has been arranged for A.S. card holders.

A floor show and door prizes will be included in the evening's entertainment. Tickets for the event are now on sale at Monty's Snak Shack, 5188 College Ave. Tickets will also be sold at the door.

Monty's Productions hope in the future to bring other "big names," such as Mel Torme, to SDSC students at reduced rates.

Foreign Students To Be Feted At Dinner Dance

A smorgasbord dinner for foreign students will be given by the Speech Department Dec. 18, 6 p.m., in Scripps Cottage.

A program, directed by Pablo Fernandez, will follow the dinner, and will inform guests of various ways Christmas is celebrated around the world.

Yolanda Rodriguez will sing Christmas carols in different languages, and native dishes will be served by the foreign students. American dishes will be served by the speech department.

Robert Baxley and Frank Gillette are in charge of the supper.

Alex Rigopolous is chairman of foreign foods and Joan Ferguson is in charge of American dishes.

A sock dance will follow the program, and the chairman of music is Phyllis Hetrick. Members of the International Students Council will also attend. Eighty guests are expected.

Clubs and Meetings

Phi Alpha Theta

Beta Kappa Chapter of Phi Alpha Theta, national honorary history society, initiated ten students recently at St. Paul's Episcopal Church.

Dr. James Tidwell, of the English Department, was guest speaker.

Initiated were: Bob Baker, Hazil Bole, Seth Carpenter, Lowell Culver, Hugh Dawley, Ellis Dugger, Leo Hamilton, George Monta, Dean Smith and Jarratt Willett.

Pi Omega Pi

Pi Omega Pi's Annual Business Education Fall Banquet will be held tonight at Michael's in Lemon Grove, at 6:15.

The dinner price is \$2, and last-minute reservations may be made at Dr. Gibson's office, any time today.

Secretaries

The San Diego State Secretaries will have a Spanish dinner and meeting next Thursday at Lois Pick's home.

Mrs. Ruth Van Wagner, past secretary to Congressman McKinnon, will be guest speaker.

Every member who attends the meeting will bring a box of toys and candy to be distributed to needy children at Christmas time, according to Noreen Johnson, publicity chairman.

CSTA

Seven members of the local chapter of California Student Teachers Association are representing SDSC at the CSTA semi-annual state convention, which began yesterday and continues through Saturday. The convention is being held in the Biltmore Hotel in Los Angeles.

Students attending are: Bill Pearson, Frank Petersen, Marian Damsbo, Peggy Benson, Betty Dodge, Charles Slaughter and Mary Martha Morgan.

All colleges in California with accredited teacher training programs are represented. Approximately 250 CSTA members are

attending the convention. In addition to representatives of every teachers organization in California,

Newman Club

The Newman Club will hold a picnic and outing in the Laguna Mountains next Sunday after 7 o'clock mass. This will be the club's last social function of 1953.

Reverend William A. Kraft continued his talks on moral guidance at the last meeting, Tuesday.

Everyone is invited to attend Newman Club meetings each Tuesday at 11 a.m. in room BA 210, according to Carol Brown.

Dance Club

The SDSC Dance Club participated in a program, on World Festival Time, Dec. 4 and 5 at the YWCA.

Numbers presented by the Dance Club included "Ave Maria" and the "Puppet Serenade."

Girls participating were: Carolyn Williams, Georgia Adams, Joan Otis, Leanna Draper, Sharon Johnson, Carole Simmons and Mary Jane McCawley.

WRA

Miss Tollefsen's home has been chosen for the Women's Recreation Association's annual Christmas party.

It will take place Tuesday at 7:30 p.m. and will last until 10:30.

Games will be played, carols sung and refreshments, cider and doughnuts, will be served.

English Club

Plans for an SDSC English Club were discussed Thursday at 11 a.m. in BA113, according to Dr. Gail Burnett, of the English Department.

An English club was once on campus and many students felt the need of reorganizing it, she said.

Club Azteca

The Club Azteca will hold a dinner Dec. 19 in Tijuana. Members should meet at the corner of the plaza, Fourth and Broadway, at 7 p.m. Those wishing further details are asked to contact John Inman, president.

How the stars got started...

Tyrone Power says: "I had it tough bucking 'tradition' to get into movies. First, a famous great-grandfather actor, same name. Grandfather and Dad, too - both big in the theatre. I was barker at a Fair before anyone gave me a chance. Then, bit player, understudy, hard work and eventually I made it!"

FAMOUS MOVIE STAR

"I TRIED CAMELS FOR 30 DAYS. THEY HAVE THE MILDNESS I WANT AND THE RICH FLAVOR THAT SUITS ME TO A T! THEY'LL SUIT YOU, TOO!"

