GOVERNOR GRAY DAVIS

Gay Pride Celebrations 2001

I am pleased to welcome all who have gathered throughout California for this year's Gay Pride Celebrations. California's great strength lies in the diversity of its people, which the 2001 Pride events honor. As a people, we are inextricably bound by our commonalities and shared interests, yet it is the many differences among us that create our uniqueness. I commend the organizers of this year's events for their tireless work. The many thousands of people who join together in this celebration of community help ensure a bright, inclusive future for all Californians.

These events provide us with a unique opportunity to celebrate the progress we have made towards advancing the rights of California's gay and lesbian community. Finally, we have begun to sow the seeds of harmony and respect among our people. Each year, we come closer to reaping a harvest of tolerance and justice.

But we will not be satisfied until hatred no longer plagues our communities. I have enlisted California in the war against crimes that are targeted at America's heart and aim to destroy our values and purpose. Last year, I appointed a blue ribbon Governor's Panel on Hate Groups and have worked for the passage of strong laws to protect all Californians from crimes motivated by hate.

As we continue to work for the passage of strong anti-discrimination and hate crime laws, we are sending a clear message that Californians value everyone in our society and that we will vigorously oppose those who use hate and wedge issues to oppose us.

As Governor, I also want California to lead the war against HIV/AIDS. I am reminded time and time again that the real faces of AIDS include our mothers and fathers, our sisters and brother, our children, our neighbors and our friends. If we are going to bring this epidemic to an end, we must commit our resources and our hearts to education, prevention and, one day soon, finding a cure.

In our battle to create a nation where gays and lesbians are assured their basic equal rights, I believe California stands tall. On behalf of the people of the Great State of California, I extend my best wishes for a festival that celebrates our great diversity and our freedom to pursue happiness and fulfillment.

A stylized, handwritten signature of Gray Davis in black ink.

Message From the Board of Directors

Diversity is the cornerstone of a community that can open the door to people from all walks of life. It is also the driving force that propels our annual celebration to new and spectacular heights each year.

San Diego is a destination point for Pride-goers all over the world. We are a richly diverse community that brings people together under the banners of pride, progress and understanding. The tens of thousands of individuals who line our parade route and participate in other Pride weekend events duly reinforce the fact that "Diversity Creates Community" – our 2001 theme.

Many of the highlights and attractions we present throughout Pride weekend reflect the wishes and needs of the LGBT community members. The year-round feedback we receive places us at a fortunate advantage because it guides us through the planning process for making this huge celebration a memorable experience for everyone.

One of the important changes we will make later this year involves the re-naming of our organization. Many have offered fresh, helpful ideas; and we continue to solicit your input during this event through printed surveys that will be made available at the festival's information booth. Please participate, as we are eager to hear from everyone.

We extend our many thanks to the participants, spectators, volunteers, sponsors and community leaders for their devoted support. Your spirited enthusiasm is truly what keeps our community's quest for tolerance moving forward.

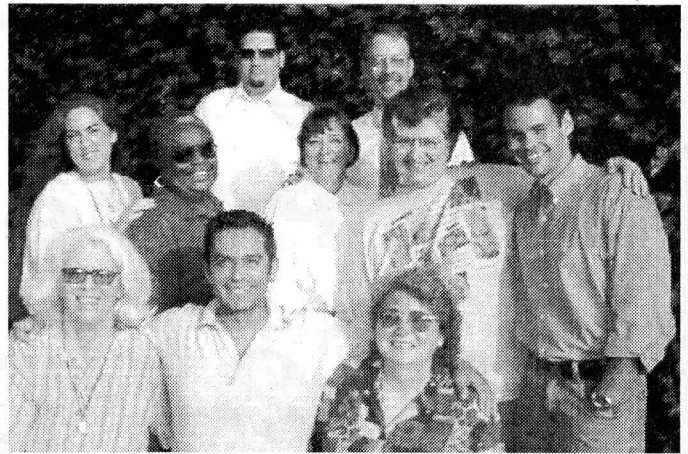

–The Board of Directors/San Diego Lesbian and Gay Pride

Mensaje de la Mesa Directiva

La diversidad es la base fundamental para qué una comunidad que pueda abrir las puertas a gentes con diferentes trazos de vida. Es también la fuerza que maneja el impulso de nuestra celebración anual, elevandola hacia una nueva y espectacular altura cada año.

San Diego es el punto de destino para los asistentes del Pride en todo el mundo. Nosotros somos una comunidad enriquecida en diversidad que da unión a la gente bajo los estandartes de orgullo, progreso y entendimiento. Las decenas de miles de individuos que atenderan la ruta de nuestro desfile y participaran en otro fin de semana de eventos de Orgullo/Pride débidamente refuerzan el hecho de que "La Diversidad Crea A La Comunidad"-nuestro tema del 2001.

Muchos de los eventos sobresalientes y atracciones que presentamos a lo largo del fin de semana de Orgullo/Pride, reflejan los deseos y necesidades de los miembros de la comunidad LGBT. A través del año nos retroalimentamos de comentarios, que nos ubican en una ventaja afortunada, puesto que nos guía hacia un mejor proceso de planeación

para hacer de esta gran celebración una experiencia memorable para todos.

Unos de los cambios importantes que en este año haremos, involucra el buscar un mejor titulo a nuestra organización. Muchos han ofrecido frescas y tiles ideas; y nosotros continuamos solicitandoles su valiosa opinión durante éste evento, através de encuestas impresas que se haran llegar a sus manos en el puesto de información del festival. Pedimos atentamente su participación, y estamos ansiosos de escucharlos a cada uno de ustedes.

Extendemos nuestro agradecimiento a todos los participantes, espectadores, voluntarios, patrocinadores y lderes comunitarios por su apoyo incondicional. Su espiritu y entusiasmo es verdaderamente lo que mantiene nuestra búsqueda comunitaria para que contin'e avanzando el camino de la tolerancia.

The Best Parade In Town

A one-mile-long procession of floats and colorful contingents will traverse down University Avenue starting at noon on Saturday, July 28, in celebration of our city's 27th annual Pride weekend. Over 110,000 spectators will line the streets in a dramatic show of diversity and support.

The parade's starting point is at University and Normal Street. It continues west on University, then turns south on Sixth Avenue, commencing at Ivy Lane.

The Pride Parade is the largest civic event in San Diego. It features nearly 200 entries from regional and area businesses; non-profit organizations; political leaders; schools; churches; and other Pride organizations. The event lasts about two hours. And there is never a dull moment.

Should you need a hearty dose of sustenance before the festivities begin, check out The Center's pancake feast from 8 to 11 a.m. The cost is only \$5, with proceeds going to various programs that support our community.

The ever-so-popular Babette Schwartz will emcee this year's parade reviewing stand, located at University and Vermont. A second space will also be reserved beside the stand for spectators with special access needs.

