**PRESIDENT-ELECT**—Bob Breitbard, '41, who has served this year as first vice-president of the Alumni Association, takes office as president on Jan. 1, succeeding Mrs. William E. Self '42.

## 1946 Alumni Homecoming Called Best Yet

Homecoming for 1946 is history—pleasant history.

The two-day celebration and reunion, held Nov. 1 and 2, was one of the most successful yet and left, along with its happy memories, a determination in all those who participated for an even greater Homecoming reunion in 1947.

Open house was observed Friday, Nov. 1, at Scripps Cottage from 9 in the morning until 4 in the afternoon, and approximately 100 alums came out to visit the campus and to sign the Alumni Register. They were greeted by Mrs. William E. Self '42, Alumni president, and Mrs. Charles Byrne, Ex-'38, registration chairman. Oldest class represented was '01, by Myrtle E. Johnson.

The student body held its Homecom-

ing rally dance that evening at Mission Beach ballroom, at which time Rose Marie Martin, blonde sophomore, was crowned Homecoming Queen, with Belina Wright and Mary Melton, also sophomores, as attendants.

Alumni from throughout Southern California turned out for the Homecoming football game Saturday afternoon, Nov. 2, as the Aztecs defeated Occidental, 21 to 12, in Balboa stadium. Many were down from the Los Angeles area, and Robert and Mary (Paxton) Kennedy, class of '38, came all the way from San Luis Obispo.

The traditional Homecoming Parade of Floats at the football game, held under direction of Dorothy Morgenroth,

## Robert Breitbard New President

Robert Breitbard '41, who has been one of the most active participants in Alumni affairs since the reorganization a year ago, heads the new slate of officers which was elected on a white ballot in the October elections.

Breitbard will take over the duties of president on Jan. 1, 1947, succeeding Mrs. William E. Self '42, who had succeeded Barney Carman '36 when the latter resigned last spring.

The executive secretary - treasurer mailed 270 ballots (to paid members only) and 151 were returned, with the white ballot slate of officers and board members selected by the nominating committee receiving a heavy complimentary vote. Thirty-seven persons received write-in votes for various offices, but no individual received more than three votes.

As a result of the failure of the membership at large to place nominees on the ballot by petition this year, the nominating committee will recommend that a dual slate be named by the nominating committee for the 1947 elections.

Official election results follow:

**Officers, to serve for one year beginning Jan. 1, 1947:**

President—Robert Breitbard '41 (148 votes).  
First vice-president—Joseph Suozzo '43 (143).  
Second vice-president—Sol Schultz '41 (144).  
Corresponding secretary—Winelda Park '44 (142).

**Board of Directors, to serve two years beginning Jan. 1, 1947:**

James R. Hurley, Jr. '43 (136).  
Barney Carman '36 (149).  
Carl Esenoff, Ex-'28 (140).  
Donald S. Lindstrum, Ex-'42 (145).  
Fay Waters '46 (139).  
L. Deborah Smith, Faculty (142).  
Lawrence Carr, Jr., '29 (147).  
Courtney Kirkeeng '46 (146).  
Margaret Sinclair '45 (136).  
Tom Goodson (130).

# Scholarship Drive

Slowly but surely, the Alumni-sponsor-  
 ed athletic scholarship campaign, under  
 the chairmanship of **Dr. David Jessop**  
 '34, is bringing in an impressive list of  
 scholarships.

A recent recapitulation showed 15  
 \$500 scholarship awards already receiv-  
 ed, plus enough smaller contributions to  
 make the total at this writing approxi-  
 mately \$8000.

Dr. Jessop and members of his com-  
 mittee have made additional contacts  
 and interviews that show definite prom-  
 ise of producing from eight to 10 addi-  
 tional scholarships in the near future.

## SCHOLARSHIP DONORS

Contributors of \$500 scholarships to the San  
 Diego State College Athletic Scholarship Fund,  
 sponsored by the Alumni Association, are:

"Cross talk," monthly publication of  
 the employees of the Southern California  
 Telephone Company and which has been  
 on the exchange list of The Aztec News  
 Letter and THE AZTEC ALUMNI NEWS  
 for several years, has ceased publication.