CAMEL
CHOICE QUALITY
TURKISH & DOMESTIC BLEND CIGARETTES

For Mildness and Flavor

CAMELS AGREE WITH MORE PEOPLE THAN ANY OTHER CIGARETTE!

With The Greeks

As Greeks thank Monty it's the latest to tell of her marriage to Friday before the Friday they have three things to look forward to—Winter Waltz, Xmas vacation—and, of course, "D" notices.

Pre-partying tonight before the Waltz will be Theta Chis, who recently vacated their Columbia St. home in favor of a place closer to campus. (Not by request of their former neighbors.)

PIKA Party

PiKa pledges will make amends for last week's delinquency by throwing a party for actives Sunday at the house. Recently "exchanged" for USC brothers, who spent the evening atop Mt. Helix, were Pete Launder and Rex Gaede, again courtesy of the pledges. Pikes wonder what new form of entertainment has been dreamed up by Frank Mendoza and Louis Capella?

Newly-elected vice president and pledge trainer of Kappa Alpha is Don Bonatus. KAs have chosen Bonnie Bullock as their candidate for Belle of the Blue Book Ball.

Tree Trimming

Tinsel and icicles will be taken out of storage for another season's use at SAE's annual Xmas tree trimming party tomorrow night. The tree, of course, will be procured from Congenial Fred Allen at Hotel Manor parking lot. The SAE house recently received a face lifting in the form of newly painted window frames, courtesy of the pledges.

An evening of carolling is planned Dec. 19 for Sigma Chis and dates, the group to visit a local hospital, following which they will party at the Sig house. Sig Chuck Abbott and Kappa Delt LaVon McKay will be wed tomorrow night.

K Sig Ditch

Enjoying a short trip Monday night were Kappa Sigs John Clark, Ed Scott, Walt Turner, and Herald Jackson, travel expenses paid by pledges, who later partied with pledges of Alpha Phi and Theta at Don McClure's home. Named "Kappa Sig Man of the Year" at the fraternity's alumni dinner last night was Paul Phinney.

ATOs have slated an exchange with Alpha Gams and AXOs Sunday at Sweetwater Woman's Club, Christmas in Mexico to be the theme. New ATO rush chairman is Al Bernal, while Bob Rose has been named house manager.

Pre-Party

A pre-party at the Teke house will precede tomorrow night's June Christy dance at Mission Beach Ballroom. New pledges of Tau Kappa Epsilon are Harry Bowden and Bill Gookin.

Dinner at Jerry Sullivan's home and Sunday night's performance of "Caught in the Act" were enjoyed by ditching pledges of AXO and Sigma Pi. Sigma Pis will hold a "buttermilk party" tomorrow night at the Pagoda.

Alpha Gam sister mothers were treated by pledges to a chicken dinner at Sonya Rydberg's home Sunday night. Alpha Gams should have suspected something the following night, as pledges pulled a completely secret pledge ditch with ATO pledges, partying at Patsy Hogan's home, where they were tracked down by several members, who were immediately put under heavy guard. Candy kisses recently told AGDs that Pledge Barbara Renke is "steady-ing" with ATO Pledge Paul Christman.

Pulling a turnabout on their pledges Monday night were Alpha Xis, who furnished dinner and "entertainment," climaxed by leaving pledges with a sinkfull of dishes. Alpha Xis had observed "green day" Monday, acting as pledges, while pledges enjoyed the privileges of members.

Chi O Party

Chi O Big and Little Sisters will exchange Xmas gifts at a dinner Sunday in the home of Alum Joe Viall. Chi Os recently feted Bride-elect Jean Ballin at a linen shower, while Sister Jean Cunningham has passed choco-

lates to tell of her marriage to Bill Meyer in Alaska.

A loaf of stale bread, a jar of jam, and a box of lollipops left for Pi Alpha Lambda upperclassmen Tuesday night told of the freshman members' ditch. Chocolates passed to the sorority last week told of Iris Leeds' engagement to Matt Strauss. Pi Lam Edie Press will this weekend greet her fiancé, ZBT Dean Greenberg, home on leave from Paris. They will be married the latter part of January.

Marriage

Chocolates, ten pounds, told Kappa Deltas Monday night that Marie McKinney and Bud Wahl were married Dec. 3 in Las Vegas. KDs and mothers exchanged gifts Tuesday night at the annual Christmas party.

Delta Zetas will hold a Xmas party for alums, actives, pledges, and mothers Dec. 17 at the home of Alum Mrs. Alton Rogers, at which time toys will be collected for children in Greece. Pledges will provide entertainment.

Theta Ditch

After fixing a chili dinner for the sorority, Theta pledges took the night off Monday for their party with K Sig pledges. Movies of the South Sea Islands, taken and shown by E. R. North, were enjoyed by Theta actives, pledges, and mothers at Tuesday night's Mothers' Club meeting.

