## Breitbard Tops Nominating Committee's 1947 Slate; Elections Due In October

### Campus Sentinel

The library tower (left), which dominates the San Diego State College campus, will look down upon a crowded and vastly changed scene this fall. (See page 4 for details on fall semester).

### 'Spaghetti Feed' Will Honor Team

The Alumni Association will honor **Coach Bill Terry** and members of the Aztec football squad at a pre-season "spaghetti feed" and "get acquainted" party Friday, Sept. 20, at 6:30 p.m. in the men's gym.

**Bob Breitbard**, Alumni vice-president and chairman of the athletic committee, is in charge of arrangements and announces that the program will include **Terry**, who will introduce his squad and discuss season prospects, and **Mike Pecarovich** and **Bob Ripley**, coach and general manager, respectively, of the San Diego Bombers.

"All Alumni members are invited," Breitbard said, "and we want to see a big turnout to show Terry and his boys that the Alumni Association is behind them."

The party comes just eight days before the Aztecs open their season's schedule against Pomona College Saturday, Sept. 28, in Balboa stadium. In addition to the speakers, an entertainment program is planned, Breitbard said.

The "spaghetti feed" replaces an Alumni beach party which had originally been scheduled for Sept. 15. The latter event was cancelled by the Board of Directors.

All Alumni planning to attend are requested to make reservations with Breitbard, **Barney Carman**, in the Graduate Manager's office, or the Executive Secretary's office.

### Homecoming Dance

The Alumni Homecoming Dinner Dance will be held Friday, Nov. 1, in Balboa Park. For details, turn to page 2.

**Bob Breitbard '41**, currently serving as first vice-president of the Alumni Association, tops the ticket selected by the Nominating Committee for the October election of Association officers and members of the Board of Directors. Breitbard, who has actively promoted and supported all Alumni affairs since the reorganization last November, is the committee's nominee for President for 1947.

Also nominated by the committee were candidates for First and Second Vice-Presidents, Corresponding Secretary and 10 members of the Board of Directors. One-half of the present Board will continue to serve during 1947, and the 10 to be elected will serve for two years.

Although the constitution does not require that nominees' names be published before the October issue of the Alumni News, a week prior to the mailing of ballots, the Nominating Committee felt that its selections should be presented now in order to give the membership-at-large sufficient time to put other candidates on the ballot by petition if desired.

The constitution provides that any eligible member (i.e., paid up) may be placed on the ballot by means of a petition signed by 25 paid up members. Petitions must be in the Executive Secretary's office by the end of the third week in September.

Following is the complete slate presented by the Nominating Committee, consisting of **Jean Pittman '41**, chairman, **Robert Halley '41**, **Barney Carman '36**, **Dean C. E. Peterson** and **Charles T. Byrne, Ex-'40**:

President—**Bob Breitbard '41**, (incumbent First Vice President).

First Vice-President—**Joe Suozzo '43**, (incumbent Second Vice-President).

Second Vice-President — **Christine Dickman**.

Corresponding Secretary — **Winelda Park '44** (incumbent, appointed June, 1946, to fill vacancy).

Board of Directors—**James R. Hurley, Jr. '43**, **Barney Carman '36**, **Carl Esenoff, Ex-'28**, **Donald S. Lindstrum, Ex-'42**, **Fay Waters '46**, **L. Deborah Smith** (faculty) **Lawrence Carr, Jr., '29**, **Courtney Kir-**

# It's A Date: Homecoming Dance Nov. 1

**Frank Nottbusch, Jr. '35**, who heads  
 the committee for what promises to be  
 one of the greatest Alumni Home-  
 coming gatherings in the history of San  
 Diego State, announces that arrange-  
 ments have been completed for a sec-  
 ond big feature—the Homecoming  
 Dinner Dance.

The first feature, of course, is the  
 Homecoming football game with Occi-  
 dental College, Saturday afternoon, No-  
 vember 2, in Balboa Stadium.

The Homecoming Dinner Dance will  
 be held Friday evening, November 1, at  
 the beautifully appointed Camp Kidd  
 Officers' Club in Balboa Park.

All Alumni are urged to reserve that  
 date—Friday evening, November 1—  
 on their calendar right now.

Nottbusch said that arrangements  
 for use of the Officers' Club were com-  
 pleted by **Joe Suozzo '43** and **Barney  
 Carman '36**, and that the management  
 has allotted the entire north section of  
 the club for exclusive use of Alumni  
 that evening. Serving will begin at 6:30.