## Collegiate Club Closed

The Alumni Association-sponsored  
 Collegiate Club at Mission Beach  
 ballroom was officially disbanded by  
 action of the Board of Directors in a  
 special meeting held November 13 at  
 the club rooms of the Breitbard Ath-  
 letic Foundation. The Friday night  
 dancing club for college and high  
 school students had been in operation  
 since October 18, but failed to re-  
 ceive sufficient patronage to warrant  
 its continuance, so the action dis-  
 banding the club followed. There  
 were no dissenting votes. Erling  
 Rhode, orchestra leader who suc-  
 ceeded Jack Becker, original leader,  
 said he would continue to hold Fri-  
 day night dances at the beach, but  
 without any connection with or spon-  
 sorship by the Alumni Association.

**NEW LIFE MEMBER**—Dr. John R. Helk '21, potentate of Al Bahr temple of the Shrine, which sponsored the Aztec-Nevada football game, receives his life membership card in the Alumni Association from Charles Byrne, Executive Secretary-Treasurer, while Dean C. E. Peterson, an active Alum, watches. (Bill Harmer photo).

Doubling of the Alumni Association paid membership total, which reached 300 for the first year of the reorganization, is the goal that has been set for 1947 as the Association prepares to swing into a second activity-filled year. Membership renewals do not become due until January, but the Executive Secretary-Treasurer's office reports that 1947 membership cards have already been received from the printers and that any dues received this month will be credited for all of 1947 as well as the balance of this year.

**Sheldon Campbell**, newly-elected president of the class of '47, reports that his cabinet has agreed to sell senior class Alumni memberships along with the regular class dues, and this fact is expected to swell the membership total considerably. The class of '47 totals approximately 180 members.

Action taken by the Board of Directors last spring enables members of the senior class to buy their first year memberships in the Alumni Association for \$1.00.

With the reopening of the membership campaign, **Charles T. Byrne**, executive secretary-treasurer, reminds all Alumni that life memberships are payable at any time.

Life memberships are \$50.00 (and \$20.00 for each additional member of the family) and it is the desire of the officers and board of directors to build up a large life membership and thus create a trust fund for the establishment of scholarships and other worthy projects.

The Alumni by-laws provide that four-fifths of all life dues shall be deposited in a trust fund of which only the

## Two Alumni Become Life Members

Two new life memberships in the Alumni Association have been received in recent weeks, bringing the total of life members to six.

Life Member No. 5 is **Dr. John R. Helk '21**, potentate of Al Bahr temple of the Shrine, which sponsored the successful San Diego State-Nevada football game for the benefit of the Shrine hospital for crippled children.

Dr. Helk played football in 1921, captained the track and field team, managed the tennis team and was a HOD.

The sixth life membership card was issued recently to **Mrs. Dan S. (Florence Denton) Goodbody '27**. At present she and her husband and five-year-old son are living on a citrus grove in El Cajon valley.

Here is the life membership list to date. Let's make it grow:

1. Dr. Lauren C. Post, Faculty.
2. Charles T. Byrne, Ex-'40.
3. Carl M. Esenoff, Ex-'28.
4. Lloyd C. Goodell, Ex-'41.
5. Dr. John R. Helk '21.
6. Florence Denton Goodbody '27.

student body Homecoming chairman, drew 17 entries, most of them expertly and cleverly done.

The three Alumni judges—**Al Morrison, Ex-'25, Charles L. Wilson '37** and **Bryant Kearney '30**—awarded first prize to the Phi Kappa Gamma float, which represented the year 1914 and which honored **Dr. Irving Outcalt** and his original play, "Admetus." The Kappa Theta float, depicting the end of the first world war in 1918, was second, and Delta Pi Beta's float showing the present campus as a sagebrush mesa in 1926 was third.

The Alumni Association was represented by an impressive float built under direction of **Frank H. Nottbusch, Jr. '35**.

But the Alumni Homecoming dance Saturday night—that was the high point of the two-day celebration!

The Sun Room of the San Diego Hotel was packed to overflowing by the turnout, and although it was difficult to get on the dance floor, few seemed to mind for all were busy renewing acquaintances with old friends.