Alpha Phi Joan Stubbs will be hostess at a miscellaneous sorority shower Sunday for President Marie Beatty, who will wed K Sig Dick Farrar Dec. 27. A mountain party was in order last Sunday for Alpha Phis and Sig Eps.

Partying Monday night with SAE pledges were those of A Chi O, who missed the evening's excitement as AXO A. K. Jones passed chocolates to tell of her engagement to Sigma Pi Selby Dalton.

Blue Key Initiates

Blue Key will hold an initiation dinner and ceremony at Valle's, 5th and Juniper, Sunday at 6:30 p.m. for junior members who were tapped this semester, according to Danny Hale, Blue Key president.

After Christmas vacation Blue Key will tap seniors for membership, he said.

Speech Club Plans Readings

Members of KARA, speech organization, are finding that the Christmas season is keeping them busy.

Several off-campus reading programs have been scheduled before church groups, luncheon clubs, and professional organizations.

These groups include the A.A.U.W., St. Mary's Guild of St. Paul's Episcopal Church, Men's Club of Wesley Methodist Church, Coronado Rotary Club, Southern California Chiropractic Association, San Diego Club, and the La Mesa Begonia Club.

Members who will furnish these Christmas readings are: Helen Reed, Mrs. Carman Sturak, Elmi-ree Childs, Phyllis Hetrick, and Claudia Russell.

The selections include "The Littlest Angel," "Christmas in Brooklyn," "No Room at the Inn" and "Joseph and Mary."

Toys Repaired

The Inter-fraternity Council repaired toys for the Salvation Army Monday through Thursday, according to Jack Roney, IFC representative.

Members of all SDSC fraternities were asked by the IFC to help repair toys at the Salvation Army warehouse as part of the "Toys for Tots" drive, said Roney.

**COLORSMITH

phone woodcrest 8-2151

FUR-TRIMMED COSTUMES provide adequate protection from a typical San Diego snowstorm to Lois Hebner and Judy Maxwell, who braved arctic breezes as they watch Nancy Daley sell a bid to tonight's Winter Waltz to SAE Denny Morrison. The transaction is taking place at the Gamma Phi Beta snowhouse in the northern part of the Main Quad.

Gamma Phi Winter Waltz Scheduled For Tonight

Tonight is the night for "Winter Waltz," annual open-bid holiday dance given by Gamma Phi Beta sorority, to take place from 9 'til 1 in the Terrace Room of the Manor Hotel. The dance is dressy sport.

Willie Welch will provide music. The Delta Sig Dappers will be included in the entertainment. Door prizes will be given.

Bids are \$2 each and may be

purchased from Gamma Phi members and pledges who are wearing wool stocking caps on campus, or may be bought at the door of the dance.

Committee members include Betty Wooley, Audrey Wade, decorations and table candles; Maren Heubach and Carol Hahs, publicity and posters; Judy Maxwell and Judy Johnson, bids.

Cap and Gown, Cetza Initiate

Cap and Gown, senior women's honor society, initiated four new members on campus Monday.

The initiates are Beverly Anderson, Jackie Merrill, Pat Earnest and Phyllis Hetrick.

Cetza, lower division women's honor society, recently initiated 11 new members.

Initiated were Jackie Cathcart, Yvonne Mollison, Lee Lowrey, Sharon Flaherty, Marianne Benjamin, Geri Berkman, Maren Heubach, Luan Boynton, Eileen Lagle, Mary Lou McClain, and Donna Dickson.

CSTA To Give Christmas Party

SDSC's California Student Teachers' Association will give a Christmas party for the handicapped children at Sunshine School Thursday.

A Christmas play, written by Madelle Richlin, SDSC graduate student, will be presented to the children at the party. Don Howard, prominent San Diego radio disc jockey, will narrate the play.

Christmas carols will be sung and refreshments served after the program by the 120 CSTA members planning to attend.

CSTA will present an FM radio to the Sunshine School as a Christmas present.

PROM-TROTTERS . . . (and aren't we all?) that welcome in the new season are Kay Moran and Kay Gillette . . . AND their formals! The dress formals of the season have never been lovelier . . . in nylon nets and tulle, in taffetas, in chromespuns and in shorter versions of the cocktail sheath. The colors have never been more beautiful . . . in blues, Christmas red, angel white, pink, dramatic black, greens, and muted tones. And the prices have never been more diversified . . . from 24.95 to \$115.00. All goes to prove that Christmas dances will be better than ever . . . if the gals come to Walker's, Fifth avenue at Broadway, first. Third floor, girls, third floor.

Cagers Host Arizona State, Oxy in Weekend Features

In two games this weekend, SDSC's basketballers will first meet the top team in Arizona and then play the probable winner of the Southern California Intercollegiate Conference.