All paid-up members of the Associa-  
 tion will be admitted upon presentation  
 of their dues cards. Other Alumni, or  
 guests of Alumni, will be admitted for  
 \$2.50, including dinner.

Reservations for space will have to  
 be made with the Officers' Club one  
 week in advance, and in order to ac-  
 complish this, all Alumni on the mailing  
 list of the Alumni News will receive  
 reservation blanks to be returned to the  
 Executive Secretary's Office, Nottbusch  
 said.

Technically, all Alumni attending the  
 Homecoming dance will be guests of  
 Alumni members of the Officers' Club.  
 In this respect, Suozzo and Carman re-  
 quest that all Alumni members who are  
 or were officers in the Army, Navy or  
 Marine corps take out memberships in  
 the Officers' Club—there are no charges  
 or dues involved. Applications may be  
 obtained at the Graduate Manager's  
 office or at the Officers' Club.

Nottbusch also said that tentative  
 plans are being made for an Alumni  
 stag, or smoker, during the week pre-  
 ceding Homecoming, and an Alumni  
 luncheon at the San Diego High school  
 cafeteria just before the football game.

Plans also are under way for an Alum-  
 ni Open House at Scripps Cottage on  
 campus on Friday, Nov. 1. Additional  
 announcements will be made in the Oc-  
 tober Alumni News and in the daily  
 newspapers.

## Alumni Scholarship Campaign Begins

The first major project of the Alumni Association on behalf of San Diego State College—a campaign to establish a \$25,000 Athletic Scholarship Fund—got under way in mid-August after several months of preliminary preparation.

Sponsored and directed by the Alumni Association and enjoying the support and endorsement of a number of civic leaders, the campaign has as its goal the setting up of a \$25,000 fund which, once established, will become self-perpetuating.

Dr. David Jessop '34 is chairman of the committee of Alumni and friends of the college which is in charge of the campaign.

Funds realized by the campaign will be turned over to the San Diego State College Foundation Fund, non-profit corporation which receives and administers all scholarship and loan funds for the college.

Candidates for scholarships will be recommended by the Director of Athletics to the Scholarships and Loans committee of the college faculty, and all candidates approved for scholarships must meet the admission standards of the college and the eligibility requirements of the California Collegiate Athletic Association.

In bringing the campaign to the at-

tention of civic leaders, Dr. Jessop issued the following statement:

"The Alumni Association has but one basic objective in sponsoring the San Diego State College Athletic Scholarship Campaign: To aid San Diego State College in providing an education for as many students as possible and to assist in making State College a school which, in years to come, will continue to develop its reputation as one of the west's best educational institutions.

"The Alumni Association recognizes that successful athletics constitute a means to an end. They afford stimulation of a worth-while competitive spirit on the part of students and alumni alike, develop a wholesome pride in their

school and, of primary importance, afford one of the means by which a college can further develop its educational program."

Scholarships will be awarded on the basis of need and will cover only tuition and/or board and room expenses for needy students during the period they are competing on athletic teams. This will allow for athletic participation on the part of many students who otherwise would be deprived of the opportunity because of the economic necessity of holding jobs after school hours.

Once established, the scholarship fund will be perpetuated partly through interest on invested capital and partly through diversion of a percentage of

## S. D. State Grows!

An enrollment of 4000 to 4200 . . .  
Some 50 new faculty members . . .  
"Breakfast to dinner" and evening  
class schedules . . .

Twenty-three new but temporary  
buildings on campus . . .

Off-campus housing units for the ex-  
clusive use of Aztec veterans . . .

That's the vastly changed State Col-  
lege that Aztecs will come back to when  
registration begins Monday, Sept. 16.

Enrollment, boosted by a tremendous  
influx of veterans taking advantage of  
the G.I. Bill, will come within a few hun-  
dred of doubling the previous highest  
enrollment in the college's history. Nearly  
two-thirds of the enrollment will be vet-  
erans, according to the estimate of Dr.  
**Alfred White**, registrar.

In order to meet the requirements of  
the suddenly-increased student body,  
the college administration will schedule  
classes throughout the day until 4:00  
p.m. In several instances classes will be  
scheduled in the evening, and other  
classes will meet Saturday mornings.

Construction is now under way on 23  
temporary campus buildings, including  
a large Quonset hut on the quad which  
will house an additional study hall. Fac-  
ulty offices and class rooms will be  
housed in eight other steel buildings on  
the quad and the former parking lot to  
the west.

