

An aerial photograph of the San Diego State College campus in San Diego, California. The image shows a large, multi-story academic building complex with a central courtyard. To the left, there is a large stadium with tiered seating. In the foreground, there are several long, low buildings, possibly dormitories or administrative buildings, and a parking lot. The campus is surrounded by trees and a road. The overall scene is a comprehensive view of the university's main campus.

## 8-DAY GOLDEN JUBILEE OPENS MAY 4th

The greatest celebration in San Diego State College's history, commemorating the 50th anniversary of the founding of the college by legislative enactment in 1897, will be held May 4 to 11, bringing thousands of Alumni back to their Alma Mater.

Under the general chairmanship of **Dr. Lauren C. Post**, first and only Honorary Life Member of the Alumni Association to date, the eight-day 50th Anniversary Celebration, months in preparation and involving the cooperation of hundreds of faculty, students and Alumni, is ready at last to be unfolded, day by day.

Every event on the crowded week-long program should hold interest for Alumni, but two features—the Reunion Evening on Monday, May 5, and the Reunion Dance on Friday, May 9, at

Pacific Square—have been created especially for Alumni. They seem destined to bring out the greatest gatherings of Aztec Alumni in history.

The citizens of San Diego city and county, too, are expected to visit the campus in record numbers.

For the benefit of Alumni, events of the 50th Anniversary Celebration are described below in day-by-day sequence. All Alumni are urged to reserve these dates on their calendars and attend or take part in as many events as possible.

### Sunday, May 4— Glee Club Festival

Music reigns on the opening day of the 50th Anniversary Celebration, with San Diego State College acting as host to the first post-war Pacific Southwest

Intercollegiate Glee Club Festival at 2:30 p.m. at Russ Auditorium. With the exception of the Reunion Dance, this is the only event of the week for which admission will be charged.

In addition to San Diego State's Treble Clef, directed by **L. Deborah Smith**, and Men's Glee, directed by **Christine Springston**, glee clubs from Occidental, U.C.L.A., Pomona, Redlands, U.S.C. and Pepperdine are scheduled to participate.

Each club will sing for six minutes, and then all will join to sing "Thanksgiving for Victory," by **Vaughan Wil-**

## Aztecs to Clash With Trojan Nine . . . .

San Diego State's baseball season will reach its high point—particularly as far as Alumni are concerned—when **Coach Charlie Smith's** Aztecs meet the University of Southern California Trojans in an Alumni-sponsored game Tuesday night, May 13, at 8:15 at Lane Field.

It should easily be the top collegiate game of the season here, for **Coach Sam Barry's** Trojans appear to be the best in the Pacific Coast Conference, while the Aztecs, as this issue went to press, had run up an impressive record of 14 victories in 16 games and were well on their way toward a third straight Cali-

fornia Collegiate Athletic Association championship.

The Aztecs already have humbled one P.C.C. team—University of California—by a 13 to 2 score this season, and they

## MEMORIAL PLAQUE WILL HONOR STATE'S WAR DEAD

San Diego State College's 135 students and Alumni who gave their lives in World War II will be honored in appropriate ceremonies May 29 when a bronze memorial plaque bearing their names will be dedicated on campus.

The program, to be held during the noon hour on the day preceding Memorial Day—which will be a campus holiday—will include the appearance of the Marine Base band, a prominent speaker representing the military services, a service chaplain and civic officials.

Sponsorship of the plaque and the May 29 program is a project of the Veterans' Organization, of which **Bill Smith** is president, but the \$600 plaque will be paid for by public subscription on the campus.

The Board of Directors of the Alumni Association voted to contribute \$10 to the fund at its meeting March 26. Alumni may contribute as individuals if they desire. Checks should be made payable to the Associated Students and marked for the Memorial Plaque Fund.

## History Published

News of especial interest to Alumni is that a history of San Diego State College will be off the presses and ready for distribution in connection with the 50th Anniversary Celebration.

The history, entitled "**San Diego State College—The First Fifty Years**," will be approximately 100 pages in length and is the semester project of **Dr. Lewis B. Lesley's** graduate seminar class in history.

Months of research, including countless interviews and a thorough search of the library archives, including the complete files of "The Lantern," "The Aztec" and "Del Sudoeste," went into its preparation. **Dr. Lesley** and members of his class wrote the entire history except for the chapter covering the college's role in World War II, which was written by **Dr. Lauren C. Post**.