Tonight, Arizona State's powerful cagers drop in to tussle the Aztecs on the tail end of a Pacific-Coast road trip. Tuesday night, they blasted Pasadena Nazarene in a warmup for the State game.

Leading the invaders will be two 6'3" guards, John Allen and Tom Futch. Allen, a junior, connected for 188 points and a 9.3 average per game last year. Sophomore Futch was close behind with 172 points and a 6.9 average.

After being ranked second behind Arizona U. for the past few years, Tempe dumped their bigger brothers last season to be named as the top team in the state.

They will boast a height and weight advantage over Coach George Ziegenfuss' locals and will give them their toughest test of the season.

Ziegenfuss has made no bones about the fact that his men will have to be at their best to beat Tempe. News from Arizona lists them as deadly accurate from close in and better-than-average on long shots.

Saturday night's fray with Occi-

idental should be a little easier task, though the Tigers cannot be counted off too lightly. They are favored, along with Whittier, to take the SCIC hoop crown.

The Aztecs downed Oxy last season, 88-72, in a spirited game that saw Bob Brady set the all-time SDSC scoring record with 31 points. The 88 point San Diego total came within one of tying the record points in one game for an Aztec five.

Brady had previously set a scoring record for most points in one game in 1951 against Occidental by potting 28 markers, in a 76-60 State win.

He will be in the starting lineup Saturday along with center Noel Mickelsen. The other three starters will come from Roy Fields, Jim Poole, Rodger Dishong and Danny Newport.

Guard Bob Reid, still bothered

by a back injury, is a doubtful participant for too much action. However, plenty of help should come from Jim Sams, leading scorer with 50 points in four games on 20 field goals and 10 free tosses, a 12.5 average.

One of the bright spots in the Aztec floor game so far has been the heads-up playing of Dishong. Ziegenfuss has shuttled him between forward and guard and has been very pleased with his performances.

Sig Chi Leads In Hoop Action

Sigma Chi fraternity led the way into the second round of basketball following its 57-23 triumph over Zeta Beta Tau, Tuesday, highlighting Red League action.

All-around frat champs in 1952-53, Sigma Chi moved into an early lead and then rolled home.

Kappa Sigma and Sigma Alpha Epsilon also posted wins, but in a closer fashion. The K Sigs held on all the way to outlast Lambda Chi Alpha, 26-19, while the SAE's were edging Delta Sigma Phi, 25-24.

Action in Black League basketball play drew a bye because of the Fite Nite finals and will start Tuesday. Kappa Alpha will open against Sigma Phi Epsilon, Tau Kappa Epsilon meets Pi Kappa Alpha, and Alpha Tau Omega will oppose Sigma Pi.

Kappa Sigma holds the lead for the fraternity championship in sports with 1500 points. Sigma Pi is holding down second spot with 1400, followed closely by ATO, 1300; SAE, 1200; TKE, 1100; and Sigma Chi 1000.

Wrestlers Meet NTC

Coach Harry Broadbent sends his wrestling team out for its first meet Thursday in Aztec Gym against Naval Training Center.

The first match is slated for 7:30 p. m.

Leaving most of the scoring to his teammates, Aztec guard Rodger Dishong is fast becoming the top defensive player of this season's team. A 21-year-old transfer from UCLA, Dishong has been named by Coach George Ziegenfuss to see plenty of action in tonight's game with Arizona State in the Aztec Gym at 8 p. m.

Bob's On the Beam As Poets Fall, 71-70

Aztec basketball fans can relax. Bob's doing fine. He dropped in seven field goals and nine free throws Tuesday night, pacing his mates to a 71-70 win over Whittier.

Before the season's start, Bob Brady was listed as a cinch choice for CCAA honors and an all-Coast possibility.

Lack of Subs Hits Aztec JV

A lack of reserves has forced SDSC's junior varsity basketball squad to go into tonight's game against Oceanside JV, still looking for its first win of the year.

Coach Carl Benton can field a first five and not much more. Most of the help comes in the form of varsity reserves.

The latest attempt at a win was an 82-61 loss to the Whittier Frosh Tuesday. A 24-point effort by center Dick Whaley kept the Aztecs in the game most of the way.

Benton cited Whaley, forward Blaine Williams, and guard Jim Monahan for their work this season. He labeled Williams as an aggressive player, especially good on the backboards.

Monahan, a freshman from St. Augustine High, is hitting from long range successfully.

Another reason for the JV fault has been the exceptionally good caliber of competition. Whittier boasts a powerful team and Loyola, who earlier thumped the JV, has always been a powerhouse.

Listed for starting assignment tonight are forwards, George Benton and Williams, center, Whaley and guards, Monahan and Paul Darrock.