The book store will be moved into a  
new building being erected on the small  
parking lot adjacent to the training  
school field, and the present book store  
will house student body offices.

Four hundred housing units for the ex-  
clusive use of Aztec veterans are being  
readied at the Riverlawn and Frontier  
housing projects near the lower end of  
Mission Valley, and from 150 to 200  
units are supposed to be ready for oc-  
cupancy by Sept. 15. The others should  
be ready in November.

Married veterans will be given prefer-  
ence in obtaining these units. Applica-  
tions should be submitted to **Miss Kath-  
erine Pyle** in the Veterans' office.

All this is temporary.

When priorities and material become  
available, construction will begin on  
more than a million and a half dollars  
worth of permanent improvements, in-  
cluding dormitories, as outlined by **Pres.  
Walter R. Hepler** in his enlightening  
article in the May issue of the Aztec  
Alumni News Letter.

San Diego State is growing!

# News and Activities of Alumni . . . . .

"I couldn't hold out any longer. Seeing the names of all those former Aztec acquaintances who have jumped on the S. D. State Alumni band wagon has forced me to come across. Enclosed please find a check for \$6.00 for a family membership, for myself and Mrs. Kennedy (formerly Mary Paxton)."

This was the first paragraph of an interesting letter received from **Robert E. Kennedy '38**, public relations director of California Polytechnic College at San Luis Obispo.

Now that Cal Poly has joined the California Collegiate Athletic Association, of which San Diego State also is a member, Bob says he will be keeping in much closer contact with his alma mater for there will be quite a bit of cooperative public relations work to do.

Bob must be one of the busiest members of the staff at Cal Poly, for in addition to handling public relations, he also supervises publications and teaches journalism, and during the war he also was librarian. Incidentally, his assistant librarian for a six-month period was **Lauralee (Brewer) Chamberlain**, former Aztec.

Bob and Mary will be down twice this fall, for the Cal Poly game here Oct. 5 and again Nov. 2 when Cal Poly meets the Naval training Center.

\* \* \*

Another former Aztec in the public relations field is **Norris West, Ex-'38**, who recently resigned as sports writer for The Tribune-Sun to return to University of California as athletic publicity director. It puts him in one of the top spots on the Pacific coast in that particular type of work. In addition to writing for the Tribune-Sun, Norrie also wrote most of the sports news for the Aztec News Letter and Aztec Alumni News during the last year.

\* \* \*

**Earl Allison**, who left the Army Air Corps in time to return to State for the 1946 spring semester, transferred to Stanford in June and finished his last six units of under-graduate work Aug.

31. Now, says Earl, it will be "home for keeps" to be with **Doris, Jan and Dan**.

Earl ran into a whole colony of former Aztecs at "the Farm." He lived with **Lynn Kemp '41**, who finished work for his general secondary and Master's this summer. Lynn, incidentally, is to teach at Washington school this fall.

Other Aztecs he saw were **Murl Gibson**, who is in the school of education for his secondary and Master's, and **Mrs. Gibson (Mia Oursershorn)**; **Herb Chruden** in Business Administration; **Claude Roberts** and **Homer Brown** in Economics, and **Muriel Bennett**, who is in the Stanford physical education department and also taking additional work.

\* \* \*

**Bill Koller '39**, Alumni membership chairman, will be leaving his position with the Veterans' Administration soon to enter Stanford school of education this fall.

Three other former Aztecs, **Bob Menke**, **Harry LeBaron, Jr.**, and **Harold D. Cornell**, left recently to enter Hastings Law School at San Francisco.

\* \* \*

**Laurence L. Scott, Ex-'38**, and **Mrs. Scott (Margaret Swope, Ex-'41)** are at 2414 Telegraph Ave., Berkeley, Calif., where Laurie is doing graduate work at the University of California. He expects to obtain a secondary teaching credential and law degree within the next three years.

Laurie, who spent two and a half years in the Pacific, resigned his captaincy in the regular Marine Corps and he and Margaret were married last August. They see **Bill** and **Betty Sommer** and year-old **Emily Jane**, for Bill also is studying law at California.

**Robert B. Montague**, who attended San Diego State in 1942, before entering the Navy, where he became one of the expert cameramen who filmed "Fighting Lady," has formed his own motion picture producing company in San Diego. It is called Paragon Motion Picture Productions, and Montague expects to specialize in sales promotion pictures and educational and entertainment "shorts."