Various Pride sponsors and local celebrities will select winners based on the following categories:

- Best Use of the 2001 Theme: "Diversity Creates Community."
- Best Display by an Out-of-Town Unit.
- Most Original (best use of color, content and creativity)
- Best Community Organization Unit
- Most Outrageous and Creative Unit
- Best Commercial Float
- Most Outrageous and Creative Marching Contingent
- P-Flag Award (selected by P-Flag members)

The Spirit of Stonewall Rally

A San Diego Pride tradition that dates back 27 years, the Spirit of Stonewall Rally kicks off an exciting weekend schedule loaded with activities, entertainment and community-wide celebration.

The rally serves as the political arm to Pride weekend, ushering in passionate speakers and showcasing Pride's distinguished award recipients from the past year. It is a forum where over 3,000 people gather outside the front doors of The Center to hear local and national activists speak about our continuing quest for equality and tolerance.

Mimi Gonzalez, a vivacious, longtime supporter of San Diego Pride, will emcee the event.

This year's speaker is Tom Ammiano, president of the San Francisco Board of Supervisors. Ammiano is an engaging, witty politician who delivers a powerful punch to his audiences wherever he takes the stage. He is also serving as one of Pride's distinguished grand marshals in the parade the following day.

The rally program will include entertainment and other speakers to rev up the crowds for what promises to be a terrific Pride weekend.

grand marshal

Tom Ammiano

Tom Ammiano is a feisty, witty and openly gay politician whose firebrand style of activism has him currently seated as president for the San Francisco Board of Supervisors.

Ammiano was elected to San Francisco's Board of Supervisors in 1994; and then re-elected as the top "vote-getter" in 1998. His climb up the political ladder was achieved with only small campaign donations, which ranged from \$10 to \$100. But with his swift sense of humor and outspoken passion for equal rights, he drummed up a broad constituency of working-class citizens, people of color and LGBT supporters.

Known in San Francisco as "the supervisor who gets things done," Ammiano's preamble into politics began in 1975 while working as a teacher for the San Francisco Unified School District. When the district passed an anti-discrimination policy that overlooked gays and lesbians, he led the Gay Teachers Caucus into a political battle with the district's school board members. The confrontation resulted in the inclusion of gays and lesbians into the policy. And eventually, he was elected vice president, and then president, to the very board he fought.

Ammiano refers to himself with humor as a "working class, Catholic, Italian, son-of-a-taxi driver," whose work carries a vision not commonly embodied by European-American politicians.

Aside from his unwavering support over issues that are important to the LGBT community, he continues to tackle discrimination at many levels and advocates affordable housing, fair labor wages and environmental protection.

We proudly welcome him as a speaker at this year's Spirit of Stonewall Rally and grand marshal in the parade.

Tom Ammiano Maestro Ceremonial y Orador Principal del Rally Inagural

Tom Ammiano es un político tenaz, y átinado que es abiertamente gay. Cuyo ardiente estilo de activismo, lo ha actualmente situado como presidente de la directiva de supervisores de San Francisco.

Ammiano fue electo en la directiva de supervisores de San Francisco en 1994; y entonces reelecto como él más alto "obtenedor de votos" en 1998. Su ascenso político fue logrado por sólo

una pequeña campaña de contribuciones, que fueron desde \$10 a \$100. Pero con su ágil sentido del humor y extrovertida pasión por la igualdad de derechos, ha gu'ado a una amplia cantidad de simpatizantes de diversas clases trabajadoras y géntes de color.

Conócido en San Francisco como "El supervisor qué s' logra lo qué sé propone" Ammiano inició en la pol'tca en 1975 mientras trabajaba como maestro para el Distrito Escolar Unificado de San Francisco. Cuando el distrito pasó una política antidiscriminatoria qué perjudicaba a gays y lesbianas, el llevo a Gay Teachers Caucus á una batalla política con la directiva del distrito escolar. La confrontación resultó en la inclusión de gays y lésbianas dentro de ésta politca. Y eventualmente, el fué electo vice presidente y después vicepresidente, de la misma directiva contra la qué él luchó.

Ammiano se describe a si mismo con humor, como "clase trabajadora, Católico, Italiano, hijo de taxista", cuyo trabajo lleva una visión qué no está comunmente incorporada a la política Europea-Americana.

Aparte de su incansable apoyo sobre témas qué son importantes en la comunidad LGBT, el continúa atacando la discriminación en muchos otros niveles, y defiende el accésio justo a la viviénda, jornadas láborales justas, y protección ambiental.

Orgullósamente le dámos la bienvénda como orador principal en el evento inágural del Rally Espiritu de Stonewall y cómo Máestro Cerémonial en el desfile de nuéstro Pride en San Diego.

Queen Eddie

He is San Diego's very own beloved friend, community leader and newspaper columnist, whose spirited knack for tackling issues and lending compassion has made him enormously popular over the past 20 years.

Queen Eddie is known to many for the newspaper columns he pens for Update, alternating each week between a column that metes out sprightly advice to readers (Just Ask Queen Eddie) and another that reports on all the latest happenings occurring inside our local LGBT scene (Queen Eddie's World).

Prior to writing for Update, he graced the pages of Scene and Bravo, which served our community nearly two decades ago.

Queen Eddie's charming persona took off in the early 1980s after entering a contest for the first "king and queen" of the former Bee Jays bar on University Avenue. Known best as Eddie Conlon back then, he won the title of "Queen," and began appearing on the social and political circuits in full drag and tiara.

His reign, however, extended well beyond the contest. With the onslaught of AIDS, Queen Eddie quickly became an activist and entertainer, helping to raise seed money to rent the building for the AIDS Assistance Fund, which later became the AIDS Foundation. He emceed fundraising events both in and outside of San Diego while forming alliances with key politicians and activists who supported his causes.

Among them was Queen Eddie's 65th birthday benefit for Special Delivery, which raised over \$10,000. And recently, he founded the Queen Eddie LGBT Cancer Fund with the support of the American Cancer Society.

Since being diagnosed with malignant cancer five years ago, he has provided cancer awareness to his readers with the hopes of dispelling fears among those with the disease. His confidence and compassion continues to uplift everyone in our community.

Not surprisingly, he has received three city proclamations over the years, as well as numerous Sandie and Nicky awards, plus widespread recognition from U.S. Senators, Congressmen and state officials.

He is also the Queen Mother of the Imperial Court de San Diego and an honorary member of Couples/San Diego and Prime Timers. With his partner Shawne of 43 years, Queen Eddie shines as one of San Diego's most prestigious and established community leaders. And we are honored to have him as one of our distinguished grand marshals in this year's celebration.

Queen Eddie Maestro Ceremonial de la Comunidad

El es nuestro querido grán amigo de San Diego, l'der comunitario, y columnista de periódicos, cuyo atinado espíritu para abordar témas y prestar compasión, ha hecho dél una figura enormemente popular sobre los pásados 20 años.

Queen Eddie és conocido por muchos de los artículos del periódico en que párticipa escribiendo para Update, alternando cáda semana entre columnas que dán p'caros conséjos a lectores (Sólo Preguntéle a Eddie) y otras notas sobre todos los últimos acontecimientos dentro de nuestra escena publica de la comunidad LGBT (El Mundo de Eddie).

Previamente a escribir para Update, sus artículos galardonaron las páginas de Scene y Bravo, qué sirv'eron a nuestra comunidad háce ya cas' dós décadas.

