Dear G. Post,

I just finished reading No 8. —
Needless to go into detail as to how much
I enjoyed it. Thanks

I noticed you had me addressed
as Ens. Thanks for the compliment, but
as yet my day has not arrived. I'm all
through training and am just awaiting
my orders. When they come I'll graduate
& get my wings. I may add another correction
at this point. It'll be 2nd Lt. (RHA) U.S.M.C.
instead of Ens. Incidentally Clair Beidel
is to be a Marine when he gets his wings too.
His orders are here so I suppose his big
day will be Friday of this week. Mine
should come in a week or so at the most.

"Mickey" Phelps fell a little behind
in training due to a broken arm received
while running over our Commando course.
Let me say here that that the course is really
a work out.

I have a few addresses to give you and a correction to make.
I noticed in the "address edition" that Tom Mulligan was in Pearl Harbor or somewhere there about. I received a letter from him not long ago - he is in the Canadian R.A.F. - address - 1580 TRAFALGAR VANCOUVER, B.C.

Morris Kahan, I know is in Texas,
address: Co. D 54th Med. Tng. Bn.
3rd Aft. U.S. Army
Camp Barkley, Texas

A/C Hellen Torkelson is in Texas. Cadet Squadron 106 Flight "G"
TAX Army Air Force Classification Center
SAN Antonio,
Texas

Dr. Post, leave out what seems necessary, but for gosh sakes let it be known that Berdel and Anderson are Marines. I hope Don Owen^{2nd LT.} U.S.M.C. sees this! (He's a TAX too) -

In closing I say hello to all the gang - and best of luck! (I'm kinda sore at (J.G.) Patterson^{LT.} for not writing) Dr. Post,
Respectfully,

Bob Anderson
P.S. - Tell Dr. Greenwood hello for Berdel and me.