\* \* \*

**Walter Bostrom**, former Aztec basketball star now associated with **Harry Schnell** in the Dairy Mart Farms, Inc., is one of the newest members of the Alumni Association.

\* \* \*

**Florence Officer '46**, honor graduate and president of her Senior class, has been adding to her dramatic laurels at the Plymouth Drama Festival, Plymouth, Mass. Latest reports are that she received high praise for her portrayal of **Elizabeth Barrett Browning** in "The Barretts of Wimpole Street."

## • September Line-up

Faculty members at Hoover High School this fall form a representative list of former Aztecs.

Dating back to the days when State was just a normal school, **Ethel E. Peterson**, wife of our own **Dean C. E.**, got her certificate from State in '17 after having studied at the U. of Oregon. Mrs. Peterson was already married when she came to San Diego in '14. She was a member of the Dogwatch rowing group, one of the two crews that took the place of sororities. Mrs. Peterson taught at La Jolla High School for four years, has been at Hoover the rest of her teaching career, in the Latin department. Her son, **Bob**, who was well-known on campus, was killed in Belgium in '45. A daughter, **Marian**, now **Mrs. J. H. Williams**, has two young sons.

Another member of the class of '17 is **Eugenia M. Welker**, who has taught everything from typing and reading to physical ed in the local schools. Miss Welker edited the "Normal News," was a member of the Philomel chorus, belonged to a rowing crew, was a member of the cast of "Admetus," written by **Irving Outcalt** and presented yearly by the school, and helped start the Quinsabe club, a social group for older students. She received her degree in '24, the first class ever to graduate in caps and gowns, hence called themselves the Cap and Gown club. Miss Welker was awarded a fellowship from the Commonwealth fund to the New York school of social work, used this training to work three years as a visiting teacher doing psychiatric social work. She now teaches in the English department at Hoover.

**Ethel L. Henderson**, of the social studies dept., also was with the class of '17, taught for a while at Emerson, then went to Berkeley for a degree in '23, took her M.A. from there in '31. Since then she has been at Pt. Loma High and Hoover, was for 15 years a Camp Fire Guardian with the Pt. Loma group.

**Dan Showley**, who teaches Spanish, was a member of the class of '35, was in Tau Sigma, took a year of graduate work at Berkeley the following year. Having served with the navy for three and a half years in the communications branch, he was separated in Dec. '45 from the service, has just returned from a month's trip to Mexico.

**Phyllis (Wood) Wallen**, of '30 and the Art Guild, now teaches color and design, costume and lettering at the high school, has done graduate work at U. S. C., Chouinard and at the Norman Edwards Studio. She is married to **Fennell H. Wallen**, Eta Omega Delta with the class of '31, who formerly taught art for two years at Hoover, then branched out to design his own furniture and lamps in a studio at the Spanish Village, is now at Ryan's.

**Martha L. Miller**, '31, teaches commercial subjects, was with Horace Mann and Pt. Loma High School before joining Hoover's staff. Martha likes to travel, has spent one summer in Europe, another summer in Rio de Janeiro studying the schools, for which work she was given two units of education, another summer studying at Stanford, and is working on her M.A.

**Anna Grogan**, '21, vice-president of the student body in her senior year, and a member of the Dogwatch crew, attended U.S.C and U.C.L.A. after studying at State, returned to the local campus for a degree in '27, after having taught in Stockton grammar school and Memorial for several years. She joined the Hoover staff in '29 and is now head of the art dept.

**Ruth Schiferle**, '23, on campus belonged to Sphinx sorority, was president of A. W. S., which she represented at a convention at Santa Barbara, sang with Treble Clef, was a member of the Pristis Crew, and was active in dramatics. At U.S.C. she joined Alpha Chi Omega, was a Chief Big Sister, and was graduated in '25 with a general secondary. She taught at Wilson following that, has been in the Hoover social science dept. since '32.

**Ralph Young**, a Stater from '23 to '25, got A.B. from Stanford in '26. On local campus belonged to Eta Omega Delta, won letters in football and basketball, at that time coached by "Bull" Durham, **C. E. Peterson** and **Eddie Simpson**. Was on team which won Southern California

College conference. Worked way through college by managing Ramona Theater, had **George Sorenson** for a door boy. After college Ralph coached for eight years in Yuma, got M.A. from U. of Arizona in '37. Entered army in '42, attained rank of Major, highlight of career being a military aide at the U.N. conference in San Francisco. In addition to his regular work, Bill is president of the Highway Development Association, will hold the office until next spring. He is a member of the Chamber of Commerce, a past director of the Junior Chamber of Commerce, and a former member of the Bachelor Club. Bill is married to the former **Elizabeth Bare Parsons**, of Colorado. They have two children, **Jim, 13**, and **Betsy, 5**.