El Grán Cárisma de Queen Eddie, se difundió a inicios de los 1980s, después de haber participado en el primer concurso "Rey y Reyna" del antes conocido bár de University Avenue, Bee Jays. Méjor conocido éntonces como Eddie Conlon, ah' ganó e título de "Reyna", y comenzó a hácer apariciones públicas en eventos sociales y políticos ataviado en magníficos vestidos y utilizando una tiára.

Su réinado, sé ha extendido hasta bastante después de éste concúrso. Queen Eddie, viviéndo los éstragos causados por el SIDA, rápidamente se trasformó en un activista y an'mador, ayudando a conseguir viás económicas para rentar el edificio para AIDS Assistance Fund, qué más tárde sé volver'a AIDS Foundation. El encabezó eventos de procuración de fondos tanto en San Diego como fuéra, miéntras formaba alianzas con importantes figuras políticas qué apoyaban sus causas.

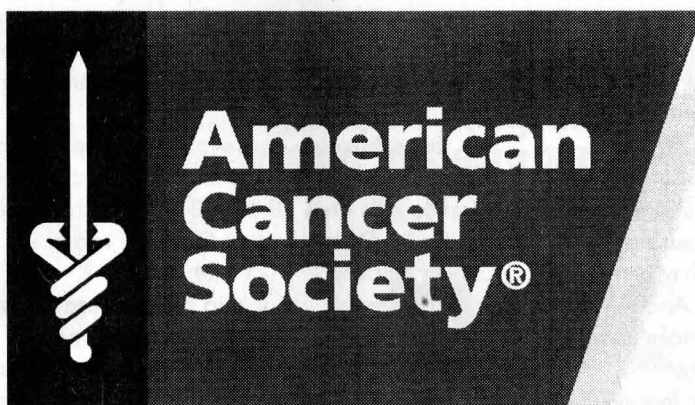

Entre éstos se encuentra el evento llamado Queen Eddie's 65 birthday a benéfico de Special Delivery, qué recaúdo más de \$ 10,000.00 .Y récientemente inauguró la Fundación Queen Eddie LGBT que apóya a la American Cancer Society.

Después de haber s'do diagnósticoado con una forma de cáncer maligno, háce 5 años, él há promovido la lucha cóntra el cáncer entre sus léctores, con esperanzas para disipar los témores de áquellos qué sufrén de ésta enfermedad. Su confianza y compasión continúan elévando a nuestra comunidad.

No és ninguna sorpresa que haya recib'do ya trés proclámaciones de la c'udad através de los años, y numerosos prémios Sandie y Nicky, además del ámplio réconocimiento de Senadores de Estados Unidos, congresistas, y otros oficiales de éstado.

El és tamb'en la Réina Madre de la Corte Imperial de San Diego y miémbro honorar'o de Couples/San Diego y Prime Timers. Con su páreja de 43 años, Shawne, Queen Eddie brilla como uno dé los más prestigiosos y establecidos líderes comunitarios. Rev. Tony Freeman

The ministries spearheaded by Rev. Tony Freeman have provided immense comfort and support to scores of individuals throughout our city. Since joining Metropolitan Community Church in San Diego as senior pastor, he has also pulled together a diverse lay leadership to bolster the church's innovative Ministry Plan.

The plan calls for 21 new teams, each spawning several ad-hoc and ongoing ministry groups. Participants are trained through a quality leadership curriculum called "Leading With Love," which was developed by Rev. Freeman to bring continuous improvement to the church's outreach efforts.

Because of the effective leadership skills Rev. Freeman has provided, nine new ministries were born since he joined the church. And worship attendance has risen significantly, from 265 per week in 1997 to a current average of 400.

Rev. Freeman is a graduate of St. James School of Theology and Seminary in Tarpon Springs, Florida. He joined MCCSD in 1996 after serving at Metropolitan Community Churches in Florida and Colorado.

In San Diego, he is a pillar for those in need. He is the founder of Operation Hope for the Hungry, which raises funds for the San Diego Food Bank and prompts elected officials to support its cause. And earlier this year, he created the "Loaves of Love" ministry with members from his congregation, providing free bread and other staples to the poor every Saturday morning in front of MCCSD in North Park. He also organized deliveries of school supplies to Harbor Summit School at St. Vincent de Paul Village for children of homeless families.

The outreach efforts currently forming under his direction include the development of a transitional living facility for LGBT youth; and an upcoming partnership with Amor Ministries to assist in the building of small homes in Tijuana.

Rev. Freeman became known to dozens of San Diego couples last July while officiating Pride's mass commitment ceremony. He will again this year offer his pastoral services for another commitment ceremony scheduled for 2 p.m., July 29, inside the Pride festival.

In addition to his work through MCC, Rev. Freeman has been actively involved with the San Diego Police Department's advisory board to the GLBT community; the "No On Knight" steering committee; the Greater San Diego Business Association; and several other community-based organizations.

We commend him for his exemplary achievements and the vast support he gives to our community.

Rev. Tony Freeman Nuestro Campeón del Pride

Los servicios dirigidos por el Rev. Tony Freeman han provisto un inmenso apoyo y tranquilidad a cántidad de individuos en toda nuestra ciudad. Desde su inicio con la Metropolitan Community Church en San Diego, como pastor principal, él ha atraído con particular y diverso liderazgo el apoyo a su innovador Plan de Ministerios de la iglesia.

El Plan llama a 21 equipos nuevos, quienes engendran diversos ad-hoc e innovadores grupos de ministerios. Los Participantes son entrenados a través de un curriculum de calidad de liderazgo llamado "Guiando con Amor", que ha sido desarrollado por el Rev. Freeman para traer mejoramientos continuos a los esfuerzos de alcances externos.

Débito a las efectivas habilidades de liderazgo que el Rev. Freeman ha mostrado, nueve nuevos ministerios han nacido desde su unión a la iglesia. Y la cantidad de feligreses que atienden a su servicio han aumentando en forma significativa, desde 265 por semana en 1997 a un promedio actual de 400.

El Rev. Freeman es un graduado de la escuela de Teología James School y del Seminario Tarpon Springs, en Florida. Se unió a la MCCSD en 1996 después de trabajar con las Iglesias Metropolitanas Comunitarias en Florida y Colorado.

En San Diego, él es el pilar de aquéllos en necesidad. El es el fundador de Operation Hope for the Hungry, que recauda fondos para el San Diego Food Bank e inspira a oficiales electos para apoyar su causa. Y a principios de este año, él creó "Loaves of Love" un ministerio con miembros de su congregación que provee pan gratuito y otros artículos de primera necesidad a los pobres cada Domingo frente a la MCCSD en North Park. El también ha organizado entregas de artículos escolares a la escuela Harbor Summit en St. Vincent de Paul Village para niños de familias sin hogar.

En sus esfuerzos externos se incluye la formación, bajo su tutela, de una facilidad que provee refugio temporal a jóvenes de la comunidad GLBT;

y una próxima asociación con Amor Ministries para asistir en la construcción de pequeños hogares in Tijuana.