Beginning point of the history is the action taken by the California state legislature in March, 1897, authorizing establishment of a State Normal School in San Diego. It recounts the opening of the first classes in an upper story of the Hill building at Sixth Ave. and F Street in the fall of 1897, the dedication of the first building on the campus at Park Blvd. and El Cajon Ave. (now Horace Mann Junior High School) on May 1, 1898, and the move to the present campus in January, 1931.

Also covered in considerable detail are the administrations of the three presidents who have served the college, **Dr. Samuel T. Black** (1897-1910), **Dr. Edward L. Hardy** (1910-1935) and **Dr. Walter R. Hepner** (1935- ).

## PHI KAPS ORGANIZE CHAPTER

In line with a more active Alumnae organization of former Staters, Phi Kappa Gamma sorority began the year of 1947 by organizing an Alpha chapter, which includes all of the earlier members of the sorority.

The Alpha group will work with the regular Alumnae chapter of the sorority and as their first activity they turned out "en masse" for the Phi Kappa Gamma Founders' Day banquet in February.

**Mrs. Terrence B. Geddis (Grace Gans)** president of the Alpha Chapter, announces that the group will meet monthly. In place of the regular April meeting, all members attended the Treble Clef concert in Russ Auditorium.

# Norma's Notes on Alumni . . . . . By Norma Boldman Pyle

Introducing the Alum-of-the-Month:  
**Wayne Fry '40**, Tau Delta Chi, Blue Key, Kappa Delta Pi, A.M.S. Prexy, Varsity Football . . .

Wayne was chairman of the recent Conference of Elementary School Principles and District Superintendents of Schools held at Russ Auditorium and for that reason draws the spotlight this month. The conference, the first since the war years (the first was held in 1927), attracted more than 1000 delegates from all over the state.

Wayne taught at Euclid for two years, was principal at Fremont for two years, and has been principal at Washington for three years.

He is married to the former **Elizabeth Ann Neff**, Columbus, Ohio, girl, whom he met while going to Claremont Summer School in 1941. He was working on his thesis at that time and will get his Master's degree next month. His

subject was the evaluation of arithmetic text books.

Betty formerly was an art teacher in Wisconsin, and now has two adult education classes at Hoover Evening High School—just to keep her in practice. Two boys at home keep her and Wayne plenty busy, **Michael Neff Fry**, 4 years and **Donald Burdick Fry**, 1 year.

In addition to his home and school, Wayne is interested in the Inter-Racial Commission of the San Diego Council of Churches, of which he is a member. A year ago the commission conducted a successful inter-racial clinic, the purpose of which was to find leadership in the field of race relations. Wayne was general chairman last year. Now the commission is working on the problem of employment and housing for minority groups.

• **What They're Doing**

**Owen Asberry, Ex-'42**, is an interviewer with the city civil service. He served with the army signal corps for four years, then joined the city in October '45.

program, having served in the navy as a Lt. (j.g.) in an amphibious unit.

**Robert E. and Martha (Stern) McKnight** are the parents of 15-months old **Laura Jean**. Bob is officer in charge of the Veterans' Administration contact office on the campus. Formerly of Brinkley, Arkansas, and a graduate of Louisiana State, he met Martha, Ex-'42, while in the Marine Corps, and they are making San Diego their permanent home.

**David Stern '40** is teaching at Memorial Junior High School in the science department, but is working on his general secondary in music. Dave served overseas as a translator with AMGOT. His fluency with German would have made State professors proud of him; in fact, he brought home a Polish bride, who had lived in Paris eight years.

**Lee Clapham '40**, Tau Delta Chi, is now a salesman for Eklunds Gas and Electric Appliances in La Mesa. He is

## • Where Credit's Due

Now a great big thanx to **Jim Fournier, Ex-'35**, HOD, who patiently unfolded the doings of his friends, many of whom are in the coaching business. Thanx, too, to **Linwood Brown** and to **Merrill Douglas**. If there are any inaccuracies, blame Jim, not that he made them, but he offered to take the blame.

Jim has been in the sporting goods business for years at 1334 Fifth Avenue. He married **Lillian Dangerfield**, Point Loma girl, and they have two boys, **Robert Richard**, 8½ years, and **James, Jr.**, (Jimmie), who is 7 years. During the war Jim was a navy Lt. (j.g.) instructing under the V-5 athletic program, mainly training aviation cadets. He was stationed at St. Mary's College and Pensacola. Now he is active in the S. D. Lions Club.

**E. Clark Lucy, Ex-'30**, Hod, is selling millwork for Acme Screen Co. He has been in the construction business for about 10 years. He and his wife, the former **Betty Crable**, have a daughter, **Kathleen**, 14 months, and a brand new boy, **Raymond Clark**, born March 30.

