SAN DIEGO STATE COLLEGE SERVICE MEN'S
NEWS LETTER NO. 7

Edited by Dr. Lauren C. Post
San Diego State College
San Diego, California
September 30, 1942

(This is our directory number. It contains all of the addresses that we have received to date. Another News Letter made up entirely of letters will appear in a few days.

Since we use this directory for mailing both the News Letter and the Aztec, correct addresses are important.

Check your own name, rank, and address as well as those of your acquaintances, and send us the corrections immediately.

Back numbers are still available for any of you who write for them.)

MONTEZUMA SAYS:

"Remember, we are the
FIGHTING Aztecs of San
Diego State College."

To all of the Aztecs:

Thanks again for all of the nice letters. They are really coming from all over the world. There are plenty for another News Letter---even to the extent that now we can print only part of each letter. But still we want to hear from some more of you---especially those who have not written. We want to know that you are well and receiving the News. Letter.

Acknowledgement to Kappa Phi Sigma and Phi Kappa Gamma:

Some of you Aztec service men who are in distant lands and on rough seas no doubt wonder about State and the attitudes of our students toward you. Well, Kappa Phi Sigma (Jim Hurley, President) and Phi Kappa Gamma (Nona Ratcliffe) typify the attitude toward you. They volunteered to sponsor this issue (30 reams of paper, 20 stencils, and 1,000 stamped envelopes) and they also offered to assemble, staple, fold, and mail the entire issue. They said that they feel that this is their small job to express appreciation to you for your big one.

And a rousing cheer from all of the Aztec service men to Mary Lu Thompson (Phi Kappa Gamma) for cutting stencils for this entire issue, except for this page. (Won't she be surprised when she sees this?)

Keep 'em rolling,

Sincerely, L. C. P.

And again
thanks to