El Rev. Freeman se ha dado a conocer a docenas de parejas de San Diego el pasado julio, mientras ofició una ceremonia de compromiso masivo dentro del festival Pride.

Además de su trabajo mediante el MCC, el Rev. Freeman, ha estado áctivamente envuelto en la directiva en defensa de derechos comunitarios de GLBT del Departamento de Policía de San Diego; El comité paneador del "No On Knight"; The Greater San Diego Business Association; y otras organizaciones comunitarias.

Nosotros lo alabamos por sus lógrs ejemplares y por el amplio apoyo que dá a toda nuestra comunidad.

Lynn and Lori Barnes-Wallace

As parents of two young children, Lynn and Lori Barnes-Wallace are challenging the thinking of those who attempt to undermine our community's family values.

They are high-profile role models for alternative parenting, having appeared on national television and in print media as a way of raising greater awareness over the needs and concerns of other same-sex couples raising children together.

The Normal Heights couple is also a plaintiff in the ACLU lawsuit against the City of San Diego for allowing the Boy Scouts to use public land in Balboa Park and Mission Bay. The suit, filed last September, calls for the city to discontinue its land leases with the Boy Scouts based on the organization's discriminatory practices against gays and lesbians.

"Having a son of Boy Scout age made us feel as though it was the right thing to do," says Lori, referring to the couple's involvement in the lawsuit, which is still pending.

In their 15 years together, Lynn and Lori have brought two children into the world. Their son, Mitchell was born in 1993; and daughter Evan was born in 1996. Lynn is the biological mother with Lori being the second parent through legal adoption.

In 1994, the couple and their son Mitchell appeared on the Phil Donohue Show to represent the growing number of alternative families in our community. After Evan was born, they continued setting a positive example of gay and lesbian parenting through interviews with local television and radio stations, plus several newspapers such as the *Los Angeles Times*, the *San Diego Union-Tribune* and the *Gay and Lesbian Times*.

Additionally, they were featured in *USA Today* last October for a story that highlighted their involvement with the local ACLU lawsuit.

The Barnes-Wallace family has marched proudly each year in the San Diego Pride parade with various contingents of which they are affiliated, such as Family Matters, Christ New Creation Community Church and the San Diego Unified School District.

Lynn, who is an educator for the school district, was a key negotiator for its domestic partnership policy, enacted in 1994. She had also conducted educational workshops for teachers, youth and parents that addressed lesbian and gay issues within the school system — and was recently named Southern California Teacher of the Year for Physical Education by the California Alliance for Health, Physical Education, Recreation and Dance.

Lori, who is a self-employed hair stylist, adds that, "Being a parent is the busiest part of our lives right now."

San Diego Lesbian and Gay Pride applauds the many courageous achievements they have made both in and out of the public eye.

Lynn y Lori Barnes-Wallace Nuestros Campeones de Orgullo

Siendo padres de dos pequeños, Lynn y Lori Barnes-Wallace estan retando el pensamiento de aquéllos qu'enes demer'tan nuestros valores familiares comunitarios.

Ellos son modelos ejemplares de alto nivel para la paternidad alternativa, habiendo aparecido en televisión nacional y en la prensa como una forma de concientizar sobre las necesidades y preocupaciones de otras parejas del mismo sexo que cr'an niños juntos.

La pareja de Normal Heights es también parte de la demanda de ACLU en contra de la ciudad de San Diego por permitir a los Boy Scouts el uso de terreno público en Baboia Park y Mission Bay. La demanda, hecha el pasado Septiembre, pide a la ciudad el terminar el arrendamiento de éstos terrenos con los Boy Scouts basandose en las practicas discriminatorias de la organización en contra de los gays y las lesbianas.

"El tener un hijo de con edad para sér Boy Scout, no ha hecho sentir que éra lo justo en proceder" Dice Lori, refiriéndose a la participacion de la pareja en la demanda, que sigue actualmente pendiente.

En sus 15 años juntas, Lynn y Lori han tráido al mundo a dos niños. Su hijo Mitchell nació en 1993, y su hija Evan nació en 1996. Lynn es la madre biológica con Lori como segunda figura materna mediante la adopcion legal.

En 1994, la pareja y su hijo Mitchell aparecieron en el programa de Phil Donohue, para representar el creciente número de parejas con paternidad alternativa en nuéstra comunidad.

Después del nacimiento de Evan, ellas continúan siendo un ejemplo positivo para la paternidad gay y lésbica a través de entrevistas en la televisión local y estaciones radiofonicas, además de algunos periodicos como *Los Angeles Times*, *The San Diego Union Tribune* y *The Gay and Lesbian Times*.

Adicionalmente, ellas aparecieron en el *USA Today*, el pasado octubre para una historia que dió realze a la demanda local contra la ACLU.

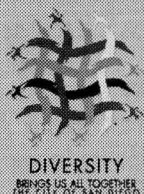

La familia Barnes-Wallace, ha marchado orgullosamente cada año en el desfile del San Diego Pride con varios contingentes de los que están afiliados, como Family Matters, Christ New Creation Community Church y The San Diego Unified School District.

Lynn, quién es educadora en una escuela del distrito, fué una clave en la negociación para la politica de sociead doméstica, que se promulgó en 1994. Ella también ha conducido talleres educacionales para maestros, jovenes y padres que tratan témas lésbicos y gays dentro del sistema escolar - y fue reciénmente nombrada Southern California Teacher of the

Year por la California Alliance for Health, Physical Education, Recreation and Dance.

Lori, que es una estilista independiente, agrega que, "Ser madres es la parte que más nos ocupa en nuestras vidas ahora"

El San Diego Lesbian y Gay Pride aplaude todos sus valientes lógrros que ellas han hecho tanto dentro como fuera de la vista del público.

Patty Morton and Dawn Sitler

In the 10 years that Patty Morton and Dawn Sitler have shared their lives together, they helped create a solid sense of community throughout North County for gay, lesbian, bisexual and transgender people.

San Diego Lesbian and Gay Pride proudly recognizes the positive impact they continue to make within all areas of our expanding community.

Residents of San Marcos, the couple has become known particularly for their long-standing involvement with LINC (Lesbians in North County). Through their laudable commitment, LINC has enjoyed rising membership and greater visibility over the last decade.

The group provides a supportive social outlet to lesbian women who live mostly in northern areas of our county. It was originally formed in 1990 through the San Diego Lesbian and Gay Men's Center. But when facilitators turned up in short supply a couple years later, Morton and Sitler jumped in wholeheartedly to keep the Friday-night meetings intact. Shortly afterwards, the organization searched for a dependable meeting venue, prompting the couple to engage LINC into various fundraising events that contributed to the creation of the North County Center. LINC's membership nearly tripled after moving its meetings to the North County Center, where it continues gathering every Friday at 7:30 p.m. Additionally, the couple helps organize LINC's annual Memorial Day party, a fundraiser for women's health organizations and the North County Center. Other fundraising activities they help to produce include Valentine's Day dinners, concert series, Food for Bingo and Christmas drives for families in need.