He and his wife **Maude** are the parents of that darling little five-year-old who marched with the SDHS Drill Team, trying to imitate the majorettes.

**Merrill Douglas '31**, Kappa Phi Sigma, All-Conference guard (basketball) is now the varsity basketball coach at SDHS. Before that he was at National City teaching physical education in the elementary schools. Also taught the 6th grade at Fremont. Another bachelor, Merrill served two years with the army in China.

**Don Ault '29**, Omega Xi, football star, is now with Commercial Credit. During the war he was a Lt. Col. in the army stationed in Germany for several years.

liams, England's most famous contemporary composer. It will be the first West Coast presentation of Williams' composition, which is scored for orchestra, mixed chorus, a reader and a children's chorus.

**George Howerton**, of Northwestern University, one of America's most prominent choral directors, has been secured as guest conductor, and will fly across the country from Harvard University, where he is on a temporary assignment, for the engagement.

**E. Kingsley Povenmire**, of the Drama Department, will take the reader's part, the combined college chorus will number about 450, and a children's chorus of 25 picked voices from the campus elementary school will sing the children's pledge to the future.

## Monday, May 5— Reunion Evening

The "Big Reunion," so frequently discussed in The Aztec News Letter during the war, will become history in a three-hour get-together on this date. But it is designed not only for Alumni who were in the service; rather, for all Alumni and former students from 1897 on.

Three rounds of reunions will be held, winding up with a sparkling entertainment program in the gymnasium which will feature the appearance of **Art Linkletter**, Aztec graduate of 1934 and now a famous radio master of ceremonies.

For the first round of reunions, beginning at 7:00 p.m., all campus non-social organizations will hold meetings with their Alumni members. Class rooms will be assigned for each organization.

These meetings will break up at 8:00 p.m. and for the second round all campus social fraternities and sororities will hold reunion meetings with their Alumni members, and at the same time the "Independents" will meet in the Little

Theater. For the benefit of Alumni not attending a fraternity or sorority reunion, the Alumni Association will meet (Continued on page 9)

in the Little Theater in conjunction with the "Independents."

At 9:00 p.m. the "Big Reunion" will be held in the gymnasium. The first half of the program, in recognition of the founding date of the college, will be on the "Gay Nineties" theme. **Dave Ketchum**, Aztec freshman who already is established as a successful radio producer, will be master of ceremonies and the program will include the best of a number of barbershop quartets which the Associated Men Students have been developing for weeks.

Following a blackout, the program will swing into a television theme and Linkletter will take over as master of ceremonies. Featured on his part of the program, in addition to dedication of the valuable public address system which he has presented to the student body for installation in the gymnasium, will be **Phillys Barker Burns**, former Aztec who is a featured soloist with the San Diego Civic Light Opera Company; the Aztec drum majorettes and the Aztec song leaders, who will lead group singing. Miss Burns will sing a solo from the "Pirates of Penzance."

Linkletter's own additions to the program will be in the nature of surprises. No alumnus should miss this program.

Jensen has been featured in many Aztec productions and recently drew high praise for his performance in "Shadow and Substance," the Senior-Alumni play.

Other important roles have been assigned to **James Gavin** as Bottom, **Sheldon Campbell** as Quince, **Jay Timmons** as Flute, **Edward Kelly** as Lysander, **Allen Richardson** as Demetrius, **Marjorie Eckert** as Helena and **Clarice Corden** as Hermia.

## Thursday, May 8— Football & Dad's Day Dinner

Thursday's program will offer a double feature, the annual spring football

game between the "Blacks" and the "Reds" at 2:30 in the afternoon, and the 11th annual Associated Men Students' Dad's Day Dinner at 6:30. **Dr. George Dotson**, former State College Registrar, and now President of Long Beach Junior College, will be the speaker.

The Dad's Day Dinner, following the game, will be served on the women's athletic field. **Tom Parker**, general chairman, anticipates the largest turnout in the history of the event, since enrollment is at an all-time high of more than 2500 men students. **Dr. George Dotson**, former Aztec athlete and later registrar, and now president of Long Beach Junior College, has been invited to give the principal address.

Following the dinner, the crowd will adjourn to the outdoor theater for a program featuring the presentation of annual A.M.S. achievement awards, and a minor sports show under direction of **Armando (Shadow) Rodriguez**, wrestling coach.

Sponsored jointly by the Alumni Association and the Interfraternity Council, the biggest reunion dance of them all will be held Friday evening at 8:30 at Pacific Square. This will be the 1947 edition of the Alumni Association's annual spring dance.

