

December 31, 1942.

Dear Dr. Post,

Just a note to thank you for the News Letters that you have been sending me. I spent a year in Honolulu with the 251st, - got a Termination of Enlistment Discharge, and joined the Navy.

Lt.(jg) Wilson Seacord is my boss and everything is fine. What with all the WAVES and RIPPLES coming into the Navy, it may not be long before I'll get a chance to see some of the old Staters in the 251st again!

Thanks again.