Both have served on the North County Center's advisory board since its inception — and they support numerous LGBT organizations throughout San Diego County. Sitler has also volunteered and ridden in the last two Challenge Rides.

Outside of their heavy involvement with the LGBT community, Morton is the owner and a horseback-riding instructor for Pathfinder Farm Inc.; Sitler works as a senior physical therapist for Tri-City Medical Center.

We extend a proud salute to these Champions of Pride.

Patty Morton y Dawn Sitler Nuestras Campeonas del Orgullo

En los 10 años que Patty Morton y Dawn Sitler han compartido sus vidas juntas, ellas han ayudado a crear un sólido sentido comunitario en todo North County para toda nuestra gente lésbica, gay y trasgénero.

El Orgullo/Pride Lésbico Gay de San Diego, se enorgullece en reconocer el positivo impacto que ellas continúan haciendo dentro de todas las áreas de nuestra creciente comunidad.

Como residentes de San Marcos, esta pareja se ha dado a conocer por su largo trayecto de participación con LINC (Lesbianas de North County). A través de su laudable compromiso, LINC ha disfrutado del aumento de sus miembros, así como de una mayor notoriedad en la pasada década.

El grupo provee de un oportunidad de apoyo social a mujeres lésbianas que viven en su mayoría en áreas del norte de nuestro condado. Fue originalmente concebido en 1990 a través del Center Lésbico y Gay de San Diego. Pero cuando los facilitadores agotaron las demandas dos años más tarde, Morton y Sitler se lanzaron en una cruzada para mantener las reuniones nocturnas de los Viernes intactas.

Poco después, la organización buscó un formato de reuniones más dependiente, impulsando a la pareja hacer participar a LINC con diversos eventos de recaudación de fondos que contribuyeron a la creación del Center de North County. El número de miembros del LINC casi se ha triplicado después de mover sus reuniones al Center de North County, donde continúa reuniéndose los cada Viernes a las 7:30 p.m.

Adicionalmente, la pareja ayuda a organizar las festividades anuales del Memorial Day, un evento que recauda fondos para organizaciones de salud dirigidos a mujeres del Center de North County. Otro de sus eventos de beneficencia que ayudan a producir incluyen el día de San Valentín, Series de Conciertos, "Food for Bingo" y paseos Navideños para familias necesitadas.

Ambas han servido en la directiva de concejo del Center de North County desde su creación han apoyado a numerosas organizaciones en todo el condado de San Diego. Sitler ha sido voluntaria y amazona en los dos últimos eventos de Challenge Rides.

Fuera de su fuerte involucramiento con la comunidad GLBT, Morton es propietaria e instructora de montar a caballo para Pathfinder Farm Inc.; Sitler trabaja como una fisioterapeuta mayor para el Tri-City Medical Center.

Extendemos un orgulloso saludos a nuestras campeonas del Pride.

Dale Kelly Bankhead

Dale Kelly Bankhead is a political trailblazer for the advocacy of equal rights and a loyal friend to our community.

Her position as public affairs associate at the ACLU of San Diego & Imperial Counties allowed her to rally the organization into taking legal action against the City of San Diego regarding its land lease with the Boy Scouts. Since the lawsuit was filed last year, she has set out on a countywide public speaking campaign to raise awareness on the issue.

Prior to joining the ACLU, she was the senior legislative assistant to openly gay Assemblywoman Carole Migden, D-San Francisco. The experience allowed her to become heavily involved in a variety of legislation affecting the LGBT community, including Migden's original domestic-partner insurance bill and funding for AIDS.

Bankhead was also active with the local steering committee opposing Proposition 22 last year, coordinating news conferences and helping to successfully sway the *San Diego Union-Tribune's* editorial board to come out

against it. And through the ACLU, she lobbied for an anti-harassment policy within the Grossmont School District, as well as state legislation to prohibit discrimination against transgendered individuals.

More recently, she was instrumental in establishing the Public Policy Department at The Center — and continues to serve on that department's advisory board.

On behalf of the entire community, we deeply appreciate the unwavering political support she has given us.

Dale Kelly Bankhead **Nuestra Amiga del Año**

Dale Kelly Bankhead es una figura que abre caminos en la política para la defensa de igualdad de derechos y una amiga fiel de nuestra comunidad.

Su posición como socia de la división de asuntos públicos en la ACLU de San Diego y los Condados Imperiales, le ha permitido el lanzar la organización hacia la toma de acción legal en contra de la Ciudad de San Diego a pesar del contrato de arrendamiento existente con los Boy Scouts. Desde que la demanda fue iniciada el año pasado, ella ha establecido en todo el condado, una campaña de testimonios públicos para promover la defensa de este tema.

Préviamente a unirse al ACLU, ella fue la asistente legislativa mayor de la abiertamente gay mujer- asambleísta Carole Migden, D-San Francisco. La experiencia le permitió

involucrarse profundamente en gran variedad de aspectos legislativos que afectan a la comunidad LGBT, incluyendo la cuenta de seguro original de Migden para parejas domésticas y fondos para el SIDA.

Bankhead fue también gran activista en el comité local paneador en oposición a la Propuesta 22 del año pasado, coordinando las ruedas de prensa, y ayudando a dominar con éxito la mesa editorial del *San Diego Union Tribune* para ponerse en contra. Y a través de la ACLU, ella encabezó una política contra el hostigamiento dentro del distrito escolar Grossmont, y una ley legislativa para prohibir la discriminación en contra de individuos transgéneros.

Más recientemente, ella fue una parte clave en el establecimiento de un departamento de política pública en el Center-u continúa sirviendo en la directiva del departamento de defensa.

De parte de toda nuestra comunidad nosotros apreciamos profundamente el firme apoyo que su política siempre nos ha dado.

LGBT Student Union at San Diego State University

Founded in the grass-roots era of our movement in 1969, the LGBT Student Union at San Diego State University provides students on campus with a comfortable and secure environment to network with other LGBT individuals.

With limited financial support from the university, the student union has essentially become a self-sufficient entity that raises its own operating funds and draws on a bank of volunteers to staff its office. It has also branched off campus in recent years to become involved with local organizations such as the Imperial Court de San Diego, The Women's Resource Center, Project Page Turner, the AIDS Walk and the recent Creating Change Conference presented in Atlanta by the National Gay and Lesbian Task Force.

The organization also conducts educational panels in classrooms to address homophobia and describes the gay and lesbian experience in today's society. Nearly three panels per week are scheduled in SDSU campus classrooms, including some that are held at Patrick Henry and other area high schools.

In April, the student union hosted a successful informational fair on campus for Queer Awareness Week, bringing together a variety of non-profit organizations and businesses of interest of the LGBT community.

Further outreach is planned as the organization aims to establish a resource center on campus that would provide counseling services and academic materials for gay and lesbian research projects. According to Student Union President Jeff Redondo, its staff is currently working with the university in search of donors.

San Diego Lesbian and Gay Pride congratulates the many noteworthy achievements this organization has made in the past 32 years.

Union Estudiantil LGBT de la Universidad del Estado de San Diego Premio de Servicio Stonewall

Fundado en las verdaderas raíces de nuestro movimientos en 1969, la Union Estudiantil LGBT de la Universidad del Estado de San Diego ofrece a los estudiantes un ambiente cómodo y seguro para comunicarse con otros individuos LGBT.