Curses, Foiled Again!

Charlie Chump was a scrawny Junior who never had any claim to fame on campus. Then, one day, it became known that he had become manager of the Fencing Team. Immediately he was surrounded by a group of incredulous students.

"How come you're managing the Fencing Team?", asked one of them.

"Well, it's this way," replied Charlie. "Last week I went down town and got a couple of Van Heusen VANDUROY Sport Shirts... for only \$7.95 apiece. When I put on one of my rugged corduroy beauties, I looked so handsome that I was immediately surrounded by all the beautiful co-eds!"

"Is that a fact," murmured one of his classmates.

"But then, all their boyfriends gathered 'round and said, 'Charlie, what would you do if we beat you up? So I looked 'em right in the eye and said, 'I'll manage a defense!'"

"Gee, what happened?" asked a wide-eyed Freshman.

"Just then Angelo, coach of the Fencing Team, walked by. He said, 'You managa de fence. Atsa good, da teamsa need a manager!'"

160 pounds—Jim Jones def. Jim Kirst.

170 pounds—Frank Stevenson def. Tom O'Brien.

180 pounds—Norm Nygaard def. Mortin Gaughen (forfeit).

190 pounds—Mike Brown def. Doug Brown.

Heavyweight—Frank Tarentino def. R. J. Suseko.

Walt Price, Close, Hall Garner Extra Honors

Kappa Alpha piled up 194 points to walk off with the Fite Nite team trophy last night in Aztec Gym. A strong showing in wrestling and boxing gave the crown to the KAs.

Alpha Tau Omega finished second with 118 points and Sigma Chi, last year's champ, was third with 57.

"Outstanding" trophies were awarded to Walt Price in gymnastics, Allan Close in open wrestling, and Henry Hall in boxing.

Competition was held in boxing, open wrestling novice wrestling, and gymnastics.

Price was the outstanding performer of the evening, walking off with five first places. He was tops in side horse, trampoline, parallel bars, rings, and all-around.

There were two double winners, both in open wrestling and boxing, Ed Johns and Frank Giglitto. Johns won both 194-pound crowns, while Giglitto took both 150-pound titles. It was the second year in a row

Giglitto

IM Volleyball Play Reset

Fite Nite action forced rescheduling of intramural volleyball games to Thursday.

Played on a four-man, double elimination basis, the event has now reached the quarter-finals, with eight teams still left in the running.

Two games will be played Thursday, the African Tuxedos against the Shotmakers, and the Pygmies battling the Beach Rats. Winners will move into the semi-finals against each other, while the losers will play another quarter-final match, the loser of this game dropping out of competition.

Following Christmas vacation, the second set of quarter-finals will be held.

Paul Held, Norm Nygaard Named on CCAA Team

Quarterback Paul Held and Fullback Norm Nygaard were picked for first team positions on the 1952 All-California Collegiate Athletic Association eleven.

Bob Lyon and Monte Fritz, ends; Gene Edwards, tackle; Mike Brown and Ed Johns, guards, and Marshall Malcolm, halfback, received honorable ratings.

Held was picked because of his fine quarterbacking, both in the passing and other handling of the ball. He is generally regarded as one of the finest fakers on the Pacific Coast.

Nygaard won both the offense and total offense titles, gaining the former honor for the second straight season. Besides being the best runner in the CCAA, he received honorable mention ratings on two Little All-American teams. Monday, Nygaard was selected as the Breitbard Athletic Foundation's "Star of the Month" for October. During this month, he gained 441 yards from scrimmage in 78 carries, a 5.6 yard average.

The Breitbard award makes Nygaard eligible for the "Athlete of the Year" award for the city of San Diego. He will be voted upon along with 11 other "Stars of the Month" winners at the end of the year.

Free Sub Rule Group Topic

The California Collegiate Athletic Association voted Monday to favor the return of the free substitution rule in football at the next convention of the National Collegiate Athletic Association.

In another move at the meeting, Pepperdine College announced it will drop out of the CCAA after the 1954-55 school term.