**Dean C. E. Peterson** termed the dance the most successful Alumni reunion he has witnessed.

**Herb and Dorothy (Donnally) Ward**, class of '39, and **Lynn and Eilene (Corbett) Kemp**, '41 and '42, won door prizes donated by **Kenard Florists**. **Mrs. C. E. Peterson '18** and **Al Morrison, Ex-'25**, won prizes donated by **Ernsting Jewelers** and **Walker's** as members of the oldest classes represented.

## Hollywood Letter

This morning (Nov. 15) I received a letter from my brother, **Bob Benner**, and he says the Bay Area held a reunion for Staters and about 50 were present, including **Vernon Rivers, Gordon Hunzicker, Corny Swift** and **Elizabeth Beckam**. Bob has been in charge of the homecoming at Cal this year and seems to have his hands full. He also mentioned that he is a member of Sigma Alpha Epsilon and that **Vernon Rivers** is a pledge to that frat.

While riding the street car the other day I accidentally ran into **June Swartz Orr**, who now has a publicity agency of her own. I don't know if many of the Staters remember **Dick Cutting**, who was an Aztec several years back, but I know a few who have been interested in radio and dramatics have contacted him in Hollywood. He is with the Personnel and Education Dept. at CBS and doing a fine job. Dick has been giving much time to the race relation problem by talking to high schools, and through radio programs.

I had to miss the Homecoming game and activities because of the strike situation here. We were short of help and I had to stay on, but I plan to come down for Christmas holidays.—**By Audrey Benner, Hollywood Alumni Correspondent**.

(How does it happen that the news of an Aztec reunion in the Bay Area has to come through the Hollywood correspondent? Would some one like to volunteer as the Bay Area correspondent? And the same for Los Angeles, Citrus Belt, Imperial Valley, etc.—**Editor's note**).

interest shall be deposited in the general funds of the Association. Further provision is made that dues paid consecutively for a period of five years or less may be applied on a life membership.

Thus, a member who paid \$5.00 yearly dues in 1946 could purchase his life membership in 1947 by paying an additional \$45.00.

Handling of dues in the executive secretary-treasurer's office is greatly facilitated if payments are accompanied by an application blank with all requested information filled in.

Jack and Virginia (Lutz) Benton were down from Santa Ana for the Homecoming, along with a number of others from the Los Angeles area. They see Jack and Monica Zeller frequently and the boys manage to get in a good deal of golf together. Jack Benton met one of the softball players from the Champion Santa Ana club by the name of Bill Matthie. Later, seeing him wear the familiar red sweater with several stripes, Jack discovered Bill was an ex-State football player and a member of the Omega Xi's.

# Norma's Notes on Alumni . . . . . By Norma Boldman Pyle

**Mable Grant Hazard** has been telling on other folks for nine years. Now I shall tell on Mabel.

Mabel has been a San Diegan for the ten years since the retirement of her army father. Now, as wife of contractor **Bruce Hazard**, she says her days of changing homes are over, and she is happy to "put down roots."

A diploma from San Diego High school preceded days at State where Mabel was a Chi Theta and was tapped for Cap and Gown. In her sophomore year she originated the weekly Aztec-

nicalities column in The Union, reported on the Aztec, and was the third woman student to edit Del Sudeste. When she left State in February, '41, the coveted "Knight's Head in Eagle's Mouth" was awarded to her for journalistic efforts.

Eight months of copy writing with Phillips Advertising Agency, plus a job as society reporter at Agua Caliente races, kept Mabel working six and a half days a week, until her marriage November 1, 1941.

At odd intervals since then she has substituted in The Union and Tribune society departments, but now finds daughters **Terry**, 4, and **Polly**, 20 months, a full-time job. Outside interests include Zlac Rowing club and Junior league activities.

**Jim North**, ex-'40, Kappa Phi Sigma, was at State for three years. He has been at Convair for seven years as a technical machinist. Jim was married to **Mary Elizabeth Slattery** in '42 and they have a two-year-old daughter, **May**.

## Sports Roundup

Since the October AZTEC ALUMNI NEWS went to press, the Aztec football team has rolled to four victories in five games, made a valiant—if unsuccessful—bid for the California Collegiate Athletic Association championship, and has boosted its season record to six victories in nine games.