Con un apoyo financiero limitado de la universidad, la unión estudiantil se ha convertido esencialmente en una entidad autosuficiente que procura sus propios fondos para operar y utiliza un grupo de voluntarios para llenar el personal de sus oficinas. También se ha expandido fuera del campus en los últimos años para involucrarse con otras organizaciones como The Imperial Court de San Diego, The Women's Resource Center, Project Page Turner, The AIDS Walk, y recientemente Creating Change conference, presentada en Atlanta por the National Gay and Lesbian Task Force.

La Organización también conduce paneles educativos en salones de escuelas para concientizar sobre la homofobia y describir las experiencias de ser gay o lesbiana en la sociedad actual. Cerca de tres paneles por semana se programan en los calendarios de los salones del campus SDSU.

En Abril, la unión de estudiantes fue anfitrión de una feria informativa muy exitosa en el campus, llamada Queer Awareness Week, que logró reunir a una gran variedad de organizaciones no lucrativas y negocios con intereses en la comunidad LGBT.

Mayor alcance se planea hacer, pues la organización desea establecer un centro de recursos en el campus que prodrá ofrecer servicios de apoyo y materiales académicos para la investigación de proyectos Gay y Lésbicos.

De acuerdo con el presidente de la Unión Estudiantil, Jeff Redondo, su personal esta actualmente trabajando con la universidad para buscar patrocinadores.

El Lesbian y Gay Pride de San Diego, felicita los tan valiosos logros que esta organización ha hecho en los pasados 32 años.

POZabilities

POZabilities is a forward-moving social group for HIV-positive men that celebrated its one-year anniversary earlier this year.

The organization's rapid success is based on its ability to provide members with a consistent calendar of fun-filled social activities that vary from beach bon fires and volleyball games to potluck dinners, movie outings and whale watching excursions.

Founded in February of 2000 by Steve Snodgrass, the group gathers at 6:30 p.m. every Thursday at various locations; and at 10 a.m. on Wednesdays at The Other Side Coffeehouse in North Park. Two special outings are also held on weekends each month.

Nine board members oversee the planning of events, which are posted regularly on the organization's web site.

POZibilidades Premio de Servicio Stonewall

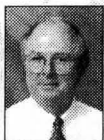

POZibilidades es un dinámico grupo social para hombres VIH-positivos que celebró su primer aniversario a principios de este año.

El rápido éxito de esta organización se basa en la habilidad de proveer a sus miembros con un consistente calendario de diversas y divertidas actividades sociales que van desde fogatas en la playa y juegos de volleyball, hasta cenas de cooperación, noches de cine, y excursiones para la observación de ballenas.

Fundado en Febrero del año 2000, por Steve Snodgrass, el grupo se reúne a las 6:30p.m. cada Jueves en diversos sitios; y a las 10:00 a.m. cada Miércoles en la cafetería The Other Side, localizada en North Park. Hay también dos eventos de salidas grupales, que se llevan a cabo los fines de semana de cada mes.

Nueve integrantes de su mesa directiva, revisan y planean cuidadosamente estos eventos, que se citan en el web site de la organizac'on.

Carol Pierce and Jeff Wynne of Front Runners

When Carol Pierce and Jeff Wynne founded the San Diego chapter of Front Runners in 1981, its membership totaled less than 10 people. Today, the organization encompasses nearly 225 members who participate in various walking, running and jogging outings in and around Balboa Park.

Front Runners is a diversified group that reaches out to a broad spectrum of the LGBT community and its supporters. It welcomes walkers and runners of all skill levels, from expert to novice. And it provides members with both instructional and social support.

As the San Diego group celebrates its 20th anniversary this July, Pierce and Wynne remain loyal in helping to attract new members while serving on planning committees for special events. Both are currently involved with organizing an international Front Runners meeting and four-day run that will be held here in October. The event is scheduled to allow visiting participants to also take part in the San Diego AIDS Walk.

Additionally, Wynne has been actively involved in presenting the pre-Pride "Fun Run," which will be held this year at 8 a.m., July 28, at the southeast corner of Sixth and Laurel streets. The group also meets regularly throughout the year at Sixth and Laurel, at 8 a.m. on Saturdays; and 6 p.m. on Mondays and Wednesdays.

San Diego Lesbian and Gay Pride salutes Pierce and Wynn, whose longtime friendship has allowed them to successfully collaborate in building a quality organization for our community.

Carol Pierce y Jeff Wynne de Front Runners Prémio al Servicio Comunitario

Cuando Carol Pierce y Jeff Wynne fundaron en San Diego el capítulo de Front Runner en 1981, el total de sus miembros era de sólo 10 personas. Hoy en día, la organización se compone de casi 225 miembros que participan en varias caminatas, carreras y salidas de tróte, dentro y en los alrededores de Balboa Park.

Front Runners es un grupo que se ha diversificado en un amplio espectro de la comunidad LGBT y sus partidarios. Recibe a caminantes y corredores de todos niveles, desde los experimentados hasta los novatos. Y provee a sus miembros con tanto instrucción como apoyo.

Mientras este grupo celebrara su vigésimo aniversario este julio, Pierce y Wynne continúan siendo copresidentes de la misma, ayudando a atraer nuevos miembros mientras trabajan y planean comités para eventos especiales. Ambos están actualmente envueltos con la organización de un encuentro

internacional de Front Runners y una carrera de 4 días que se llevara a cabo aquí en Octubre. El evento, se prepara para permitir que los participantes visitantes, también tomen parte de San Diego AIDS WALK.

Adicionalmente Wynne ha estado activamente involucrado en presentar la "Carrera de Diversión" antes del Pride, que se llevara a cabo este año a las 8 A.M. el 28 de Julio, en la esquina suroeste de la calle Sexta y Laurel. Este grupo también se reune regularmente a través del año en la calle Sexta y Laurel, todos los Sábados a las 8 A.M. y a las 6 P.M. los Lunes y los Miércoles.

El San Diego Lesbian y Gay Pride felicita a Pierce y Wynn, cuya larga amistad ha permitido él colaborar exitosamente en la creación de una organización de calidad para nuestra comunidad.

Pat Washington

As an assistant professor in the Department of Women's Studies at San Diego State University, Pat Washington has presented numerous speeches and papers that challenge the myths and stereotypes of our community. She consistently brings attention to LGBT issues in her course materials and has helped educate hundreds of students and fellow staff members of all backgrounds about the perils of homophobia and racism.

She has also presented extensive research at national forums that addressed issues of sexual assault within the LGBT community – and continues to conduct educational workshops on the topic. In July, she presented "Effects of Hate and Bias-Related Violence on Victims and Their Families" for the televised "Hate Crimes Forum," chaired by then-Councilwoman Christine Kehoe. And just recently, the Department of Justice invited her to review funding proposals regarding violence prevention.

Additionally, she serves as faculty advisor for the university's LGBT Student Union while creating community-based service partnerships with organizations such as the San Diego Human Relations Commission, Harvest for the Homeless, Mama's Kitchen, the YWCA and San Diego Lesbian and Gay Pride, to name a few.