# News of Aztecs in the Service . . . . .

The honor of leading off this month's Service News Section goes to **Lt. George W. Peck, USN** (and that's a promotion as of last February), who wrote from Apra Harbor, Guam, late in July on stationery of the U.S.S. Antietam:

" . . . Next month will mark my third anniversary with Bombing Squadron 19, and also, I hope, will see me home with my wife **Mary Lou (M'Lu), Charles Forrest (Sandy, 26 months)** and **Courtney Allyn (Corky, 7 months)**, whom I haven't yet seen. When I return I'll be due for a transfer and Stateside duty, but as yet I have no idea what my next duty station will be.

"This last cruise was more or less a Cook's tour, taking us to Hong Kong, Tsingtao, Shanghai and winding up at Manila to participate in the Philippine Independence Day celebration. All the while our home port remained Saipan, to which we'd return after each trip.

"I've read with great interest all the issues of the News I've received and have wished many times over, when I read of my old classmates separating and returning to the States to take up again their studies, that I could join them for at least one football season. Boy, those **were** the good ole days.

"We seem to have a small Aztec chapter of our own on board: **Lt. Comdr. D. C. (Whiff) Caldwell**, skipper of VBF 19, **Lt. Comdr. Jim Kinsella**, with the air department, and **Capt. W. S. Whipple, USMC**, with the Marine detachment. After I finish reading each copy of the News I pass it along to them."

George's group served its combat tour aboard the Lexington, at the same time that **Barney Carman** (now Graduate Manager) was aboard, and, like Barney, he recently received the Presidential Unit Citation.

\* \* \* \*

Another Aztec who was present for Independence Day was **First Lt. Edwin G. Swann, '43**, who was in the control tower at Clark Field, Luzon, as the army's B-29's took off to participate in the celebration.

Ed has arrived home since then and has recently started a 60-day terminal leave. He spent 18 months in the India-Burma theatre of action with the Army Airways Communication System, and then five months at Clark Field. He has the India Burma and Central Burma campaign bars.

\* \* \* \*

After months of waiting at N.A.S., New Brunswick, Maine, for a carrier that isn't yet ready, **Lt. (jg) Ted M. Smyer** finds things are beginning to break at last. He was accepted for regular Navy and was sworn in several weeks ago, and right on top of that he received word that he had been selected for additional college training. He expected to be assigned to college by September 1 from a list that included U.S.C., U.C.L.A., California and Notre Dame.

\* \* \* \*

**Lt. Comdr. Winifred M. Smith**, one of State's highest-ranking WAVES, is now just plain—Miss. But she's apparently happy about it. She was discharged late in June at the Naval Training Center in San Diego, and one of her first acts was to take a seven-day hike through the high Sierra camps of Yosemite National Park. She described this as "terrific after holding down a Navy desk job for three and a half years!"

Winifred wrote that she expected to work as general office manager for her former chief of staff, now in the broker and contracting business at Lakewood Village, just outside of Long Beach.

Her new address is 4448 Kingswell Ave., Los Angeles 27.

\* \* \* \*

**Lt. Comdr. Morris H. (Morrie) Gross**, who is officer in charge of physical and military training at the Memphis (Tenn.) Naval Air Technical Training Center, writes in to report that he has "shipped over" until July 1, 1947. A new athletic league has been formed within the command, and Morrie expects a busy year with competition to direct in football, basketball, baseball, swimming, boxing and wrestling.

Morrie writes, "Facilities are excellent here, with four recreation halls, each housing a swimming pool. . . ." Stop right there. For gosh sakes, Morrie, let us know when one of those swimming pools becomes surplus, and maybe we can arrange for State to pick it up. Okay?

\* \* \* \*

**Lt. (jg) Raymond L. Malcolm**, former Aztec track man, has been discharged from the Navy and will return this month to State as a physical education major.

He was ranking aide to **Col. James W. Chapman, Jr.**, command pilot of the ATC crew that surveyed the route last May. # Size No Worry; Experience, Well . . .

