Dear Mr. Post: Please find enclosed a "$" — maybe you can use it for postage for "The wonderful News's Letter". Shall send you more dollars in the future.

Mr. Bauder joins me thanking you for adding us to your list — and Bob, (over at Corpus Christi) certainly is happy to receive it.

It seems "State" has done a great big lot in supplying young men for the fighting forces — from the number of addresses you print —

Thank you again —

Mrs. Frank Bauder — (Bob's mother)