Her activism and in-depth knowledge on issues of social justice make her a true leader in community service.

Pat Washington Prémio al Servicio Comunitario

Cómo un profesor asistente en el Departamento de Estudios Femeninos de la Universidad del Estado de San Diego, Pat Washington ha presentado numerosas pláticas y papeles que han retado a los mitos y estereotipos de nuestra comunidad. Ella consistentemente atrae la atención a temas LGBT en el material de sus cursos regulares y ha ayudado a educar a cientos de estudiantes y compañeros dentro del mismo personal, con diversos tipos de antecedentes y educación acerca de los peligros que implica la homofobia y el racismo.

Ella há, además presentado extensas investigaciones en foros nacionales qué establecen temas de abuso sexual dentro de la comunidad LGBT y continúa conduciendo talleres educativos en éste tópico. En Júlio, ella presentó "Los Efectos del Odio, y Prejuicios Relacionados a la Violencia en Víctimas y Familia" para el programa televisivo "Hate Crimes Forum" presidido por la entonces mujer concejal Christine Kehoe. Y muy recientemente, el Departamento de Justicia la invitó a revisar propuestas para crear fondos que prevengan la violencia.

Adicionalmente, ella trabaja en una facultad defensora de la universidad para la unión de estudiantes LGBT mientras há creado una sociedad de servicios de base comunitaria con organizaciones como la de San Diego Human Relations Commissions, Harvest for the Homeless, Mama's Kitchen, The YWCA y San Diego Lesbian and Gay Pride, por nombrar unos pocos.

Su sentido activista y profundo conocimiento en temas de justicia social, la hacen una líder verdadera al servicio comunitario.

Frank Scarpaci

In an effort to heighten social awareness of LGBT youth, Frank Scarpaci spearheaded a highly successful project last year that introduced San Diegans to "The Shared Heart," an award-winning photographic exhibit of young gay, lesbian and bisexual role models.

The exhibit, which provides meaningful inspiration to LGBT youth, and their peers and teachers, coincided with the opening of the Hillcrest Youth Center before touring to area high schools.

Scarpaci, who is a board chair for The Center's Development Committee, devoted his time and energy for securing sponsorships and developing a steering committee to bring the exhibit here from its Massachusetts home. Among the sponsors that he brought in was American Express Small Business Travel, a division of American Express Corporate Services for which he is a project manager.

Scarpaci generated local publicity for the exhibit and organized its displays at the Hillcrest Youth Center, The Center, the Spruce Street Forum and local high schools, where he was sometimes greeted with protest. Rather than back down, Scarpaci pulled together response teams and met with school officials to dispel opposition over the 40-photograph exhibit and the curriculum kits that went with it.

As the exhibit toured the city, it generated individual donations that Scarpaci directed entirely to the Hillcrest Youth Center. San Diego Lesbian and Gay Pride applaud his commitment to raising awareness of the needs and concerns of LGBT youth.

Frank Scarpaci Prémio al Serviço Comunitario

En su esfuerzo por enaltecer la conciencia de la juventud LGBT, Frank Scarpaci encabezó un exitoso proyecto que introdujo a la gente de San Diego a The Shared Heart, una triunfante exhibición de fotografías de jóvenes ejemplares gays, lesbianas y bisexuales.

La exhibición, que provee una significativa inspiración a la juventud LGBT, sus semejantes y maestros, coincidió con la apertura del Hillcrest Youth Center antes de irse de gira por secundarias del área.

Scarpaci, quien es presidente de el comité de desarrollo del Center, ha dedicado su tiempo y energía para asegurar la patrocinación y desarrollo de un comité dirigente para traer la exhibición aquí, desde su hogar en Massachusetts. Entre los patrocinadores que él trajo, estuvieron American Express Small Business Travel, una división de los Servicios Corporativos de American Express del cual él es gerente.

Scarpaci generó publicidad local para la exhibición y organizó su instalación en el Hillcrest Youth Center, El Center, The Spruce Street Forum, y secundarias locales, donde él fue algunas veces recibido con protestas. Antes que retroceder, Scarpaci unió equipos de respuesta y confrontó a los oficiales escolares para disipar la oposición sobre la exhibición de las 40 fotografías y el texto curricular que iba con ellas.

Conforme la exhibición viajó por la ciudad, generó donaciones individuales que Scarpaci dió en su totalidad al Hillcrest Youth Center. El San Diego Lesbian y Gay Pride aplauden éste compromiso de elevar las conciencias sobre las necesidades y preocupaciones de la juventud LGBT.

Dennis Howard

Since retiring as an English teacher from San Diego Community College five years ago, Dennis Howard has become a devoted, full-time volunteer for a number of organizations familiar to our community.

His penchant for volunteerism, however, dates back to the early 1980s, when he became an active volunteer for the former Necessities of Life Program, which encompassed the Food Bank and then later became part of the AIDS Foundation. Howard remained faithful to the foundation until it closed its doors in the late 1990s.