By **BILL PHELPS**

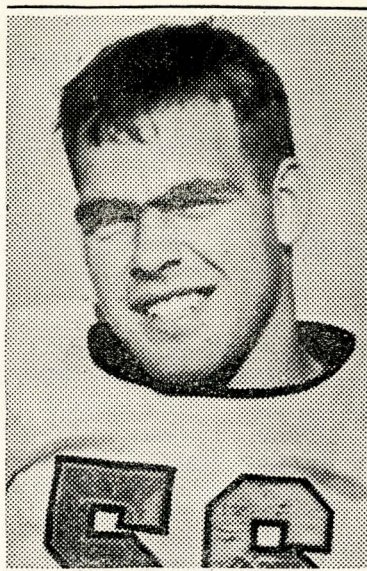

Size won't worry Aztec headman **Bill Terry** this football season, if some of the suntanned huskies now tearing up the practice field sod in afternoon conditioning drills are any indication. Aided by **Roy Engel**, former USC ace, and **Mel Schroeder**, former Occidental great, both of whom were with Terry at St. Mary's Pre-Flight, the new grid mentor will start regular practice September 9th with 19 days to whip his gang into shape before the opener against Pomona in Balboa stadium.

Experience is "Gander" Terry's headache now, as most of the expected 70-man turnout are Freshmen. Bright spot in this picture is the return of some experienced players from last season's squad, and the expectation that several prewar stars will be back for fall chores.

Leading the parade back are men like **Val Robbins**, pass-snagging end from the '41-'42 teams, who is noted for his fast, aggressive play. Two potent backfield additions will be stumpy **Gerry Spitler**, rugged blocking back and signal caller, and line-smashing **Stu Worden**, backbone of the '42 backfield and a fine kicker. Shifty little **Artie Blaisdell**, passing mainstay for the '42 club, and husky guards **Fred Smith** and **Bill Kenyon** will also be back, along with tackle **Al Nesvold**.

From last year's squad, backs **Johnny Finan**, **Bill Butler**, **Bob Foran**, **Herb King**, **Don Conner**, **Tom Parker**, **Lowell Donnelly**, and **Tom Wilson** plan to return. A good chunk of last year's line, including **Tom Craig**, **Gene Smith**, **Bev Rimbach**, **Del Walden**, **Chuck Coover**, **John** and **Pete Manos**, and **Jack Harris** will be back to scrap for their old assignments.

Standouts from spring practice who may be starters in September were tackle **Jim Boles**, end **Dale Brassey**, guard **Nick Russos**, and center **Bob Dierdorf**, all of whom are new Aztecs with experience elsewhere.

## • Breitbard Foundation

San Diego has taken another step forward in sports, and **Bob Breitbard**, former Aztec coach and player, is the man responsible. Bob's Breitbard Athletic Foundation, an organization to promote and publicize San Diego amateur sport activities, will fill a long felt need for an outfit to pick the outstanding athletes in each sport, keep statistics, aid in staging outstanding events and other worthwhile functions.

## • Big Net Summer

Tennis players among the Aztecs have had a big summer and **Jean Doyle**, ranking county gal, climaxed it by going back to the National Women's Doubles Championships at Brookline, N. Y., and making a fine showing. **Betty Ravencroft** made quite a swoop through the Northwest a few weeks back, too, and art maestro **Everett Gee Jackson's** daughter **Jerry** will probably be ranked fifth among the nation's junior gals this year, after her showing in the nationals back east.

## • Cassie Wins Hoover Post

**Les Cassie**, captain of this year's championship baseball club, has been appointed to the coaching staff of Hoover High. Congratulations, Les.

# Alumni (Only) Get Season Tickets

Marking the first time that such concessions have been granted Alumni, **Barney Carman**, Graduate Manager, announces that paid up members of the Alumni Association may purchase season football tickets at a reduced price and that a special section will be reserved for Alumni at home games.

Carman said that Alumni members may purchase a general admission season ticket for the Aztecs' six home games for \$6.00, representing a saving of \$1.50. This special offer applies to wives or husbands of paid up members.

Season tickets are not offered for general sale this year, nor to any other groups.

Carman said that there would be a reserved section for Alumni on the east side, adjacent to the student section in the center of the field. Admission to this section will be limited to Alumni showing dues cards and members of their party.

Alumni desiring to purchase season tickets should use the application form printed below and mail it, together with their checks or money orders, to **Barney Carman**, Graduate Manager, San Diego State College.

The season ticket will cover admission to all but the Shrine charity game with Nevada Oct. 19, all arrangements for which are handled by the Shriners.
