Hello Doc,

In answer?

I'm still here in Washington, but feel like I am home, thanks to the way your news letter keeps us all together.

I just received an appointment as special agent of the F.B.I. so tomorrow I begin 16 weeks of tough training. The first five weeks will be at Quantico Va., which is right next to the marine barracks.

If you find a few spare minutes I would appreciate it if you could send me a few names of the boys that are in the marine there.

all of the fellows that were stationed here have left. The last was Lt ^{John} J. McNeil. He went to

Florida and ran into Pete Hoff.
Another stateer but Les Monson come
through Washington last week and we
had a nice talk.

Well Doc, I hope you and
your family are fine. your new
home should just about be in shape
now.

I'll be moving around quite
a bit now, but please keep this
same address on your mailing list.
They'll always know where to forward
my mail.

If it would be much bother,
don't look up the names. I just
don't know if whether you have
the names of one district together
or if they are all scattered.

Thanks Doc, I'll keep in
touch with you. Sincerely Jim Bunker