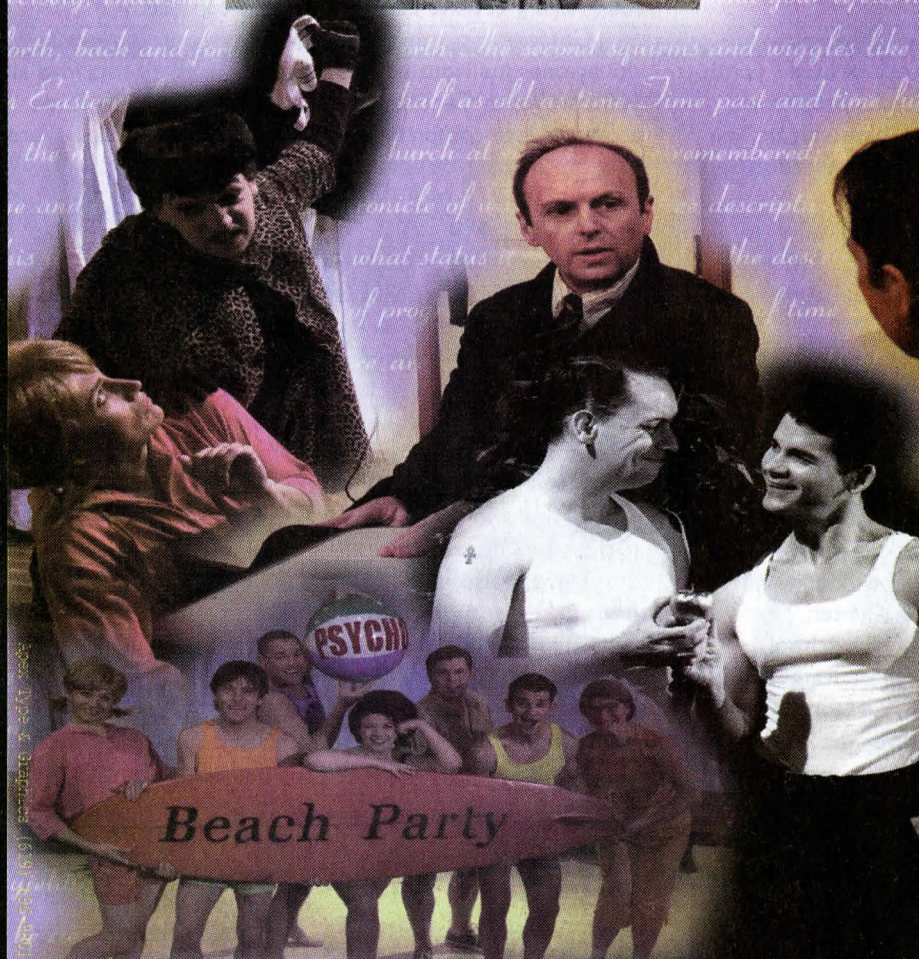

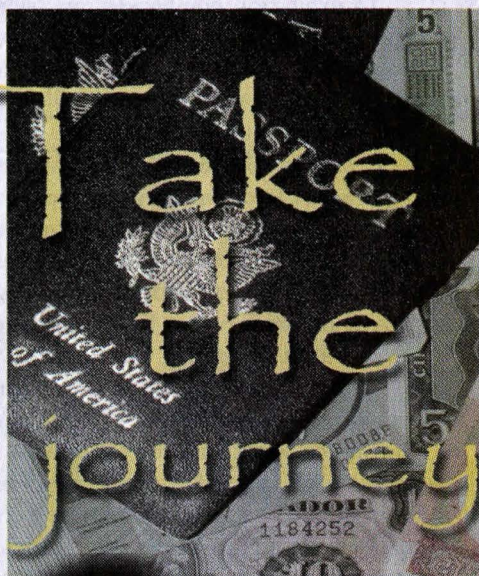

He was also a founding volunteer for Mama's Kitchen, having served on its original board of directors for four years. During his term, he generously gave his time serving as an unofficial operations manager when the organization searched for an executive director.

For the past four years, he has volunteered his services for the Lesbian and Gay Historical Society of San Diego, helping to catalog its diverse stock of library books and develop a comprehensive LGBT timeline for the society's database.

He is a longtime volunteer for The Center, where he provides organizational support for the facility's development

Diana G. Carrillo

Diana G. Carrillo has paved a road for LGBT students to come out at Chula Vista High School, where she is a bilingual teacher and an advisor for the school's Gay-Straight Student Alliance (GSSA) and the Movimiento Estudiantil Chicano de Aztlan (MEChA).

In an effort to bridge the gap between straight and gay students, she mobilized support for turning GSSA into an

official club at the school. She also spearheaded a unique project recently, called "Day of Silence," to promote tolerance within the student body toward LGBT individuals. For one whole day, staff and students observed silence and handed out cards with text describing the isolation that LGBT students often experience in their schools and personal lives.

Carrillo was also active with the Chicana/o Youth Leadership Camp, serving as director from 1997 to 2000 and was a past chairperson for MEChA at San Diego State University.

Her efforts to diminish homophobia within South Bay's high school community have provided joy and comfort for many young LGBT students.

Rex Allen

Before coming to San Diego, Rex Allen was actively involved with our country's first gay organization, the Mattachine Society, for which he organized meetings and helped distribute its magazine during the 1950s and 1960s. While growing up in his native San Francisco, he also became a seasoned activist in other "gay liberation" movements, working alongside notable gay rights leaders such as Morris Kight and Harvey Milk.

He owned and operated numerous gay businesses throughout the West for the past 40 years, including the former Dave's Club in Ocean Beach and The Pirate's Den, one of San Diego's early gay bars that closed in the mid 1950s.

community | service award

For over 25 years, Allen has been a devoted volunteer at San Diego's past and recent locations of The Center. In 1998 he received two awards from the facility, one for "Volunteer of the Year" and the other for "25 Years of Dedication and Outstanding Volunteer Service."

He currently helps organize The Center's bingo night every Thursday and remains a familiar presence at the facility's front reception desk.

Allen's longstanding commitment to the LGBT community stands out as an exemplary example of community service.

Rex Allen Premio al Servicio Comunitario

Antes de vivir en San Diego, Rex Allen estaba ya activamente involucrado en la primera organización gay, The Mattachine Society, para la cual él organizó juntas y ayudó a distribuir revistas durante los años de 1950s y 1960s. Mientras crecía en su natal San Francisco, él también se convirtió en activista temporal de otros "movimiento de liberación gay", trabajando junto con notables líderes de derechos gays como Morris Knight y Harvey Milk.

El fue propietario y operador de numerosas empresas gays en todo el oeste por los pasados 40 años, incluyendo el antes conocido Dave's Club en Ocean Beach y The Pirate's Den, uno de los bares gays más antiguos que cerró sus puertas a mitad de los cincuenta.

Por más de 25 años, Allen, ha sido un voluntario devoto de San Diego en el pasado y actual local de el Center. En 1998 él recibió dos premios de esta facilidad, uno como "Voluntario del Año" y otro por sus "25 años de dedicación y sobresaliente servicio voluntario."

El actualmente ayuda a organizar la noche del bingo en el Center cada Jueves y es una figura familiar presente en la facilidad en la recepción.

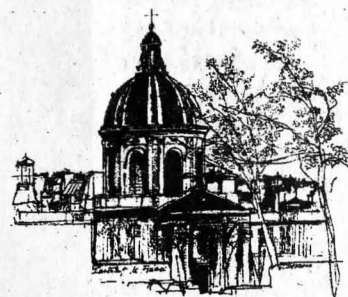

El largo compromiso de Allen con la comunidad LGBT, hace una ovación como un ejemplo ejemplar al servicio comunitario.

Love, San Diego Pride Style

There's nothing more romantic than a summer wedding in Balboa Park. So grab your partner and come "tie the knot" at Pride's public commitment ceremony, at 2:15, Sunday, July 29.

The ceremony, complete with wedding cake and punch, will be held within the festival grounds near Pride's main

concert stage. The Rev. Tony Freeman and Kaki Johnson of MCC San Diego will officiate as couples enjoy exciting opportunity to express their love and devotion to one another.

While same-

sex unions are still not legally recognized in the State of California, the ceremony is designed to bring lovebirds one step closer to the real thing. Souvenir photographs and certificates will be available for a nominal fee, as well as free wedding cake for all who participate. Couples are encouraged to bring their families and friends along to witness this memorable event.

We also advise that you pre-register in advance by calling Rev. Houston Burnside at 619-280-4333, ext. 25. Or call the Pride office for further details at 619-297-7683.

Directed by Moises Kaufman
July 31 - Sept. 2

After the brutal murder of gay student Matthew Shepard, a group of New York actors and writers who make up the Tectonic Theatre Company, traveled to Laramie, Wyoming to interview the town's citizens in the aftermath of the crime. The extraordinary result was "The Laramie Project," acclaimed by Time Magazine as "one of the top 10 plays of the 2000." La Jolla Playhouse proudly presents the exclusive Southern California engagement of this great play with its original cast. It is, quite simply, a life-changing piece of theatre.
