

## Harriette Marshall, Joe Suozzo Head 1948 Alumni Slate Annual Election Will Be Held in October

Twenty-six members of the San Diego State College Alumni Association have been selected by the Nominating Committee as candidates for Association offices for 1948 in the annual elections to be held in October.

Topping the Nominating Committee's slate are **Joe Suozzo '43** and **Mrs. Harriette Marshall '32** as candidates for president, succeeding **Bob Breitbard '41**, whose term expires Dec. 31. Suozzo is the present first vice-president and Mrs. Marshall is a member of the Board of Directors and has been active in the Alumni Association for many years.

Departing from last year's procedure, the Nominating Committee selected two candidates for each office (except Corresponding Secretary) and named 19 candidates for the 10 vacancies in the Board of Directors for a two-year term beginning Jan. 1, 1948.

**Patricia Dew, Ex-'42**, was the committee's only nominee for Corresponding Secretary since she was appointed to fill a vacancy only in July of this year.

The Alumni membership at large may place additional candidates on the official ballot by means of petitions. First Vice-President—**Sol Schultz '41** and **Alvin H. Morrison, Ex-'25**.

## Dean Ault Retires After 48 Years . . .

"A job well done and a rest well earned" . . . with words of congratulation and praise ringing in his ears, **Jesse W. Dean Ault's retirement terminates a notable 48-year career in the field of

## Affair Will Precede Aztec-Whittier Game

Definite decision to hold the annual fall Homecoming Dance on Friday evening, Nov. 14, was reached at the Sept. 3 meeting of the Board of Directors of the Alumni Association.

The dance will be one of the highlights of Homecoming weekend, which will be climaxed by the Homecoming football game with Whittier College Saturday evening, Nov. 15, in the Aztec Bowl.

Gordon Wiggins '36, general Homecoming chairman, named Sol Schultz '41, A. H. Morrison, Ex-'25, and Joe Suozzo '43 as a sub-committee to make plans for the dance, including selection of a site and orchestra.

It also was decided to inaugurate a series of progressive class reunions on a 10-, 20- and 30-year span. First reunions this year will be for members of the classes of 1916-1917 (as one group), 1927 and 1937. Open house for Alumni will be observed on campus all day Friday of Homecoming week-end, and an informal gathering of Alumni on campus approximately two hours before game time Saturday also is planned.

Additional Homecoming details will be published in the October AZTEC ALUMNI NEWS.

# News and Activities of Aztec Alumni .....

Lucille Howell '46, who has been employed in the Military Attache's Office of the American Legation in Beirut, Lebanon, since the first of the year, sends in some interesting impressions of life in Beirut:

"The country around here looks a great deal like Southern California, except for the terraced hills and the peasants in their baggy pants tilling the soil with ancient wooden ploughs, and the camel caravans plodding along the roads, and enormous men weighing down minute donkeys, and veiled women and cloaked Arabs, and a few such commonplace parts of Lebanon scenery.

"The Arabs drive strictly by horn, look neither to the right nor left, spin in and out of traffic, pass trams—usually on the wrong side—without looking, never signal, all at a great rate of speed, and generally make California traffic look like something out of the horse-and-buggy days.

"Sometimes the traffic piles up around a stalled donkey cart, and fifty people rush from all directions, shouting at the tops of their voices, gesticulating, and completely ignoring any possibility of actually helping. Sounds like a minor war, usually. After a while the donkey will move, the traffic with its bleating horns will unsnarl, and everybody goes back to whatever he was pretending to do before the excitement. Quite intriguing—even after all these months—except, of course, when one is a part of it and in a hurry to get somewhere!"

Lucille would be glad to hear from anyone who would care to write. The address is: American Legation, Rue d'Amerique, Beirut, Lebanon.

Ben Slavin—the famous "Tuna Ben" of the 1935 and 1936 football teams—wrote in from Camp Wewan-Eeta to request a copy of the new State College history. Ben and his wife, a former WAVE officer and U. of California graduate, are running the camp for the second year. During the school year, Ben is athletic director and coach at Northwestern Military Academy, Lake Geneva, Wisconsin.

Mrs. Muriel Tolle, Ex-'30, recently was elected to the Board of Directors of the Advertising Association on the West.

Orville Nordberg '39, while continuing

work toward a Ph.D. degree at the University of California at Berkeley, has accepted a lectureship in secondary education at Mills College for the current school year. The Nordbergs have a three-month-old son, **Kenneth Eric**.

Francis Millican '40, who has been attending University of Washington for the last several years, has moved to San Diego with his wife and son **Dean**. They are residing at 3936 Sequoia, Pacific Beach.

Member of the Alumni Association Board of Directors, **James R. Hurley, Jr. '43**, recently was appointed secretary-manager of the San Diego Junior Chamber of Commerce. Blue Key-man Hurley, listed in the collegiate Who's Who in 1942, succeeds another Aztec alumnus, **Don Lindstrom, Ex-'42**, who resigned to enter private business.

## Suggest Calendars For Christmas Gifts

Christmas is less than three and a half months away.

But you can eliminate some of your Christmas shopping worries right now by making a note to buy several of the new Alumni Association-sponsored San Diego State College pictorial engagement calendars for 1948.

Now on the presses at Pacific Books, Inc., of Palo Alto, specialists in printing college and university engagement calendars, the Aztec calendar contains 25 photos of familiar and beautiful campus scenes.

