Dear Mr. Post:

I do not know whether you have Bob's address or not but I'm sure he would be very happy to hear from State. He probably has written you for he said he intended to when he was in Dallas. However he is so very busy. His address is:

Aviation Cadet Bob G. Bauder,
Aviation Cadet Regiment,
U. S. Naval Air Station,
Corpus Christi, Texas.

This is also Bill Sage's ^{and} Mac Porter's address. They are about 2 months ahead of Bob.

We saw the piece in the Union - And we think that very fine ^{of you}. The boys are a long way from home, and we think you.

Sincerely, Mrs. Bauder.