Sol Schultz, chairman of the Alumni Association social committee, and Hilbert Crosthwaite, representing the Interfraternity Council, are co-chairmen for the dance. They have secured Erling Rhode's 14-piece orchestra.

The dance is listed as a semi-formal. Bids are \$2.00 per couple, tax included, and are designed as souvenirs with a Golden Anniversary motif.

Alumni are urged to purchase their bids early to insure getting them, since a heavy campus sale is anticipated. Bids may be obtained from Bob Breitbard at the California Laundry, 18th and B Streets; Sol Schultz at McSchultz's, 610 University Ave., or Charles Byrne in the Alumni and Public Relations Office, State College, Talbot 6460. Bids also will be on sale at all events during the week.

Open House and Founder's Day observance.

Open House will begin at noon, when all buildings on the campus will be thrown open to public inspection. Most departments will arrange exhibits. First selections will be played on the Fletcher Chimes, installed in the library tower.

At 2:30 p.m., Founder's Day observance will begin in the outdoor theater with what promises to be the largest academic procession in the college's history. Presidents of all colleges and universities in New Mexico, Arizona, Nevada, California, Oregon and Washington have been invited to participate in the Founder's Day, and they or their representatives will join with the State College faculty—both active and emeritus—in the colorful procession.

The program will include acceptance and dedication of the 32-note amplified cathedral chimes, a gift of Sen. and Mrs. Ed Fletcher; music by the college band and Choral Club; an address by Dr. William H. Cowley, Professor of Higher Education, Stanford University, to be introduced by Dean J. W. Ault, acting president; introduction of state, city and county officials, and a recessional.

A reception and tea for faculty members and guests will follow.

And San Diego State College's 50th Anniversary Celebration will be history!

**Bob Breitbard**, Alumni Association president, and **Joe Suozzo**, chairman of the Athletic Committee, are cooperating with **Graduate Manager Barney Carman** on arrangements for the game. All seats will be sold on a general admission basis at 50 cents, and the game between two of the West's top collegiate clubs may draw up to 4000 fans.

## • HITTERS LEAD WAY

Although Smith has something almost unheard of in collegiate baseball ranks—a seven-man pitching staff composed of five lettermen and two newcomers, all of whom have been credited with victories—it has been timely and heavy hitting that has been chiefly responsible for the victories to date.

With the exception of **Jim Gleason**, lanky right-handed fireballer, the pitchers have not shown an inclination to go the distance too often. **Gleason**, unbeaten last year, has won six straight games to date this season, including three shutouts.

Leader in the "hit parade" is **Earle Brucker, Jr.**, husky freshman catcher and son of the Philadelphia Athletics' coach.

# Kaiser, Steele Set Pace in Aztec Track

In track and field, **Jack Kaiser**, freshman all-around star, and **Willie Steele**, last year's National A.A.U. broad jump champion, took the spotlight as **Coach Charles (Choc) Sportsman's** Aztecs broke even in their first two meets. Despite 32 points contributed by Kaiser and Steele, San Diego was nosed out by University of Arizona, 67 2/3 to 63 1/3, in the season's first meet, but the Aztecs came back to defeat Pepperdine, 84 to 47, with the same pair scoring 30 points.

Against Arizona, Steele set a meet record in the broad jump with a leap of 24 feet 3/4 inches and won both sprints handily. Against Pepperdine he hit :09.8 in the 100-yard dash for the first time this season and in the longer race, run at 240 yards by mistake, was clocked in the equally good time of :24.1.

Kaiser equalled a meet record against Arizona when he won the high hurdles in :14.7, but two weeks later he came

back to run :14.5 against Pepperdine. He also has marks of 13 feet in the pole vault, 6 feet 2 inches in the high jump and 22 feet 3 3/4 inches in the broad jump to his credit.

Steele won the broad jump at the Drake Relays, April 25th, with a leap of 24 feet 6 1/2 inches.

After winning the California Collegiate Athletic Association title handily, **Coach Armando (Shadow) Rodriguez'** matmen put State in the headlines by conquering California and other powers to win the Pacific Coast Intercollegiate (southern division) championship. Four men—Ed

Streicher at 128 pounds, **Jim Kittredge**, 155, **Rigo Rodriguez**, 165, and **Don Arnold**, heavyweight—won P.C.I. titles at their weights. Kittredge, unbeaten all season until San Diego ran into too-powerful competition in the National A.A.U. championships in San Francisco, was named Athlete of the Month for March by the Breitbard Athletic Foundation. Arnold finished third among the heavies in the National A.A.U. meet.