One photo adorns the cover and there is another for each half month. Ample space is provided to enter your engagements or "dates," and as you turn to a new page the first and 15th of every month, a new campus scene comes into

## Little Theatre Adds To Stage Equipment

Identical checks of \$120, presented to the State College Theater Guild by the Alumni Association and the Senior Class last spring, were used to buy equipment for the Little Theater that will make possible even more outstanding productions in the future.

The money, representing profits of last spring's annual Senior-Alumni play, "Shadow and Substance," was used to buy a cyclorama (a special type curtain) and four floodlights.

In a letter addressed to the Alumni Association and the Class of '47, **Hunton D. Sellman**, Drama Department faculty member, wrote: "On behalf of the Drama Department I wish to express the thanks and appreciation which we feel toward your generosity with the money from 'SHADOW AND SUBSTANCE.' The purchase of the cyclorama and the four floodlights will make better productions possible during our next season. Thank you again."

view.

The price? They sell for one dollar (volume production accounts for the low price) and 40 cents of each dollar remains with the Alumni Association.

Printed in pleasing color tones (not black and white), they will make ideal Christmas presents—one for yourself and several for your friends.

# Aztecs Expect Powerful Line Despite Losses From '46 Team

What will the Aztecs show in football this year?

Well, despite an unusually heavy turnover of material—only 12 of last year's 26 varsity lettermen are back, although only three were graduated—prospects are that the Aztecs will field another powerful line, perhaps equal to last year's, which could hold its own in any company.

The backfield, however, with the exception perhaps of the fullback spot, remains the big question.

The Aztecs will perform this season from the split T formation now being installed by **William H. (Bill) Schutte**, new head coach.

The 12 lettermen returning are **George Coleman** and **Benny Edens**, centers;

**Barney Carman**, Graduate Manager, reports that season football tickets at a reduced rate still are available, although indications are that the 601-seat reserved center section may be sold out before the local season opener with Cal Poly on Oct. 4. Season tickets for six local games (not including the Shrine game) sell for \$7.50, a saving of \$3.00 over the game-by-game cost. They are on sale at **Stanley Andrews (Downtown)**, **Walker's Men's Dept.** and **Whitney's Sports Goods Dept.**

**GEORGE COLEMAN**

Returns as Aztec Center . . .

**Keith Curry**, guard; **Jim Boles**, tackle; **Lloyd Cassady**, end; **Bob Tomlinson**, **Jack Kaiser**, **John Simcox** and **Barney Newlee**, halfbacks, and **Hub Foote**, **Stewart Worden** and **Jess Bryant**, fullbacks.

As this was written (early in September), **Coleman**, **Curry** and **Boles** seem like certain starters in the line, although **Edens** will give **Coleman** a tough scrap. The other guard opposite **Curry** should be well taken care of by **George Brown**, All-American at Navy in 1943. **Brown** resigned from the Navy to take a pre-medical course at State and has one year of eligibility. Two husky junior college transfers, **Joe Dowd** from San Bernardino and **Marvin Piper** from Santa Ana, give good reserve strength.

Decision of All-Conference **Al Sawaya** and husky **Bob Kaiser** not to return to college left **Boles** as the only veteran tackle, but three big newcomers promise to take care of the problem. They are **Tom Dahms**, 225 pounds, former San Diego High star; **Al Fodor**, 240 pounder from Long Beach J. C., and **Don Cannon**, 220 pounds, from El Centro.

**Bob Rogers**, 190 pounds, transfer from Kansas State, seems established at one

end, while **Cassady**, **Larry Berger**, 1945 letterman back from Army service, and **Dick Adair**, San Bernardino J. C. transfer, are leading candidates for the other starting job.

The fullback spot in the backfield should be no problem, what with **Foote**, **Worden** and **Bryant** all returning and a **Muir Tech J. C.** transfer, **Dick Simmons**, also showing to advantage.

**John Simcox**, last year's top yardage maker as a halfback, seems to have the inside track at the all-important quarterback spot where all the T system plays start. **Jim Davis**, transfer from Santa Ana J. C.; **Art Filson**, up from the junior varsity, and **Kenny Bonatus**, passing star of the 1945 varsity who was in the Army last year, are other top quarterback candidates. All are new to the T, however.

Speed and versatility abound among the top halfback hopefuls, including veterans **Jack Kaiser** and **Tomlinson**; **Dick McKee**, jayvee letterman, and two sparkling newcomers, **Ken Mitchell** from Santa Ana J. C. and **Scatback Joe Riccobono** from Long Beach J. C. **Barney**

# Alumni Association Schedules Annual Kickoff Dinner at College, Sept. 25th

Following the successful pattern of last year's event, the second annual Alumni Association Football Kickoff Dinner will be held Thursday evening, Sept. 25, at 6:15 p.m. in the Training School auditorium. The dinner will honor the coaching staff and members of the 1947 Aztec varsity football game.

Head Coach Bill Schutte has promised that the varsity will be put through a heavy scrimmage that afternoon—probably the last heavy scrimmage before the

first home game of the season with Cal Poly on Oct. 4—and Alumni are invited to attend the scrimmage to get a preview of the Aztecs in action.

Following the scrimmage, Alumni will attend the Kickoff Dinner where members of the team will be introduced. A feature of the program, Alumni President Bob Breitbard announces, will be a motion picture showing of last year's San Diego State-Loyola football game, won by the Aztecs, 20 to 7.

Jerry and Andy, popular chefs of the Aztec Cafe, have promised to furnish one of their better dinners—price, \$1.00 per plate. Alumni planning to attend should call reservations to the Graduate Manager's Office—T-8159—by Monday, Sept. 22.

Let's give the football team a big send-off!