As this issue goes to press, **Coach W. L. (Gander) Terry**'s men are preparing for their final game with College of Pacific, seeking a victory that would give them undisputed possession of second place in the CCAA standings.

The Aztecs pulled the only major upset of the CCAA schedule on Oct. 26 when they defeated Fresno State, 7 to 0, before 10,000 fans in Balboa stadium. A battle between two outstanding lines finally was decided in San Diego's favor when **Leo Heaton**, left end, blocked a Bulldog punt and **Dale Brassey**, right end, fell on the ball in the end zone for a touchdown. **Barney Newlee** added the extra point.

A week later, in the Homecoming game with Occidental in Balboa stadium, the Aztecs went into a slump and gave a comparatively listless performance, but still had enough power to defeat the Tigers, 21 to 12. At that, the game provided one of the season's most spectacular plays when San Diego scored on a 71-yard forward-lateral pass from Art Blaisdell to **Jack Kaiser** to Tackle **Al Sawaya**, who ran the last 40 yards. Blaisdell and Kaiser added the other touchdowns, and Newlee booted three more extra points.

At Gilmore stadium in Hollywood on Nov. 8, the Aztecs showed one of their best offensive efforts in defeating Loyola, 20 to 7. **John Simcox**, moved over to tailback while "**Buzz**" **Brown** rode the bench with an injury, and **Hub Foote** at fullback really "found" themselves in this game. Blaisdell, Simcox and Foote accounted for the touchdowns, and Newlee made two more placements.

... good year for the Gander

The big conference game of the season came Nov. 16 when, with 12,000 fans watching in Balboa stadium, the Aztecs and San Jose State battled for the top spot. Two great lines battled without decision except for a lone third-quarter drive in which the Spartans went over for the only touchdown to beat San Diego, 6 to 0. Linemen **Al Sawaya** and **Jim Mahlmeister** saved two touchdowns with spectacular open field tackles.

San Diego came back to defeat its traditional foe, Santa Barbara, 9 to 7, on Nov. 23 on the Gaucho field, to clinch no less than a tie for second place. The Aztecs picked up two important points on a safety and then got their touchdown on a 40-yard pass play from Blaisdell to Heaton. Foote was one of the heroes when he carried the ball 20 times for 77 yards on power plays through the middle, at one time doing duty on 12 out of 14 plays as the Aztecs marched for four consecutive first downs. Newlee made it 17 extra points out of 20 attempts.

## Basketball Next

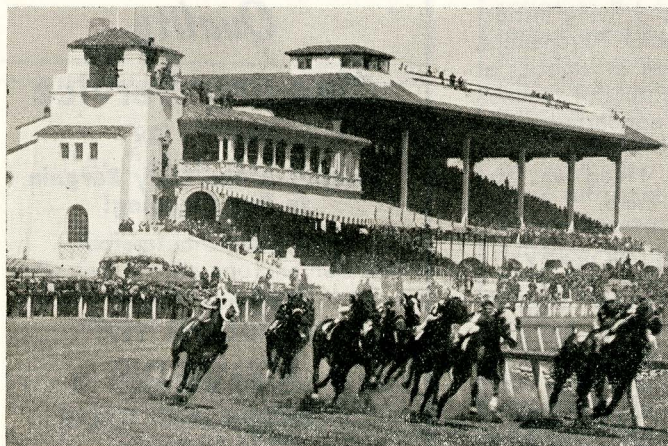

**Coach Charlie Smith** sends his Aztec varsity basketball team against an Alumni lineup Tuesday, Dec. 10, in the opener of a 30-game schedule, 21 games of which will be played at home.

Although **Dick Barnes**, last year's high-scoring center, will be missing—he's in the army—the Aztecs will have three pre-war veterans in **Kenny Hale**, Little All-American in 1940-41, **Herb Tompkins** and **Barney Newlee**.

Veterans returning from the 1945-46 team are **Sal Gumina**, **Charlie Hampton**, **Don Smith**, **Bernie Goodbody**, **Dick McKee** and **Don Brorson**. These will be augmented by a number of promising newcomers.