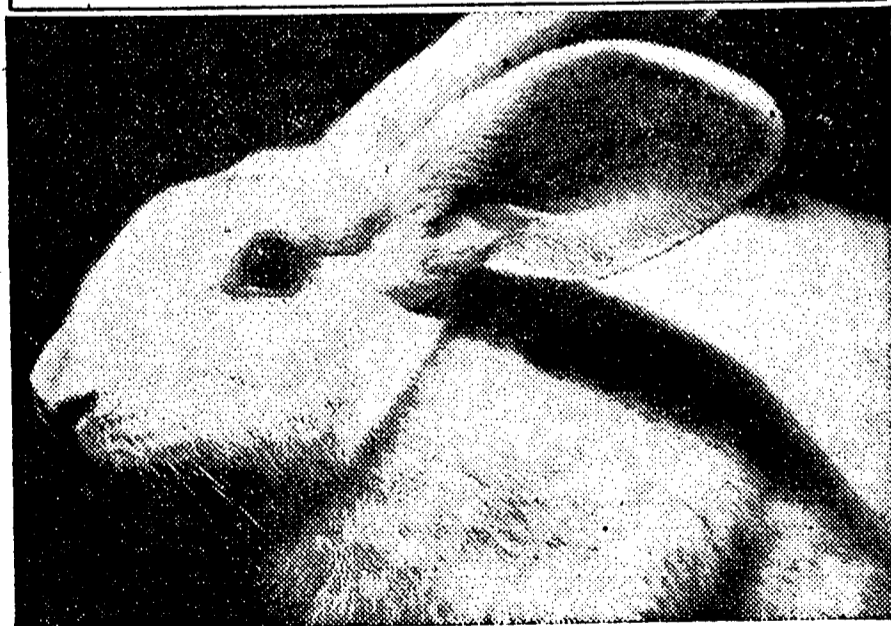

Revision of the school's athletic program in keeping with its enrollment and financial structure was listed as the reason for the Peps decision.

Baseball Meet Called Tuesday

A meeting of all varsity and frosh baseball candidates will be held Tuesday, in PE-108, at 11 a.m.

Purpose of the meeting is to draw up plans for the coming season and arrange for scheduling of practices.

J. Paul Sheedy* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

Here's a sad cotton tale: poor Paul was in a stew about his hair until his paw wrote: "I fear you got a bun on because your girl left you. Now, lettuce look at the bre'r facts. To get in on the bunny huggin', smart rabbits foot it down to any toilet goods counter for Wildroot Cream-Oil, America's biggest-selling hare tonic. So fuzz thing tomorrow, invest 29¢ in a bottle or handy tube. Contains soothing Lanolin. Non-alcoholic. Grooms the hare. Relieves annoying dryness. Removes loose, ugly dandruff. Helps you pass the Finger-Nail Test." Sheedy tried Wildroot Cream-Oil and now he's a jump ahead of every Tom, Dick and Harvey. So what're you waiting fur? Get Wildroot Cream-Oil today, and ask for Wildroot at your barber's. You're bound to like it!

*of 131 So. Harris Hill Rd., Williamsville, N. Y.
Wildroot Company, Inc., Buffalo 11, N. Y.

that Giglitto has won two titles. Medals were presented to the winners by three queens, chosen from the Women's Recreation Association. All physical education majors, they were, Pat Peterson, Mary Houston, and La Verne Zowada.

Club Invites Frats

All fraternity basketball teams have been invited to schedule practice games with the San Diego Club team, according to George Madera, SD Club physical education instructor.

Games are available on Monday and Wednesday nights and may be scheduled by calling F-6321, the San Diego Club.

Music Fraternity Plans Musicales

A vesper musicale will be presented Wednesday at 8:15 p.m. by Iota Delta chapter of Sigma Iota, national music fraternity for women, according to Virginia Barnett, program chairman of the chapter.

The musicale, which the public may see free, will be given in the First Congregational Church of San Diego, she said.

Four soloists and a chorus composed of actives and pledges of the chapter, are scheduled to appear on the program.

The chorus, to be directed by Diane Quint, alumnus, and accompanied by Charlotte Atkinson, organist, will sing a group of three songs before, and a group of three after the soloists perform.

Margaret Nobles, organist at the First Congregational Church and patroness of the Iota Delta chapter, will give an organ solo.

Vocal soloists will be Betty Wooley, soprano and alumnus Rosemary Rademacker, contralto.

Violinist Nancy Hartley will perform the Adagio from Handel's Third Sonata, Miss Barnett said.

Quarter-pound fudge bars with nuts are on sale in the bookstore this week.

LOOKING AT ANOTHER addition to the 5000 keys that unlock doors on campus are Mrs. Jane Bordner, secretary of the Maintenance Department and Ray Wuebben, campus locksmith.

Locksmith Keeps 5000 Keys In Full-time Campus Job

Approximately 5,000 keys are used on campus, and a full time locksmith is employed to make them and repair the locks.

All keys issued to individuals are duplicated and kept in the maintenance building. Mrs. Jane Bordner, Secretary for the Maintenance Department is in charge of issuing and keeping track of these keys.

Each key issued goes through Mrs. Bordner's office, and a complete record is kept of who receives what key and when. A card is kept for each key given to a student or member of the faculty.

The key file includes not only the keys to doors, but also those to desks, files, lockers, and special night locks. Some faculty mem-

bers or maintenance men have as many as 30 keys.

Students must have authorization from a faculty member in order to be issued a key. All student keys are turned in at the end of each semester, and no student can receive grades or re-register until his keys are turned in.

It is against campus regulations to take a key off campus and have a duplicate made. Each key is stamped "State of California—do not duplicate."

In Mrs. Bordner's office there are two cabinets for filing the original key pattern and any duplicates not issued at the time. Both cabinets have space to file 2,810 different keys. Keys are filed under a particular number assigned to one key only.

When someone wants a key not available in the file, Ray Wuebben, campus locksmith, can make one in a few minutes. In Wuebben's office there is a six-foot cabinet containing all the keys for every special locker on campus. If someone is issued an art, or lab science locker, the key for it will come from this cabinet.

The Maintenance Department has almost finished converting all the old locks on campus, to a new system which includes all locks in the new buildings. The change is being made for security and uniformity, she said.

T. L. Hallahan, Maintenance Department chief, worked with a representative of the Sargent Co., whose locks are being used, and planned the new lock system several months before they started making the keys. To date about 800 keys have been made for the new locks.

SD Civil Service Offers 2 Positions

The city of San Diego has two positions open in its Civil Service Department for February engineering graduates, according to Mrs. Dorothy Slough, placement secretary.

Hal Martin, of Civil Service, will be in the Placement Office to interview interested students Wednesday from 9 a.m. until noon, Mrs. Slough said.

Women Athletes To Vie Playday

Plans are completed for the Southern California College Christmas Playday. This big event is under the sponsorship of the Women's Recreation Association.

"Playday," which has a Christmas theme this year, will take place Saturday, from 10 a.m. until 2 p.m. in the Gymnasium.

Women students from colleges in Southern California will be participating in basketball, volleyball, badminton and tennis.

Colleges that will be represented are: Whittier, University of Redlands, UCLA, Pomona, Mount St. Mary's and SDSC, according to Pat Curtis, publicity chairman.

The schedule will be as follows:

- 10 a.m.—Registration and welcoming of students.
- 10:45-11:30—Play period I.
- 11:35-12:15—Play period II.
- 12:30 p.m.—Lunch.

1 p.m.—Entertainment which includes group caroling.

Popcorn balls, apple cider, hot chocolate and sandwiches will be served. All women students are invited, says Pat Curtis.

Steinmetz' Status To Be Determined

(Continued from Page 1)

sions of the law as they apply to what happens at the hearing.

Last spring, even before Steinmetz was called before an un-American activities investigating committee in Los Angeles and refused to testify, President Love issued a statement saying he believed that professors who refuse to answer questions of such committees were failing in their obligations as good citizens and doing great harm to their profession. He said then that he was unsympathetic toward professors who refuse to cooperate with investigating committees.

Asked if he felt the same way now as he did last spring about the matter, President Love said, "Emphatically yes!"

Steinmetz, when asked Tuesday whether he feels Communists threaten the country, replied that communism is a threat to capitalism and Russia has a right to define what it thinks is its own democratic way.

Public Relations Topic of Talk

The Campus-Community Relations Committee met Tuesday and discussed ways to improve handling publicity from the campus through local newspapers to the community, according to Patsy Asquith, committee member.

The committee will meet again next week and decide on definite recommendations, on improving publicity, to make to other committees. One of the committees that the recommendations will reach is the Homecoming Committee, Miss Asquith said.

A big event like Homecoming should receive more attraction, she said. This year's Homecoming was successful, but public relations can be improved, she said.

Another recommendation the Campus-Community Relations Committee discussed Tuesday was letting off-campus organizations meet on campus, Asquith said.

Phil Whitacre, SDSC senior, was elected chairman of the Campus-Community Relations Committee Tuesday, Miss Asquith said.

Men Outdo Women In Poster Contest

Bruce Barton of Sigma Phi Epsilon won first prize of \$15 in the Clean the Campus poster contest. Val Sanders of Delta Sigma Phi won \$10 and July Maxwell of Gamma Phi Beta won \$5 by placing third.

Prizes were presented by Kenneth Whitcomb, president of the Arnold Air Society, Tuesday in the Quad at 11 a.m.

Judges were Dr. Paul Pfaff, Dr. John Ackley and John Dirks.

All posters entered in the contest are being displayed on the campus, said Whitcomb.

Library Vacation Sked

The SDSC library will be open from 8 a.m. to 4 p.m. weekdays during Christmas vacation. It will be open from 8 a.m. until noon Saturdays and closed Sundays, Christmas and New Years day.

READY! AIM! FIRE! Practicing firing is one of the AFROTC rifle team members who competed in the 33rd annual William Randolph Hearst rifle match Thursday.

ROTC Rifle Team Competes In 33rd Annual Hearst Match

A five-man AFROTC rifle team competed in the 33rd annual William Randolph Hearst postal match Thursday in the rifle range in the basement of the northeast wing of the Science Building.

Recorded scores of the five men were to be mailed to the Director of Training, Washington, D.C. All military training teams, located at colleges and universities throughout the nation, are eligible to compete. Deadline for entries in the postal match is Tuesday.

According to contest rules rifle-men fired five shots from each of four different positions. The positions are prone, sitting, kneeling and offhand. Each shot is worth ten points, 200 being perfect score.

The official National Rifle Association target for a 50-foot range was used in the match. The target is an inch and a half in diameter.

Any type of .22 rifle and .22 calibre ammunition are used in the postal matches, Lt. Col. Charles E. Mosse, professor of air science and tactics, said.

A William Randolph Hearst defense trophy will be awarded to the winning team, Mosse said. Mosse officiated at the match.

The five men who fired in the contest Thursday were selected from the top eight men on the SDSC AFROTC rifle team, Mosse said.

The top eight and their recent scores are: Ronald Rickey, 178;

Bob Osborne, 176; Joe Brooks, 175; Jim Bobb, 170; Lester Wadsworth, 166, Frank Echevarria, 162; Don Beatty, 155 and Norman Huff, 142.

Schools entered in the Hearst postal matches include: Colorado A and M, South Dakota State College, UCLA, Illinois Institute of Technology, Michigan College of Mining and Technology, Montana State College, Wisconsin State, Fresno State, University of Oregon and Florida State.

Television Program Receives Response

One hundred and forty-two San Diegans called requesting information concerning SDSC's television program, "Drawing as Communication," Extension Secretary Mrs. Erma Wolke said Tuesday.

The program appears on KFMB-TV's "University of the Air" each Friday morning from 10 to 10:30.

Bruce McIntyre, formerly with Walt Disney, illustrates the program by showing what his TV students do wrong on papers they send in weekly.

Frats Sponsor Canned Contest

Any kind of canned foods is acceptable for votes in the "Mr. Christmas Spirit" contest, according to Jack Roney, Inter-fraternity Council representative.

Former contest rules called for fancy foods, said Roney. The contest started yesterday, and will end Wednesday.

Each can of food turned in will count as a vote for a candidate. The food will be turned in to the San Diego County Welfare Department, said Roney.

Polls will be in the Quad from 9 a.m. to 1 p.m.

The candidate receiving the most canned votes will be "Mr. Christmas Spirit."

Smallpox Vaccinations

Smallpox vaccinations for teacher trainees not vaccinated within the past three years, are scheduled by the Department of Public Health at the Health Service Center Jan. 12, 1954, 8 to 9 a.m., according to Dr. Frank O. Robertson, director of Health Services.

Students under 21 must have the consent of parents on a form furnished by the Health Service Center upon request.

Vaccinations will be checked at the Health Service Center Jan. 15, from 8 to 9 a.m.

Physicals To Be Compact

Physical examinations for students entering SDSC in February will consist of chest X-ray, vision and hearing screening tests, instead of complete examinations, according to Dr. Frank O. Robertson, director of Health Services.

The number of remedial conditions, newly discovered by general examinations, do not justify the inconvenience to the student, nor the time and budget allocated, he said. Also Cornell University studies agree with his findings.

The new program will be on a trial basis. Students will be fur-

nished medical history forms and urged to complete and forward them to the Admissions Office prior to registration. Family physicians may help complete the form to insure correct medical history.

Each student applying for admission or returning after a semester's absence will be required to submit a medical history.

How important is a penny?

At some time or another when you've bought gasoline you have probably wondered how much less a gallon would cost if our profit were taken out of the price.

Actually if the Union Oil Company made no profit on any of its products, the price of "76" or "7600" gasoline would be reduced by a little more than one penny per gallon.

With this "penny-plus" we have to meet today's inflated cost of finding and developing new oil reserves. With it we also have to pay the additional amounts necessary to replace worn-out equipment such as pipe lines, refineries and trucks.

Furthermore, out of this fraction more than a penny, we have to pay the 40,362 owners of the Union Oil Company. For without profit there would be no incentive for these men and women to put up their money to buy the tools so vital in increasing the productivity of our 8,756 employees.

So, as you can see, a penny is mighty important to us. As a symbol of the small profit we make per gallon of product sold it is far overshadowed by the 8 3/4¢* tax per gallon the Federal and State governments collect from both of us.

*Computed on basis of gasoline sold in California.

This series, sponsored by the people of Union Oil Company, is dedicated to a discussion of how and why American business functions. We hope you'll feel free to send in any suggestions or criticisms you have to offer. Write: The President, Union Oil Company, Union Oil Bldg., Los Angeles 17, California.

UNION OIL COMPANY
